**MR SPEAKER**

Bonzour tou Manm Onorab. Bonzour nou telespektater e oditer a lekout e byenveni pou nou travay Lasanble pou sa lazournen Merkrede le 14 Zilyet. Mon pou termin mon *Ruling* lo labsans bann Manm dan Lasanble semenn pase.

Dan bomaten yer mon'n ganny 8 form sorti kot bann Manm Lopozisyon lo ki zot in donn zot rezon pou zot labsans Merkrede le 7 Zilyet. Enn in sit rezon medikal, enn in dir i ti oule evit konfli ek Speaker, leres in dir rezon personnel.

Mon pa pou lev dout lo rezon ki bann Manm in donneren apre tou zot tou zot bann Zofisye piblik ki konn byen zot responsabilite poudir laverite. Alor mon pe aksepte zot deklarasyon pou zot rezon ki mannyer zot in donneren.

Sa enn ki'n dir rezon medikal mon pou aksepte, son rezon menm si sa i pa en sertifika medikal pou le senp rezon ki avek *COVID*, Lotorite Lasante i konseye ki si ou pa santi ou byen, ou reste se ou e ou pa neserman al kot dokter.

Alor i posib sa Manm pa ti'n prevwar ki i bezwen en sertifika medikal. Lezot rezon pa zistifyab. Zis pou dir rezon personnel i pa se leksplikasyon, i pa en rezon serye, e i pa valab pou sa sironstans.

Alor sanksyon kont lezot Manm anba *National Members i Monuments Act* pou aplike pou lezot Manm, parey mon ti'n prononse yer dan mon deklarasyon, apard sa enn ki'n sit rezon medikal. Sa i mon *Ruling*.

Nou a prosede avek lezot biznes Lasanble. Nou pou komans avek aprouvasyon Lasanble pou *update 2 Terms of Reference* Komite.

Byen nou a komanse e nou a komans avek Onorab Esparon, *Deputy Chairperson House Committee* pou prezant amannman lo *Terms of Reference House Committee*. Onorab Esparon.

**HON REGINA ESPARON**

Mersi Mr Speaker. Bonzour tou dimoun ki a lekout. Mr Speaker

*House Committee* pe demande ki Lasanble i aprouv *Terms of Reference* ki'n ganny revize pou agrandi manda Komite. Mersi Mr Speaker.

**MR SPEAKER**

Mersi. Tou bann Manm in ganny kopi sa *Terms of Reference*, e in ganny sirkile dan bann *Caucus*, e revizyon in ganny fer avek konsantman bann Manm Lasanble pou nou kapab aprouv li direktman. Mon a ganny en *secondment* pou Mosyon Onorab Zialor.

**HON NADDY ZIALOR**

Bonzour Mr Speaker. Bonzour tou bann Manm. Mr Speaker mon segonn Mosyon pou lamannman *Terms of Reference* pou *House Committee*. Mersi.

**MR SPEAKER**

Mersi Onorab. Eski ou pou adres Lasanble lo la? Onorab Pillay wi.

**HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mr Speaker sa *Terms of Reference* i en *Terms of Reference* ki mon familye avek. Be selman malgre ki mon santi ki i annan travay ki nou'n fer lo sa *Terms of Reference*.

**HON REGINA ESPARON**

Mr Speaker *mover* Mosyon pa ankor koze. Eskize, wi prezan ki mon pe prezante mon ti pe esper Mosyon ganny segonde avan. Mersi Mr Speaker. Eskize Onorab Pillay.

*House Committee* in ganny met an plas pou ranplas Komite Reform e Modernizasyon ki ti la dan Lasanble presedan. E son responsabilite se pou revwar, analize, fer lanket e propoz bann rekomandasyon lo bann size swivan.

Me avek bi pou pa anvair oubuyen *encroach* parey Angle ti pou dir lo *Standing Order* e lo *National Assembly Privileges and Immunity Act*.

Pou revwar Polisi zeneral lo konportman bann Manm e lo size konfli lentere ki kapab, ki kapab afekte zimaz e repitasyon nou Lasanble kot sa pa enkli okenn konsiderasyon ouswa zimaz pou bann dan bann ka endividyel.

Revwar drwa e privez bann Manm. Regard dan byennet bann Manm, e sa i enkli bann problem ou defi ki dan Lezislatif e Polisi ozordi.

Revwar servis e fasilite pou bann Manm envite e osi bann viziter e lezot ki vin kot nou Lasanble. Komite i osi annan sa manda pou revwar striktir e lorganizasyon Lasanble Nasyonal.

E finalman revwar prosedir zeneral ek lezot aktivite ki pa relye avek biznes Lasanble dan *Chamber*, ki vedir landrwa kot nou pe asize pou fer deliberasyon. Akoz sa i ganny gide par *Standing Order* ki en lot Komite avek son prop *TOR*.

Mr Speaker sa Komite i devret annan 7 Manm ki ganny apwente dan Lartik 4(2) konstitisyon. E son *Chairman* i devret ganny elekte parmi son bann Manm dapre Lalwa 5 lareg ek prosedir komite Lasanble Nasyonal, ki nou konn li koman *Rules and Procedures of the National Assembly*.

Komite i devret zwenn omwen en fwa par mwan oubyen otan ki i annan sa neseseite.

Komite i devret ganny apwente pou menm dirasyon letan ek Lasanble Nasyonal savedir dirasyon setyenm Lasanble Nasyonal.

Clerk ek Depite Lasanble Nasyonal i devret servi koman sekreter *House Committee* e osi kapab nonm okenn lezot Manm *staff* koman asistan sekreter.

Mr Speaker sa i konteni sa *Terms of Reference* travay *House Committee* ki mon oule met devan sa Lasanble pou aprouvasyon. Mersi.

## **MR SPEAKER**

Mersi. Onorab Pillay ou kapab adres Lasanble prezan.

## **HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mr Speaker parey mon'n dir sa *Terms of Reference* i en *Terms of Reference* ki mon familye avek. E ki lo sa versyon ki la i annan bokou sanzman.

Me selman apre ki mon'n konsider an detay *National Assembly Members Privileges and Immunities Act* i anmenn mwan pou fer en refleksyon sirtou an relasyon ek konstitisyon e sirtou avek sa size konpozisyon sa *House Committee*.

Sa refleksyon i baze lo lefe ki *House Committee* i kapab rapidman dan en Lasanble kot i dinamik, rapidman *eventually* i bezwen pran rol en *Ethics Committee*.

E si sa i arive baze lo lafason ki nou pe koz lo son konpozisyon, i pou vin dan en fason partizan akoz sa konpozisyon ki konstitisyon i *set out*, i *set li out* dan en fason partizan akoz i baze lo lafors politik dan Lasanble Nasyonal.

E pour mwan sa i en konsiderasyon ekstrememan enportan, prenon kont bann levennman resan ki'n pase mon anti ki *House Committee* ti

devret enn bann *Committee* ki son konpozisyon i vin en konpozisyon pli ouver. E reflekte si oule Lasanble Nasyonal *as a whole* e non, pa lapros partizan, malgre ki Konstitisyon i pa dan son lespri i pa sa son lentansyon.

Me se sa ki pou inevitableman arive. E mon krwar la pou mwan kot mon *retain* e mon kontinyen annan en *issue* vizavi sa *TOR*.

Akoz ler mon'n regard *National Assembly Members Privileges and Immunities Act* en kantite pouvwar i ganny mete dan lanmen Speaker Lasanble Nasyonal.

En kantite pouvwar, e menm *Restraining Orders* i met en kantite pouvwar dan lanmen Speaker Lasanble Nasyonal. *Rightly so*, akoz Speaker i bezwen *adjudicate* Lasanble e i bezwen osi la pou li *Chair* sesyon Lasanble e sesyon Lasanble i pa en sesyon fasil pou *Chair*.

Akoz ou annan diferan akter e parfwa politik i *devolve* dan bann diskisyon e dan bann deba ki antyerman fasil pou dil avek. E se sa ki fer mon krwar poudir menm son konpozisyon sa *House Committee* i bezwen enn ki nou set li *out*, si nou oule vremen bouz devan.

Akoz mon dir sa Mr Speaker akoz nou Lasanble in entrodwir en sistenm kot nou annan bann *Whips*. Nou annan en *Chief Whip* lo kote *LDS* e nou annan en *Chief Whip* lo kote *United Seychelles*.

Si nou *follow* sa *template* ki Konstitisyon in prevwar, nou pou *nominate* bann Manm pou zot ranpli sa Komite, dan en fason normal.

Mwan mon ti a kontan ki nou *raise* sa *bar*. Donn en lenportans sa Komite byensir lefe ki i apel *House Committee* Mr Speaker li menm ki *Chair*, son *Terms of Reference* i bezwen fer referans ki le 2 *Whips* i bezwen form par sa Komite.

Akoz le 2 *Whips* i annan en rol pou mentenir disiplin parmi zot bann Manm.

E si demen Lasanble Nasyonal i pran en desizyon pou konpoz en *Ethics Committee through the House Committee*, i ava annan le 2 dimoun ki sipoze *currently* pe dil avek etik an sa ki konsern bann Manm, pou kapab donn zot *input* direk, san ki i ava bezwen ganny fer atraver en *third party* atraver en lot Manm.

E mwan mon krwar ki sa i en keksoz ki nou bezwen mazin.

Me si mon retourn lo sa pwen *the composition of* sa

Komite, mwan mon retenir ki lapros ki nou bezwen pran, se en lapros pou donn sa Komite en lavi si oule, dan en lanvironnman kot sa Komite i ganny konsidere koman enparsyal.

Akoz malgre mon'n regard sa premye fraz dan sa *TOR* e mwan menm mon mon'n *grapple* avek, i reste lefe ki nou bezwen ariv a sa pwen kot sa Komite i ganny divorce – i ganny *divolve from* lezot travay partizan ki lezot Komite i bezwen fer dan Lasanble. E mon santi ki sa i en pwen ki en portan pou nou konsidere.

Prezan ki anmenn mwan lo mon lot pwen an sa ki konsern en Komite edik Lasanble. Mon koz lo en Komite Etik aköz mon pa pe kestyonn *Ruling* ki ou'n donn en bomaten e bomaten ou'n donn en *Ruling* an piblik ki baze lo presedans, *whilst* ki mwan mon kapab demann *judicial review* dan en *Ruling*.

Mon lanmen i anmare vizavi Zidisyer aköz in deza annan en prononsman lakour, vizavi *Ruling* Speaker Lasanble Nasyonal ki'n ganny fer par en Lakour an relasyon ek en Speaker avan ou.

E se pour sa rezon ki ler nou pou Manm Lasanble nou pe koz lo en Komite Etik, sa Komite Etik ki napa pou fer zis avek sa

ki nou apel *disruption* dan Lasanble.

E mwan lo mon kote Mr Speaker mon bezwen dir ki sa ki anmenn mon pou koz lo en Komite Etik an relasyon ek nou deba lo en *House Committee*, i baze lo la fason ki mon war par egzantp raportaz ki *SBC* in donn en kot in koz lo dezord, e koneksyon ki dezord i annan pou fer avek zis 2 Manm lo mon kote latab.

E 2 Manm lo nou kote latab. E lafason ki sa pe ganny *portrait*. E mon santi poudir si nou ti annan en fason pou etablir en Komite Etik, sa ti pou ed nou pou nou dil ek kalite sityasyon ki kapab *arise* dan Lasanble, san ki nou afekte Lotorite ki Speaker i annan, aköz *residually* toultan Speaker pou annan sa Lotorite.

So, mon konsiderasyon ki mon pe met devan se ki, eski Lasanble i pare *to be bold enough* pou nou regard dan konpozisyon en *House Committee* e pou nou fer en *House Committee* vin en Komite ki non partizan?

Mon'n vwar sa sistenm servi Lanmerik, i annan lezot ziridiksyon ki pran en lapros vizavi en *Ethics Committee* ki *neutral*. Kot bann drwa en Lasanble Manm ki annan plis leksperyans dan Lasanble i

bann dimoun ki sit lo sa *Ethics Committee*.

Pa dan en fason ki en Komite ki ganny en *allowance* non, me i en Komite ki ganny formen pou li dil ek en sityasyon. Me si nou oule fer *House Committee* annan sa manda, *then* i pou bezwen vin sa.

Akoz mon santi inevitableman nou pou *enlarge* manda en *House Committee* e ler nou pou fer li nou pou *still* pri avek konpozisyon sa Komite baze lo Konstitisyon.

E pou mwan mon pe prevwar, mon pe prevwar sa si oule sa konfli ki kapab annan dan nou lentansyon e sa ki kapab arive.

So sa ki mon anvi met devan Lasanble ozordi, e ki mon krwar i pou neser ki *going forward* nou annan en *House Committee*, aköz i annan en rol enportan. Nou'n sorti *from* en *Reform and Modernization Committee* pou annan sa.

Me selman malerezman mon santi poudir an sa ki konsern konpozisyon, i annan keksoz ki nou kapab fer lavantaz pou nou *improve* li.

E an konklizyon Mr Speaker, ler mon ti lo *Standing Orders Committee* e nou ti pe travay lo *Standing Orders*, nou ti ganny en gran deba lo ki rol

en *House Committee*, ki model ki nou pou servi.

E i tonm byen ki dan sa Lasanble ki la prezan ki nou pe met lavyann lo sa leskelet ki'n ganny kree anba *Standing Orders*. E ankor lezot Lasanble konsekaman pou bezwen met ankor lavyann lo la pou kontinyen *improve* lo la.

Akoz la i form parti *Standing Orders*. I en Komite ki ganny kree atraver *Standing Orders*. I pa en si oule en *ad hoc Committee*. I pa en *Sessional Committee* ki napa en konfigirasyon - si oule mon pou dir ilegal - aköz *Standing Orders* i en morso i en ekstansyon Konstitisyon.

So se sa ki pe anmenn mwan pou annan serten konsern. Vwala Mr Speaker kot mon pe regard sa *TOR House Committee* ozordi.

E mwan ava kontan ki Lasanble i ganny en deba serye, pou nou kapab regarde ki mannyer nou, koman Parlmanter ozordi, nou koz lo kwa ki nou kapab fer pou nou *improve* nou Parlman. Aköz nou pe selebre en laniverser enportan tre byento.

E i ava donn bann Manm osi loportinite pou nou koz lo en lot size apard ki nou bann size labitid, kot nou ava annan bann

enteraksyon politik lo la. Mersi Mr Speaker.

### **MR SPEAKER**

Mersi Onorab Pillay. Avan mon donn laparol Onorab Georges ki oule adres nou o sa size, permet mwan pran laparol koman *Chairman House Committee*, e osi koman dimoun ki'n *lead* revizyon sa *Terms of Reference*, e ki'n kominik avek tou lede kote Manm Lasanble, lo zot *approval* pou sa *Terms of Reference*.

Lo sa premye size ki Onorab Pillay in leve, e sa se size ki sa *Committee* e son relasyon avek bann lezot Lalwa. Mon krwar *Terms of Reference* nou'n reviz li poudir ki i pa pou *encroach* lo okenn Lalwa *National Assembly Immunities Privileges and Powers Act* oubyen lo *Standing Orders*.

E osi ki sa Lasanble, sa Komite i pa pou konsider bann ka endividyel, ki sa i ganny dil anba lezot prosedir, lezot regilasyon Lasanble. Sa i enn. Lo keston konpozisyon ki Onorab Pillay ti deza leve avan, nou ti propoze ki lefe ki konpozisyon i ganny deside par le 2 kote lasal.

Savedir si Lopozisyon i oule met son *Chief Whip* lo sa Komite i kapab fer li. Si kote Gouvernman i oule met son

*Chief Whip* oubyen en lot Manm i kapab fer li. So sa i deza dan nou refleksyon i deza ganny adrese.

E lo dernyen pwen si i devret vin en *Ethics Committee* mon krwar sa i en keston ki Lasanble i kapab propoze e debat lo la a lavenir, si i bezwen sanz ankor. Mersi. Onorab Georges mon a pas ou laparol prezan.

### **HON BERNARD GEORGES**

Mersi Mr Speaker. Bonzour Mr Speaker. Bonzour tou bann manm e tou bann dimoun ki pe swiv nou. Mr Speaker efektifman ou'n adres plizoumwenn bann pwen ki mon ti anvi fer resorti. Fodre nou regard en pti pe lespri deryer *House Committee*.

E parey Onorab *Leader* Lopozisyon in fer sorti efektifman, sete *Standing Orders Committee* dan sizyenm Lasanble ki ti fer propozisyon pou fer *Standing Orders* e pou ranplas en Komite ki ti apel *Reform and Modernisation Committee*, ki ti annan koman son lobzektif primordyal regard en pe la fason ki nou pou reform Lasanble e moderniz li.

E etal sa dan en pli gran lanpler e donn sa Komite rol pou regard, non selman striktir Lasanble li menm, e la fason

don par egzanp sa *Chamber* i kapab ganny amelyore dan son *setting out*.

Oubyen si nou devret annan bann *annex* ki ganny fer pour ki tou Manm i annan en biro. Oubyen si nou devret annan en *Members Lounge* en pe pli gran avek fasilite *catering*.

Tousala se bann keksoz fizik ki sa *House Committee* ti pou regard ladan lo en nivo bipartizan. E parey son non i dir nou bezwen en Komite ki pou regard lenter *the House*.

Setadir nou tou isi san ki sa i ganny fer atraver bann *Leaders* oubyen atraver Sekretarya selman.

Mon krwar lide deryer, lespri deryer sa *House Committee* se ki i pou annan en, i pou reprezant bann Manm vizavi Sekretarya e vizavi lezot lenstans direksyon Lasanble. Mon krwar sete sa lespri.

E dan sa lespri parey ou'n dir Mr Speaker, nou kapab fer en kantite keksoz. Nou kapab regard bann striktir fizik Lasanble, me nou bezwen osi regard *welfare* bann Manm.

E se sa *House Committee* ki pou decide lo bann rezon etik, oubyen lo bann lezot rezon si nou devret fer okenn lamannman avek par egzanp, *The National Assembly Powers*

*Privileges and Immunities Act* ki deza ase vye.

Si nou devret fer amannman dan rol konstitisyonnèl Lasanble e propoz sa. Si nou devret fer okenn amannman pa avek *Standing Orders*, akoz *Standing Orders* i annan son Komite ki ganny *set-up par* konstitisyon li menm. Me dan bann lezot par egzanp *National Assembly Monuments Act*.

Si en zour nou pou bezwen revwar saler bann Manm Lasanble, oubyen bann *allowance* ki nou gannyan, se *House Committee* ki pou inisye sa refleksyon e anmenn sa devan bann Lotorite konsernen ek devan *house* li menm pou pran en rezolisyon.

Mon krwar sete sa lespri deryer sa *House Committee*. E efektifman parey ou'n dir si nou pou osi annan en vole etik, se *House Committee* ki ava fer sa propozisyon. Donk mon krwar ki lespri ti enn tre bon lespri, e la fason ki *Terms of Reference* in ganny propoze.

E la mon ava dir Mr Speaker ki avan ki sa *Terms of Reference* in vin devan Lasanble, in vin devan nou de *Caucus* e nou'n ganny sak *Caucus* in ganny letan;- *in fact*, bokou letan pou nou regarde ki mannyer nou devret modifie sa *Terms of Reference* e fer li vin en keksoz

ki annan *Bipartisan Agreement* lo la avan ki i vin ozordi devan nou pou adopte.

Donk mon war mwan en pti pe sirpri ki Onorab *Leader* Lopozisyon ki li menm li in fer propozisyon ase enportan, e ki'n ganny adopte dan sa *Terms of Reference*, i vini ozordi e i fer detrwa deklarasyon. Ki ava kekfwa les dimoun mazin en ki in ganny *taken by surprise by* sa *Terms of Reference* ki devan nou ozordi ki pa leka ditou.

E si mon tronpe dan lafason ki mon vwar lentervansyon *Leader* Lopozisyon, mon ava demann li eskiz mwan, me se sa en pti pe lespri ki mon vwar ozordi. E reaksyon mon bann Manm an mezir i ti pe koze, i anmenn mwan dan sa direksyon. Akoz *we're taken a little bit by surprise*.

Me *anyway House Committee* i pa pou nou, e i pa pou zot. I en keksoz ki pou nou tou. E mon krwar nou devret apros li dan sa direksyon. Nou bezwen annan bann *Terms of Reference* ki tou lede kote i kapab viv avek. *Otherwise it's not going to work*.

E son lobzektif pa pou ganny *attend*. Alor mon swe bomaten, akoz *Leader* Lopozisyon in fer kantmenm serten sizesyon ki mon krwar i valab. E enn bann sizesyon ki in fer e mon konnen

mon napa neserman sipor mon *Caucus* lo la. Me mon krwar ki i en bon sizesyon e ki nou devret revwar, se konpozisyon sa *House Committee*.

Mon konpran swe Lopozisyon pou zot pli byen reprezante lo sa *House Committee*, akoz son lentansyon se ki i pou vin en *Komite of the House*. E sa i pa en keksoz ki nou kapab fer la ozordi akoz sa in fini ganny fer, me *the House Committee itself* i kapab revwar son konpozisyon e refer propozisyon devan Lasanble.

E Lasanble i toutafe ouver pou egzanp in okenn sizesyon ki ava fer sa *Komite* pli balanse dan son konpozisyon ek dan son travay.

Alor Mr Speaker avek sa detrwa mo, mwan mon krwar se ki lespri deryer sa *House Committee* se ki i pa pou travay dan en fason partizan. Me i pou travay pou benefis e byennet Lasanble *as a whole* dan son striktir ek dan *welfare* son bann Manm.

*Including* regard nou mwan akoz mon en Manm mwan osi, gard nou lo en ki viv pou fer sir ki *ethically* nou azir dan lentere nou Lasanble, e pou benefis sa nasyon ki nou ganny elekte pou deservi.

Alor avek sa detrw a mo Mr Speaker, avek sa detrw a parol mon ti ava kontan demann avek Lasanble annou pa ozordi *stumble* lo premye mars peron ki nou pran.

Annou aksepte ki sa *Terms of Reference* manner i ete i meyer keksoz ki nou kapab fer a sa moman. E si fodre i ganny modifiye i ava ganny modifiye an alan. Annou aksepte bann *Terms of Reference* manner i ete la.

E les *House Committee* dan son premye deliberasyon anba ou *Chair* pran *onboard* sa bann keksoz ki'n ganny dir ozordi. E vwar si i annan okenn nesessite pou revwar konpozisyon oubyen son *Terms of Reference going forward*. Mersi Mr Speaker.

### **HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mon ti a kontan zis reasir *Leader Zafer* Gouvernman se ki mon lentansyon sete pa pou montre ki mon'n ganny sirpriz, akoz sa pou mal, akoz nou'n travay lo plizyer pwen.

Be mon'n dir poudir i familje ek mwan, akoz mon'n travay lo la. Me i annan en pwen kontansyon ki pou mwan mon ti'n met devan e ki *set-up* en tansyon, so mon pa oule ki nou ganny sa mal.

Nou pa pou *stumble* la nou. Nou pou *still* ganny en deba. Nou pou *still* ganny en diskisyon e i pou *still* annan en desizyon ki pou ganny pran.

Me i pou annan sakenn antre nou ki pou annan serten (san) - pa santiman me serten persepsyon ki pou bezwen *drive towards* sa persepsyon. E se sa mon krwar ki nou bezwen konpran. Mersi.

### **MR SPEAKER**

Mersi Onorab Pillay. Koman *Chairman House Committee*, les mwan zis dir ki Komite i Komite Manm Lasanble. Alor i bezwen reste li ouver pou okenn sizesyon, okenn propozisyon ki

### **MR SPEAKER**

Mersi Onorab. Onorab William mon krwar ou kapab reste laba menm. Akoz mon krwar nou a pran, Onorab Woodcock in lev lanmen.

### **HON WAVEL WOODCOCK**

Mersi Mr Speaker. Bonzour tou Manm e tou dimoun a lekout. Mr Speaker Komite zafer Etranzer pe demann Lasanble pou aprouv *Terms of Reference* sa Komite ki'n ganny revize pou agrandi manda sa Komite (IAC).

E Komite IAC i en Komite ki vreman aktiv e i en Komite ki ase, ki rankontre regilyerman. Annefe preski tou le semenn

nou pe rankontre, menm parfwa plis ki en fwa dan en semenn.

E anba vye *Terms of Reference IAC*, son manda ti kouver zis *Foreign Affairs*. Nou ti pe travay avek *Foreign Affairs* ek lezot Departman, Lazans Gouvernman e osi bann *non-governmental organization* lo bann zafer enternasyonal.

E ti nou rol pou etabli relasyon ek bann diferan Parlman Enternasyonal, Lanbasad e lezot *stakeholders* dan Zafer Etranzer.

E IAC nou ti annan en rol primordyal kot nou ti *review* e *assess* sa bann lagreman enternasyonal, e bilateral e multilateral parey Onorab William in mansyonnen. Bann Protokol, bann Lagreman, bann Konvansyon, bann *Treaties* avan ki i vin devan Lasanble pou ratifikasyon.

E apre IAC i fer rapor e rekomandasyon avek nou Lasanble Nasyonal. IAC setyenm Lasanble parey mon'n dir, in vreman aktiv. E nou'n travay lo plizyer Protokol, Konvansyon e Lagreman ki enkli zisteman detrwa ki mon ava mansyonnen;

*SADC Protocol Against Corruption, (AfCTA), African Continental Featured Area, Optional Protocol to the*

*Convention of the Right of a Child, a Commission procedures e lezot Konvansyon, Treaties e lagreman ankor.*

E IAC ti osi annan sa rol enportan pou *review e assess bann foreign policies*. Pou annan en *oversight* lo manda e loperasyon *Foreign Affairs*. Pou osi annan *oversight* lo Bidze ki Lasanble i aprouve pou donn *Foreign Affairs*. Nou annan sa *oversight* lo zesyon Bidze *Foreign Affairs*.

E ozordi atraver sa Mosyon nou pe demann Lasanble pou agrandi manda sa Komite, agrandi manda sa Komite zafer Etranzer, pou osi enkli sekter *tourism*.

Pour ki IAC i osi kapab annan *oversight* lo Departman *Tourism* e lo sa Sekter *Tourism* tou bann Departman, Lazans ki tonm anba Sekter *Tourism* e Departman *Tourism*.

E osi pour ki sa Komite i kapab *review e assess* bann Polisi ki annan pou fer avek Gouvernman, e stratezi Gouvernman an relasyon avek sa sekter.

Pour ki nou osi parey nou annan *oversight* lo *Foreign Affairs* dan lepase ki'n osi kapab annan *oversight* lo manda, loperasyon ek Bidze Departman *Tourism*.

E nou to nou konnen nou'n eksperyans sa, sekter *tourism* in ganny tape for avek pandemik *COVID-19*. E *at one point* ti annan en distrik ti'n ater net, ziska ki Gouvernman ti pran desizyon pou re ouver nou lafrontyer, nou *border* le 25 Mars.

E vi ki ozordi Departman *Tourism* ek *Foreign Affairs* i tonm anba menm Minister, i enportan pou IAC *expand* nou manda, pou osi kouver *tourism*.

Pou *assess e review* bann nouvo Polisi sa Minister. *Tourism* i annan i annan sa laspe enternasyonal an term *marketing* e negosyasyon, pou Sesel pers dan bann nouvo marse aletranze.

E i osi annan bann negosyasyon avek bann pei, parey nou'n war resaman negosyasyon avek bann lezot pei, pour ki zot *airline* i vin Sesel. E sa i annan sa laspe etranzer osi avek sa, ki sanmenm sa ki lenportans ki ozordi IAC osi i bezwen annan en rol, pou nou annan sa *oversight* en pti pe pli aprofondir lo sa Minister osi enkli sa laspe *tourism*.

E i osi enportan e primordyal pou relans sa lendistri e atrakte kliyan sorti dan lezot pei. Zisteman marse Lerop, plizyer bann pei dan

marse Lerop ti'n fermen bann pei tradisyonnèl kot nou'n ganny lamazorite nou bann kliyan parey La France Langleter, L'Almanny.

E nou'n war kot bann nouvo marse in ouver pou Sesel. Nou'n war Izrael, nou'n war UAE, bann *expat* ki sorti dan bann diferan pei ki pe travay UAE pe vin Sesel, *La Russie* in ogmant, zot bann kliyan pe vin, plis *Russian* pe vin dan nou pei, Austria osi in ouver.

E i enportan pou nou annan sa relasyon avek sa bann pei bilateral avek plizyer sa bann pei. E nou'n vwar zisteman zefor ki Prezidan e *Minister of Foreign Affairs* in fer pou al dan sa bann pei pou ankouraz bann relasyon enportan sirtou bann relasyon bilateral avek sa bann pei.

E nou annan lespwar ki marse Lerop pou rebran, pou re ouver byento ki kapab ede pou re dinamiz nou lekonomi an menm tan ki lanfaz ki Gouvernman i osi met lanfaz lo bann lezot sektè enportan.

E i enportan ki Lasanble i osi zwe en rol pou ed sa lendistri, sa Lendistri *Tourism*.

E aport en soutyen sipor Gouvernman pou ede relans sa sektè, e anmenn reveni dan nou pei. Nou pa kapab les *COVID* kit nou pei ater, nou

bezwen releve. E zisteman Mr Speaker ozordi zil ki pe ganny plis afekte avek sa pandemi se Praslin, ki depan preski antyerman lo *tourism*.

E nou'n war bann restriksyon ki ti'n ganny enpoze lo Praslin apre ki i ti'n lans a *surge* lo zil kot Me, Zen ti'n ariv 335 ka ki Lasante Piblik ti pran desizyon pou ki bann letablisman touristik, lotel, *guest house*, pa annan drwa pran kliyan sorti Mahe.

E sa in afekte Praslin bokou. E bokou biznes in soufer en kantite e ler ou pa pe *allow* bann letablisman touristik pou pran ban kliyan sorti Mahe, e lezot biznes osi i ganny afekte, taksi restoran, e lezot bann biznes dan sa sektè.

Me nou kontan Mr Speaker ki dernyerman nou'n war poudir dapre dernyen rapor Minister Lasante ki apartir le 12 Zilyet nou'n war ki ka in desann in ariv 89 ka *COVID* lo Praslin. E petet avek sa, en revizyon byento i kapab ganny fer, kot nou kapab re ouver nou zil osi Praslin, kot nou kapab relans nou lekonomi *tourism* lo Praslin sirtou kot i konsèrn *domestic tourism*.

E tousala i bann keksoz parey mon dir i enportan ki nou Komite osi i annan *oversight* lo

lafason, ki sa lendistri pe deroule lo pei.

IAC i annan en rol pou zwe pou osi donn en soutyen tou bann *stakeholders* dan sa sekte. Nou osi annan en rol reprezantatif koman en Lasanble e menm o nivo Komite.

Nou bezwen angaze e ekout tou kous nou popilasyon, annan *sight* lo bann Departman enportan dan *tourism*. E parey mon dir *Foreign Affairs* Mr Speaker. E se pour sa rezon ki mon santi poudir sa lamannman ki devan sa Lasanble ozordi, i pou enn ki enportan, e i pou enn ki mon pou donn mon sipor. Avek sa 2 mo Mr Speaker mon dir ou mersi.

### **MR SPEAKER**

Mersi. Onorab William mon annan 3 Manm ki'n demann laparol. So mon krwar ou pou pli konfortab asize, i kapab pran nou en pe plis letan. Mon a pran Onorab Aglae.

### **HON EGBERT AGLAE**

Mersi Mr Speaker. Bonzour tou Manm Onorab e tou dimoun a lekout. Mr speaker mon osi mon form parti sa Komite *International Affairs*.

Aprè ki mon'n fer en pe resers mwan menm mon, e en

pe refleksyon lo responsabilite en tel Komite dan Parlman, Mr Speaker mon santi ki i annan serten *overlapping* ki mon pe vwar pe arive dan sa *TOR*.

Premyerman Mr Speaker mon konpran konpozisyon nouvo ladministrasyon ki manner pe fonksyonnen avek bann *merger* ki'n arive.

Departman Zafer Enternasyonal in *merge* avek *Tourism* e mon santi ki malgre i pe ganny zere e administre par en sel Minis, mon vwar ki nou'n enkli li dan sa *TOR*.

Aprè ki mon'n fer serten refleksyon nou pou bezwen annan serten distenksyon, refleksyon lo la mon krwar pou nou kapab distenge ki zistans nou pou met lipye kot i konsern sa bout *tourism*.

Akoz ler mon'n get bann diferan Parlman, sirtou atraver *International Parliamentary Union*, rol ki en *International Affairs Committee* i zwe i plizoumwèn relye avek tou bann konponan enternasyonal ki annan.

Par egzanp kot bann desizyon ki Gouvernman i pran pou li kapab angaz li ver okenn trete, ver okenn konvansyon, ver okenn lagreman enternasyonal.

E la sa bout kot lezislater ki form parti en *International*

*Affairs Committee* i war li i kapab zwe son rol, vini, kestyonnen. I kapab anmenn kestyon dan Lasanble osi. Ouswa si i annan bann ki pou fer avek serten lamannman avek Lalwa ki pou neseseite, baze bann derivasyon ki'n sorti avek sa bann konponan enternasyonal.

Sa i pou rol en *Foreign Affairs Committee*. E osi i donn li manda osi pou annan bann miting bann *hearings*, *conduct* bann *enquiries*, bann *inquiries* osi soumet parey Lalwa, rapor ouswa bann *White Paper stage* e report lo la. Ki fer ki i donn li en stati ki i kapab fer.

E osi i kapab angaz nou lokal lo *citizen* ouswa domenn bann *NGOs* tel ki koman parey si Sesel pe al form parti tel Konvansyon, ki pou annan lefe apre ki nou'n form parti lo domestikasyon lo lavi dimoun.

*Foreign Affairs Committee*, *International Affairs Committee* i kapab angaz li ladan. E parkont mon vwar poudir i annan bann pwen. I annan 5 pwen dan sa *TOR* ki mon war, *ok* i annan pwen ki mon toutafe man dakor avek.

Pwen limero 5 mon komans avek; *maintain and establish ties* avek bann lorganizasyon, aköz nou deza ti pe fer li, nou annan relasyon

enternasyonal ki nou deza koman Parlman nou ladan. E Sesel osi i form par, parey nou lorganizasyon *SADC* lo nivo Lafrik, nou annan lo nivo *IPU*, nou annan lo nivo *COMESA*, diferan, diferan, nou ladan.

Sa mon napa problem ek sa. Lo pwen limero 4 lagreman bann Protokol, parey nou koze bann Konvansyon trete. Napa problem nou sipoze pe fer sa kalite travay i anliny.

Pwen limero 3 kot nou sipoze pe *conduct* bann *oversight*, la nou annan en problem la lo Bidze Departman *Foreign Affairs* e Departman *Tourism*.

Se sa ki mon pe dir, eski sa bout *tourism* nou bezwen al fer li antre ladan? Eski nou rol *International Affairs Committee*, pou al get Bidze Minister Touris? Sa rol get Bidze i *for the whole House* sa, i annan son letan. *Unless* nou dan en Lasanble nou ti annan en *Budget Committee* ki nou ti'n kree la i ti ava asize i ti ava get Bidze sa bann departman.

Me mon pa pou tro war li tro ou rol pou nou al fer sa kalite travay, *unless* i annan en lot azanda par deryer sa. Lo kote *assess and report* pwen limero 2, loperasyon ankor *Foregn Affairs*.

Me selman i bezwen baze lo *Foreign Policy* pa *Domestic Policy* ki Gouvernman akòz nou, nou pa form parti direkteman dan L'Egzekitiv nou. I bezwen tousala annan sa konponan *Foreign Policy* ki nou, nou gete ok?

E pwen limero 1 ankor *review Foreign and Tourism Policy*. Parey mon pe dir i bezwen baze lo *Foreign Policy*. So mon krwar i annan en.

Petet *Maitre* Georges Onorab *Maitre* Georges i kapab donn nou gidans. Si nou pa pe antre en pti gin baze en pti pe, ouswa poz en serten dout konstitisyonnalite ki nou manda i kapab donn nou, pou nou kapab get en pe. Avan ki nou donn en laprouvasyon koman en Lasanble lo sa *Terms of Reference* ki la devan nou.

Mon'n dir mon form parti sa Komite, nou ti fer serten diskisyon lo la apre ki mon'n al fer serten konsiltasyon, fer serten resers. Mon vwar poudir i annan en pti pe *overlapping* ki kapab met nou an danze a lavenir kot i konsern sa *TOR*.

So Mr Speaker mwan mon met mon pwen devan *the House*, lot kote i annan mazorite, si nou bezwen revwar serten keksoz annou revwar, pou fer keksoz byen. Nou pa pe

get politik partizan la, annou fer keksoz byen. Mersi.

### **MR SPEAKER**

Mersi. Mon pou propoze, mon pou demann gidans bann *Leaders* Lasanble e osi *Chairman IAC*.

Vi ki i annan deba ki'n leve par en manm sa Komite, kot in lev son konsern avek bann *Terms of Reference*, eski sa *Terms of Reference* pa devret retourn kot Komite pou zot revize, oubyen eski zot oule nou prosede e nou rezourd? *Chairman* ou kapab adres sa. Wi.

### **HON WAVEN WILLIAM**

Mersi Mr Speaker. Mr Speaker lo entervansyon Onorab Aglae ki Manm Komite Zafer Etranzer e lo kestasyon ki ou'n demande Mr Speaker senserman mon pa krwar poudir nou devret aret proses pou aprouv sa *TOR*, par lefe, mon a donn ou mon rezondet akòz.

Enn se ki sa *Terms of Reference* in ganny sirkile kot tou bann Manm e tou bann Manm ti partisip dan diskisyon lo sa *TOR*.

Tou bann Manm ti ganny sans, menm letan nou ti fer sa lamannman, in ganny *submit* atraver nou sekreter. In re anvoy kot tou bann Manm

Lasanble, *well* kot bann Manm Komite Zafer Etranzer, pou regarde si zot napa okenn sizesyon, propozisyon pou kapab met devan.

E Sekreter Komite Zafer Lasanble ki Depite Clerk, yer mwan mon ti fer serten lamannman tipografi ki mon ti soumet e mon'n demann li si in ganny okenn kontribisyon sorti lo, kot okenn bann Manm IAC? E i ti dir mwan poudir non.

E Mr speaker pou ou lenformasyon Sekreter Komite Zafer Etranzer tou letan i anvoy bann soumisyon travay ki nou'n fer kot tou bann Manm e ekspekte ki i ganny serten *feedback*. E mon pou dir ou i malere, i malere ki napa *feedback* ki vini sorti kot bann Manm e nou pran sa konmkwa ki tou zafer i *ok*.

So mwan mon vwar ne mannev Mr Speaker deliberaman par serten Manm ki ti annan sans. Akoz nou annan en group lo *WhatsApp*. Si i ti'n fer resers i ti kapab soumet sa dan group e nou ti ava regarde si nou ti annan sa nesesite pou nou *pull back the Motion* nou ti pou fer li.

Akoz nou anvi ganny konsansis tou bann Manm ki lo sa Komite. Me Mr Speaker mon get Mosyon ki'n pase presedan la lo *Terms of Reference of The*

*House Committee*. Mon'n vwar lapros e mon pa ekspekte lo sa enn lapros pou sanze. Me selman parey mon dir se ki mon pa santi poudir i annan sa nesesite.

Me i en size ki pli tar nou kapab kontinyen diskisyon. Akoz Mr Speaker en *Terms of Reference* i pa zanmen statik, nou *Standing Order* i pa zanmen statik e Konstitisyon pei osi i en dokiman ki vivan e i osi i pa statik.

So koman en Lasanble serye mon krwar nou devret pran li koman en louvraz e kontinyen. Mersi Mr Speaker.

### **MR SPEAKER**

Mersi. Mon annan lezot Manm ki'n lev lanmen avan sa. Mon ne pe dan en dilenm si nou pou prolong sa deba, oubyen si nou kapab termin avek en vot. Onorab Georges ou pwennvi.

### **HON BERNARD GEORGES**

Wi Mr Speaker mersi. Mon ti pe al propoze ki si i annan okenn Manm lo Lopozisyon ki anvi koze, la mon krwar zot devret ganny permisyon, ganny laparol. Me si i zis lo nou kote mon dakor avek *Chair IAC* ki nou pe prolonz en deba ki nou konnen ki zon rezilta.

Alor mwan mon ti a kontan *move to for closure of*

*debate*, e ki nou pas a en vot direkteman lo sa e nou adopte sa rezolisyon, akòz nou'n fini vwar ki Lopozisyon pe fer depi bomaten. E nou pa pou tonm dan zot mannev. Mersi.

**(APPLAUSE)**

**MR SPEAKER**

Mersi. Me ou'n propoze ki si i annan Manm Lopozisyon ki oule adrese i kapab adrese. So si Onorab *Leader* Lopozisyon i kapab anmenn nou dan menm direksyon, sa ti ava apresyab. Mon ava donn laparol Onorab Cosgrow avan. Onorab Cosgrow nou a sey *move* en pe vit silvouple?

**HON WALLACE COSGROW**

Mersi Mr Speaker. Bonzour tou dimoun. Bonzour tou Manm Lasanble. Mr Speaker mon ava sey bouz en pe vit an vi ki i paret mwan ki lot kote latab in fini fer zot nide lo la.

Parkont Mr Speaker mon pran laparol ozordi bomaten koman en Manm *IAC* mwan osi. E koman en dimoun ki'n partisip dan diskisyon, mon ti a kontan fer resorti, fer byen kler ki poudir napa okenn *attempt* lo kote Lopozisyon, pou zis *shoot down* sa ki devan nou ozordi pou okenn rezon pa valab.

Mr Speaker ler nou ri asize nou ti diskit sa *Terms Of Reference*, e parey mon'n dir mon osi mon ti form par ladan. Dan mon pwennvi mon ti pe get li avek en loptik kot Lasanble i fer louvraz *oversight* e Komite Lasanble i fer louvraz *oversight* ki parey zot in toultan fer dan lepase menm dan sizyenm Lasanble oparavan.

E ler mon konpar sa *Terms Of Reference* nouvo ki pe ganny propoze avek sa enn avan, e mwan osi mon asize mon'n get li en pti pe dan loptik parey Onorab Aglae in dir.

E nou'n annan serten diskisyon antre nou *within the Caucus*, napa naryen pou kasyet, nou'n annan serten diskisyon ki nou fer.

E pou mwan mon santi ki poudir louvraz sa Komite Lasanble i bezwen reste enn ki *oversight* e langaz ki nou met dan nou *Terms Of Reference*, i bezwen reflekte sa louvraz ki nou fer. E mon a donn ou enn de legzanp Mr Speaker mon pou al lo 1.2 petet .3 *of the amended Terms Of Reference*.

Ler nou pe koz lo *review and assess, review and assess Foreign and Tourism Policies*. Now, Polisi, fer Polisi revwar Polisi, *assess* Polisi i reste prerogative L'Egzekitiv. Prezidan son bann Minister,

son bann Departman ki fer Polisi. Nou, nou louvraz isi se *oversight* lo delivre sa bann Polisi.

Alors ler mon'n asize mon'n reflexir e Mr Speaker mon kapab dir ou personnelman, ki napa okenn *attempt* pour zis pa vot pou sa *ok*. Ler mon'n asize, mon'n *assess*, mon'n gete, mon war ki petet nou pe *step* en pti pe lo lipye louvraz L'Egzekitiv.

E mon pa santi mwan konfortab, mwan mon pare pour ki si sa *Terms of Reference* ti kapab troun dan staz diskisyon ankor dan Komite kot mon kapab fer sorti en pe plis bann pwen.

Me selman mon pa krwar ki nou devret pe revwar, nou devret pe *assess* Polisi Gouvernman ki apre demen nou, nou bezwen fer *oversight* lo ki mannyer zot delivre. So mon war i annan en pti pe *stepping on toes* la.

Lo kote dezyenm osi i annan sa zafer *assess* manda, manda i manda Gouvernman. Nou, nou la pou fer *oversight*, so *assess* manda i pa vreman rol Komite Zafer Etranzer.

Mwan mon santi lo koumsa koman en manm Komite menm si mon'n donn lanmen travay lo la, napa

naryen mal pou anpes ou reflexir, pou anpes ou revwar.

E petet revwar ou nide, revwar ou fason panse lo en keksoz, i normal sa i totalman normal e si nou anvi fer keksoz ki byen, en keksoz ki byen pou nou Komite pou Lasanble mon krwar nou bezwen kapab annan en lespri ouver.

E Mr Speaker i annan sa *issue of oversight* lo Bidze Departman *of Foreign Affairs* i *ok*, *oversight* i ganny fer ler Bidze i vin devan Lasanble *the whole House* i fer *oversight* lo Bidze. E nou donn laprouvasyon ouswa nou pa donn laprouvasyon baze lo diskisyon ki annan.

So en pti pe dan sa laliny Mr Speaker mon krwar ki sa propozisyon i ou'n fer Mr Speaker ki nou troun a nivo Komite e nou re diskite en pti pe langaz mo ki ganny servi. Petet dan sa bann laliny *Terms of Reference* mon krwar ti ava en bon nide e mwan mon osi mon pouse pou sa.

Mr Speaker so avek sa 2 mo koman en Manm IAC mon demande ki Lasanble i konsider sa, e ki nou kapab refer en serten travay lo la, e nou troun avek o pli vot posib ki nou kapab. Mersi bokou Mr Speaker.

**MR SPEAKER**

Mersi Onorab Cosgrow. Selman mon pou fer sa zis avek konsantman Chairman sa Komite akoz in donn loportinite tou manm pou komante e pou fer zot demars. So mon pa krwar nou devret *bypass* son prosedir. Onorab Pillay eski nou kapab terminen silvouple?

**HON SEBASTIEN PILLAY**

Mersi Mr Speaker. E mon ti a kontan *from* komansman mon lentervansyon zis fer kler. Si bomaten nou kapab divors nou panse politik *from* nou panse Parلمانter i ti pou ed nou dan sa ki nou pe gete.

E rezon pou sa i senp, ler nou get konstitisyon Lartik 76, e mon war i drol Onorab Georges ou pa'n dir naryen lo la. Ler nou ti pe *set out Terms of Reference for Bills Committee back then* nou ti *reach* en pwen kontansyon. Sete lekel ant nou, la mo pa pe koz parti la mon pe koz Lasanble.

Depi Egzekitiv ki annan drwa egzekite formil Polisi? E pou a rapel tre byen ki nou ti bezwen fer.

**MR SPEAKER**

Onorab Pillay, eski ou pa pe al an deor sa *Terms of Reference* la?

**HON SEBASTIEN PILLAY**

Non, non, non. I al an relasyon ek sa *Terms of Reference* Mr Speaker akoz si ou regard premye pwen lo sa *Terms of Reference*...

**MR SPEAKER**

*Ok, get to the point.*

**HON SEBASTIEN PILLAY**

Premye pwen lo sa *Terms of Reference* i "*review and assess Foreign and Tourism Policies and strategy of the Republic of Seychelles.*" Mwan mon santi poudir sa i pa rol Lasanble. I pa an akor avek Lartik 66 Konstitisyon.

Nou *practice* en doktrin *separation of powers*. Sa ki nou pe sey fer atraver nou *International Affairs Committee was never the intent* ki nou *Standing Orders* ti *set out* pou nou *International Affairs Committee*.

Mon konpran le 3, le 2 dernyen morso, *review and assess the national agreements and protocol* ki fer sans;- "*maintain and establish ties with foreign parliamentary*" sa i fer sans. E me selman mon pa konpran par egzanp dezyenm pwen, "*access and report on the mandate and operation of the department of Foreign Affairs.*"

Lefe ki koman Lasanble ou pou *assess and report under mandate of operation*, be ou ki pe fer legzekisyon *at the same time fer oversight* lo legzekisyon, kote *oversight* i komanse, kote egzeksyon i fini?

Mon krwar ki ou propozisyon ti en propozisyon *sound*, ki i ti a kapab annan lezot fason pou *word* sa ki lentansyon ki *IAC* pe rode, ki si sa *Terms of Reference* i retournen.

Me ozordi i en tes, i en tes pou mazorite dan Lasanble Nasyonal pou zot montre si zot annan en grander lespri. E zot anvi vreman travay parey zot ti pe demande dan annan en serten linite dan lafason ki nou travay, pou pran en lapros kot sa *Terms of Reference*, i a kapab retourn dan sa Komite.

E zot ava kapab konsider bann keksoz ki bann pwen pertinan, an relasyon avek zot rol ki zot annan koman *IAC*. E si mon anmenn sa pwen kot mon'n tann sa largiman lo *Tourism Policy*.

Si mon'n ekout *Vice-Chairman IAC*, pou mwan *basically* nou pe ganny nou en dezyenm Minister Tourizm. E mon konsern prezan i se ki *IAC* ki pou vin dan Lasanble pou donn mwan en rapor lo Polisi Minister Tourizm, *IAC* i en

mazorite bann Manm Gouvernman, Gouvernman e L'Egzekitiv in menm mazorite dan Lasanble.

So savedir ler *IAC* in tonm dakor avek en keksoz, Lasanble pou bezwen tonm dakor avek. Sa ki vin en problem. So Gouvernman i ganny en ekstansyon dan Lasanble Nasyonal. E zot pa pe vwar li akoz zot krwar poudir mwan mon pe zis dir sa. Mwan mon pe sey protez lendepandans Lasanble Nasyonal. Se sa ki mon pe sey fer.

So mwan mon krwar propozisyon ki ou'n fer ti en bon propozisyon. Ou ti'n dir poudir ou'n war bann Manm in eksprim zot konsern lo nou kote latab, san lensilt, san latak. Me lensilt ek latak in sorti lo lot kote par fer alizyon ki i annan move lentansyon parmi bann Manm. Be napa.

Nou Parlmanter nou pe fer en deba koman Parlmanter i pa sipoze vin en deba politik. I en deba lo proses ki nou bezwen swiv a relasyon ek Lalwa ki devan nou, ki enkli nou Konstitisyon, ti napa naryen mal avek sa.

Me si nou anvi *proceed* avek sa vot, mwan mon santi poudir san ki mon pe lir dan konstitisyon lartik 66 pou vwar ki ganny *vested in the*

*Executive, legislative power* ki nou annan. E nou rol e 3 rol ki nou annan reprezantasyon, Lezislasyon, e *oversight* i pa enkli egzekisyon.

E mon santi poudir dan sa konteks si nou al dan sa direksyon, nou pa en demokrasi Parlmanter parey Langleter;- nou pa en demokrasi Parlmanter parey Moris, kot son Minis i osi en Manm Lasanble. Nou pe al dan en move direksyon pou Lasanble Nasyonal.

Nou pe fer en derapaz *from* sa doktrin ki nou'n etabli. E mon krwar ki si nou serye e nou anvi vremen *improve Terms of Reference IAC*, nou anvi ki *IAC* i vin en Komite ki vin parti prenon sa ki pe pase, e pour li kapab egzers son refleks son *muscle* koman en *oversight* mekanizm.

Annou pa fer li antre ansanm avek L'Egzekitiv pou li travay lo Polisi. *That is not it's role*. Mersi Mr Speaker.

### **MR SPEAKER**

Mersi. I annan 2 Manm ankor ki'n demann mwan pou koze, Onorab Henrie e Onorab Georges. Mon demann en pe gidans la? Eski mon kapab *suspend* sa deba e rebran sa size a en lot moman? Akoz mon ti a kontan prosede ek nou lezot

biznes lo Lasanble. Onorab Georges eski ou annan en lopinyon lo la?

### **HON BERNARD GEORGES**

Mr Speaker wi, deba i kapab ganny sispann. Me se en Manm ki ava fer sa Mosyon, e en Manm ki annan *floor*. E alor si ou'n eksprim ou lentansyon si ou donn en Manm *floor* sa Manm i a kapab fer sa Mosyon. Mersi.

### **MR SPEAKER**

Mersi. Mon ti a kontan ki nou pran sa Mosyon, e nou a kapab sispann sa deba posibleman pou pli tar dan lazournen. Bon, wi.

### **HON BERNARD GEORGES**

Fodre ou donn laparol en Manm Mr Speaker.

### **MR SPEAKER**

Mon a donn laparol en Manm. Lekel Manm ki ti a kontan adres sa? Onorab Georges wi.

### **HON BERNARD GEORGES**

Wi mersi Mr Speaker. I pa, mon konbran ou, mon ti a kontan, mon krwar i annan Manm ki ti anvi fer serten lentervansyon, e mwan mon anvi fer enn. Me nou'n tann sa ki ou annan pou dir e nou konnen ki *Designated Minister* pe espere depi 9er

bomaten e ki nou ti krwar ki sa deba pa ti pou al sa longer.

Alor anba *Order 23* nou *Standing Orders*, mon propoze ki nou *suspend*, nou *adjourn debate* lo sa Mosyon ki devan nou *to a subsequent date or time*. Mersi.

**MR SPEAKER**

Mersi. Eski sa i bezwen ganny segonde? Onorab Esparon.

**HON REGINA ESPARON**

Mr Speaker Mosyon in ganny segonde.

**MR SPEAKER**

**THE DESIGNATED MINISTER**  
**MR JEAN-FRANCOIS**  
**FERRARI**

Mersi Mr Speaker. Bonzour tou bann Manm, tou dimoun ki a lekout. Bonzour Mr Speaker. Mr Speaker, ozordi i fer mwan en gran plezir koman Minis Dezinyen pou mwan prezant avek Lasanble sa Prozedlwa lo *Statutes Law Revision (Miscellaneous Amendments) Bill, 2021*.

Sa Prozedlwa i parmi en seri lamannman Lezislatif ki pou ganny fer anba proze revizyon Lalwa Gouvernman Sesel. Mr Speaker, avan mon komans mon lentervansyon permet mwan koz lo sa proze pou revwar bann Lalwa Sesel.

En proze ki ti komanse Zanvye 2021 e ki espekte terminen Desanm 2022. Sa proze i konpri 3 aktivite prensipal.

- 1) Konsolid bann Lalwa Sesel,
- 2) Revizyon bann Lalwa Sesel e
- 3) Reform bann Lalwa Sesel.

Gouvernman i rekonnet lenportans pou fer sir ki bann dokiman legal e Lalwa Sesel i kler, e ki zot aksesib pou tou dimoun. Aksesibilite e la transparans nou bann Lalwa

Sesel i enn bann prensip enportan nou la demokrasi e *rule of law*.

Depi 2010 i annan Lalwa ki'n ganny amande e re amande. Me sa bann lamannman pa'n zanmen ganny konsolide. Sa i fer li difisil pou enterpret e lir sa bann Lalwa ki ganny trouve dan liv *Revised edition of the Laws of Seychelles*.

Alors sa travay ki pe ganny fer i enportan pou asire ki tou lamannman ki ganny fer dan okenn morso Lezislasyon, i ganny met ansanm dan en fason kler e pibliye dan en fason ki reprezant sa Lalwa dan son form aktyel.

*Attorney Zeneral* i annan lentansyon reviz tou Lalwa Sesel, dan en zefor pou fer sa bann dokiman legal vin pli konpreansiv, konsistan e kler.

Sa bann revizyon i annan pou lobzektif prensipal swivan: enn, pou fer bann sanzman dan lekritir par egzanp pou koriz bann fot ki'n kapab arive ler ti pe tipe e ler pe fer referans ek en Lalwa, ant en Lalwa avek en lot.

Osi pou met azour kalite langaz ki pe servi osi byen ki bann tit pozisyon ki en dimoun i annan e tit son lofis ki ganny servi dan sa morso Lezislasyon.

E osi pou fer en sanzman dan Lalwa, kot i konsern sanzman dan bann penalti monneter osi byen ki bann lezot lamannman ki neserer.

Mr Speaker, sa ki pli enportan dan sa legzersis reform Lalwa, se ki i ranpli sa bezwen pou adres okenn mankman ki egziste dan bann Lalwa an se moman. Sa i ava ed nou kontinyen promouvwar plis egalite dan lasosyete, e adapte Lalwa an relasyon avek nouvo bezwen nou pei e nou bann dimoun ki zot annan dan sa lepok modern.

Mr Speaker e Manm Onorab, parey zot kapab konstate anba *Statutes Law Revision Act, Cap 231*, Komisyoner Revizyon Lalwa i annan bokou pouvwar pou li revwar e fer koreksyon dan Lalwa Sesel.

Par egzanp Komisyoner Revision Lalwa i kapab senplifye, oubyen fer bann fraz pli kourt dan nenport Lalwa ki vin anfers. I osi annan pouvwar pou fer nenport lamannman e omisyon formel dan sa bann Lalwa.

Menm si sa Komisyoner i annan pouvwar pou fer tou sa bann sanzman, san ki Parlman i bezwen revwar son travay, *Attorney Zeneral* in pran sa desizyon enportan pou konsey

Gouvernman, ki tou sanzman ki ganny fer dan Lalwa Sesel i ava ganny soumet devan Lasanble Nasyonal pou son konsiderasyon.

Mon krwar sa i en pwen enportan aköz i met Lasanble Nasyonal o sant bann desizyon final lo sa bann lamannman e sa bann sanzman.

Enn fwa ki sa proze i konplete, Gouvernman pou anmenn en Prozedlwa pou etabli en Komisyon Lalwa Sesel. Sa Komisyon pou responsab fer reform dan Lalwa, reviz bann Lalwa Sesel e aboli *Statute Law Revision Act, Cap 231*.

Ladministrasyon Lalwa Sesel i ekspekte alors vin pli efikas lo kote depans e son laspe operasyonnel. Letan sa de fonksyon reform e revizyon Lalwa i zwenn ansanm. An plis ki sa, Gouvernman i espekte devlop en *sit web* kot tou bann Lalwa ki ganny konsolide e met azour, pou ganny pibliye e piblik pou kapab ganny akse avek sa bann Lalwa gratwitman dan sa prensip latransparans e tretman egal pou tou dimoun.

Dan premye faz revizyon Lalwa, 11 Lalwa in ganny revwar e i annan propozisyon pou fer lamannman dan 6 sa 11 Lalwa. Mon pou aprezan pas lo

sa bann lamannman ki pe ganny propoze dan sa 6 Lalwa.

Enn, anba *Statue Law Revision Act, Cap 231*, propozisyon se ki en Komite ki pou donn konsey lo revizyon Lalwa. *Law Revision Advisory Committee*, nou pou apel li, i ganny formelman etabli anba Lalwa, pou reviz pli ki 400 Lezislasyon e plis ki 1700 Lenstriman Legal ki nou konn zot isi koman bann *S.I.*

Sa Komite pou enkli Attorney Zeneral koman son Chairman. Prezidan Lakour Dapel, Sef Ziz, bann Avoka Senior e Komisyoner Revizyon Lalwa. Sa komite pou atraver Attorney Zeneral e Komisyon Revizyon Lalwa, propoz okenn lamannman dan Lalwa avek Konsey Minis pou son konsiderasyon.

An plis ki sa, sa Prozedlwa pe propoze pou aboli sa legzisans ki *Revised edition of the Laws of Seychelles*, (edisyon revize lo Lalwa Sesel) i devret disponib dan en versyon elektronik, ki ou kapab lir selman. Sa i pou asire ki tou Lalwa i aksesib e tou dimoun a okenn moman i ganny akse gratwitman avek tou Lalwa.

De, anba Lalwa lenterpretasyon ek provizyon zeneral, *IGP* parey nou konnen, *Cap 103*, i annan propozisyon

pou aboli serten definisyon e ranplas zot avek bann nouvo. Par egzanp sa Prozedlwa pe entrodwi nouvo definisyon pou Oditer Zeneral, Labank Santral, Mazistra e Vis Prezidan.

An plis ki sa, sa Prozedlwa i espekte entrodwi en legzisans ki Lasanble Nasyonal i pas en rezolisyon pou anil okenn lenstriman legal, *S.I.* ek ki sa Lenstriman Legal devret ganny anile par publikasyon en lord dan Gazet Ofisyel pou enform publik ki sa Lalwa nepli an fors. Sa Lord dan Gazet Ofisyel ava osi ganny rikorde dan bann regilasyon ki swiv.

Trwazyenm proze Mr Speaker, nou pe osi proze ki sa Dekre ki etabli konbyen Minis i devret annan dan en Konsey Minis, *Minister Number Decree Cap 131* i ganny aboli.

Sa i aköz sa Dekre pa konsistan avek Konstitisyon. Kot Lartik 69(1) dan Konstitisyon i dir ki i pa devret annan plis ki 14 Minis. Me parkont sa Dekre i dir ki i pa devret annan plis ki 15 Minis.

Katriyenm lamannman se lamannman dan *Officials Oath Act, Cap 153* ki pe osi ganny propoze. Lobzektif sa enn lamannman anba sa Prozedlwa se pou etabli, se pou aboli *Oath of Allegiance and Presidential Oath 1976* e ranplas zot pa *Oath*

*of Allegiance and Presidential Oath* anba *Schedule 6* nou Konstitisyon.

An plis ki sa, sa Prozedlwa pe fer provizyon pou enkli *Vice-Presidential Oath* ki osi ganny trouve anba *Schedule 6* nou Konstitisyon. Provizyon i osi ganny fer dan sa Prozedlwa pou ogmant penalti monneter pou bann ki pa respekte *Oath of Secrecy*.

Senkyenman, anba Lalwa *Public Persons Declaration of Assets, Liabilities and Business Interest Act, 2016*, sa i Lalwa ki egzize ki bann o zofisye dan Sekter Piblik i deklar zot bann byen e lenter dan biznes.

Lamannman pe ganny propaze pou entrodwir penalti kont sa bann O Zofisye ki pa soumet zot deklarasyon oubyen dan sa dele letan spesifik ki'n ganny etabli anba sa Lalwa.

E finalman Mr Speaker, lamannman pe osi ganny propoze pou ogmant penalti monneter anba Lalwa ki gouvren bann parti politik. *Political Parties Registration and Regulation Act, Cap 173* ki pou ganny alors amande.

Mr Speaker, an se moman Komite ki pe donn konsey lo revizyon Lalwa. *Law Revision Advisory Committee* pe an se moman revwar Lalwa Kriminel,

Lalwa ki relevan avek Ladministrasyon Lazistis, Lalwa La Defans, Sekirite e Lord Piblik.

Mon ganny enformen ki sa dimoun ki pe ansarz sa proze revizyon Lalwa Sesel, Mr Stephan Knights, ki akote mwan la, in komans konsilte bann Manm Lasanble Nasyonal lo propozisyon Lezislatif, pou amann Lalwa Prizon, Kod Penal, Kod lo Prose Dir Kriminel e plizyer lezot Lalwa.

Mr Speaker, mon swete ki nou tou ki la nou rekonnent lenportans sa proze. Mon pli gran swe e swe Gouvernman, se ki Lasanble Nasyonal i donn son sipor sa proze atraver zot partisipasyon dan bann konsiltasyon piblik, e demann bann kestyon pertinan e difisil pou asire ki nou ganny bann Lalwa onivo e de kalite ki pou ede amelyor lavi nou pep isi Sesel. Mon remerci ou Mr Speaker.

### **MR SPEAKER**

Mersi Minis. E nou aprezan pran deba lo sa *Bill* e bann Manm ki anvi entervenir silvouple i kapab lev lanmen. Onorab Andre ou kapab komanse.

### **HON CLIFFORD ANDRE**

Mersi Mr Speaker. Mr Speaker, Minis in donn nou en apersi lo bann lamannman ki sa *Statutes Law Revision (Miscellaneous Amendments) Bill* pe anmennen. E sa bann lamannman i nesese.

I nesese akoz parey in ganny dir oubyen parey ki nou bann Avoka, souvandfwa nou fer bann largiman, nou dir ki poudir sa Lalwa i pa azour, i arkaik e sa i en bon komansman.

Mr Speaker, me mon annan en konsern. Mon konsern letan mon pas dan sa Lalwa, mon santi ki dan en letan kot nou a pe demann Pep Seselwa pou ankor enn fwa fer en sakrifis an term nou pe anbank lo en program *IMF*, mon vwar ki dan sa Lalwa ki la i dir dan 3(a) *subclause 6*, i dir *“there shall be paid to the members of the Committee and the persons appointed under subsection (3) such honorarium or allowances as may be determined by the Minister responsible for finance and in consultation with the Attorney General.”*

Ki par kont *Attorney Zeneral* i pou *Chairman* dapre leksplikasyon e dapre Lalwa ki mannyer i gannyen.

Mwan mon ti ava demande ki letan nou pe dir

bann *Boards* pou bezwen vin fer en travay ki en pti pe dan laliny volonter, annou demann pour lemoman avek kriz ki nou pe pas atraver e sakrifis ki nou pe demann dimoun pou fer, mon ti ava demann Minis si i ti a kapab annan konsiderasyon ki sa bann Manm i fer sa travay lo en baz volonter ?

Mon konnen parey in dir pou annan bann Avoka ki lo la. Me selman i annan bokou Avoka ki son pasyon se fer kontribisyon ver en lamannman oubyen en Lalwa, ki i santi pou ed li demen letan i pe fer son louvraz kot i pou ganny peye.

Alors, sa enn, sa bout la Mr Speaker, mon ti a demann Minis pou nou si i annan posibilite pou nou revwar sa konsiderasyon ki pe ganny fer. Akoz nou koman bann Manm Lasanble nou souvandfwa pa kapab met en *charge* lo Gouvernman, be nou vwar sa Lalwa ki la, dan sa klima pe met serten *additionnal responsabilite* lo Lotorite.

Mr Speaker, mon lot pwen se mon konnen dan Komite nou pou pas lo la. I annan serten definisyon ki'n ganny mete ki mwan mon vwar i aparet dan *Children's Act* e i aparet dan *Civil Code*. Me selman non pe *define*, par egzantp nou pe

*define minor.* Nou pe pran definisyon ki dan *Civil Code*. Me selman nou annan en definisyon ankor ki dan *Children's Act*.

So, kekfwa menm si nou pe sey aranz li, me nou osi devret vwar si letan nou pe aranze nou pa devret aranz en sel, *at least* lo en laspe ki konsern en definisyon ki en manrmay anba 18an, me i annan 2 laspe definisyon.

So, mon ti a kontan ganny sa leksplikasyon aköz mon'n sey pas lo la, re pas lo la, re pas lo la. Mon'n get sa 2 definisyon e i annan le 2 definisyon.

Mon ti a kontan kekfwa nou swazir enn oubyen nou amann en lot definisyon ki a fer li annan en *uniform* definisyon *with regards to a minor, or* en manrmay ki anba 18an.

Mr Speaker, mon antyerman dakor ki nou bezwen amann nou Lalwa. Me letan nou pe get osi *IGPA* son amannman ki i pe donn nou, se i pe met en lot lobligasyon ankor lo Lasanble, pou fer en travay ki letan nou pe *annul* en *S.I.*, i pe demann nou pou nou bibliy sa *annulment* dan *Gazette*. E sa i pe ganny mete dan Lalwa.

So, aköz letan nou'n ganny konsiltasyon se ki biro *Attorney Zeneral* pa konnen

oubyen i pa lo liv letan en *S.I.* in sorti.

Ki apart ki Lasanble in *annul* sa *S.I.*, i pa ganny bibliye ki sa *SI* in ganny *annul*. Alors parfwa son lefe i kontinyen. Alors mon ti a kontan ki Minis dan son repons i sey dir nou aköz *as it is today*, nou zis fer sa *annulment*, me nou pa *involve* dan publikasyon. Eski sa prezan pe vin enn nou responsabilite aköz nou pou bezwen *follow-up* pou nou fer sir ki i annan en publikasyon.

Avek sa detrwa mon Mr Speaker, mon ti a esper Minis pou donn mwan sa bann repons, apre definitivman mon an faver ki nou amann Lalwa, nou fer li vin azour. Me selman mon ti a kontan ganny sa detrwa klarifikasyon. Mersi.

### **MR SPEAKER**

Mersi Onorab Andre. Onorab Georges.

### **HON BERNARD GEORGES**

Mersi Mr Speaker. Mr Speaker, mon osi mon pa pou long. Mon ti a kontan swet Minis Dezinyen avek Mr Knights la byenveni dan nou Lasanble. Mon krwar Minis Dezinyen, Minis Ferrari in eksplik tre byen rezon deryer sa *Bill* ki devan nou ozordi. E parey nou kapab konpran, sa se premye parmi en seri sa bann

kalite *Bills* ki pou vin devan nou Lasanble o fir e anmezir ki sa travay *tidying up*, sa travay netwayaz ki biro *Attorney Zeneral* an zeneral e Mr Knights an partikilye pe fer dan revizyon nou bann Lalwa.

Mr Speaker, i ti plis ki tan e nou bann dimoun ki'n ganny apele pou egzers sa profesyon, lontan nou'n realize ki i annan bokou defayans dan lafason ki nou kapab *access* nou Lalwa.

E dan lafason ki nou kapab *access* menm bann Lalwa ki nou kapab *access* dan son dernyen versyon. E akoz parey nou tou nou konnen Lalwa i pa statik, i dinamik. E tanzantan i annan lamannman ki arive e fodre ki ou azour a tou moman,

E mon ti a kontan felisit *Attorney Zeneral*, e remersi li avek son lekip pou bann linisyativ ki i pe pran *including* sa enn. Me osi linisyativ pibliy *Official Gazette electronically*, akoz la nou kapab *access* sa dokiman enportan in *real time*. Olye bezwen esper gannyen annan de fwa plizyer zour pli tar.

Mr Speaker, *free access to law* in toultan en pilye, enn mon bann pilye personnel. e mon kontan vwar ki ozordi nou pe al dan sa direksyon avek en pli gran lavites ki dan lefase.

Nou ava rapel ki *SeyLII* lo ki bor mon annan loner pou servi plizyer lannen pase, apepre en 10an la deza, ti ganny fer pou egzakteman sa. Pou fer ki tou dimoun kot zot été, kapab *access* nou Lalwa dan en fason vit, dan en fason elektronik e otan ki posib *up-to-date*.

Me tousala i pran en gran zefor e i bezwen kapasite mendev e i bezwen larzan. E se pa toultan ki nou'n annan sa 2 keksoz. Annan defwa nou'n annan enn, annan defwa nou annan lot, annan defwa nou napa ditou. Annan defwa nou annan tou lede. E i byen ki osito ki nou kapab fer e otan ki nou kapab met lanmen ansanm, nou devret pou byennet nou nasyon, pa selman profesyon Lalwa me byennet nou nasyon e pou lentere bann dimoun ki deor, kapab *access* en Lalwa ki *up-to-date*.

Resaman i annan en dimoun ki'n ekrir mwan, akoz i ti annan en problem lo Lalwa *tax* e i ti'n demann mwan en lopinyon. Akoz ti'n annan telman lamannman lo sa proze ki i ti pe regarde, ki li menm li e pa selman li, me plizyer son bann koleg ki travay dan *tax* toulezour, ti annan difikilte pou vwar egzakteman kisisa ki sa Lalwa ti pe sey dir.

Sa i pa posib, sa i nepli permisib dan venteenyenm syek, dan en pei modern parey nou.

Epi i annan bann Lalwa parey in ganny dir, bann Lalwa arkaik. Ler en Labank par egzant i sezi later en dimoun akoz i pa'n pey son *loan* pou re vann. Nou ankor pe viv anba en Lalwa Franse. En Lalwa ki'n vin Sesel, depi lepok ki nou ti en teritwar Franse.

E ki ankor la e ki telman difisil pou antreprann, akoz i annan telman letap e sakenn avek son *time limit* 7 zour, 14 zour, 30 zour, ki si ou mank enn sa bann pa ou bezwen retournen e re komans ankor e parey nou'n vwar sa i met retar dan devlopman en pei.

Nou annan bann Lalwa parey *Rent Tax*. Lalwa ki konstitye *Rent Board*, ki ti tre modern ler i ti vin an for dan bann lannen 1950, me ki ti pe esey rezourd en problem sa lepok, kot ti napa bokou lakaz, ti napa bokou lakaz lwe e bann lakaz ki ti annan ti bann lakaz ase mizer. Kot tanzantan parey nou rapel dimoun ti ganny met deor, ti napa proteksyon.

Nou ti vwar zot ek zot pake dan en konmisyon pe bezwen al rod en refiz *somewhere*. I ti pou adres sa sityasyon. Ozordi sityasyon in sanz konpletman e

nou ankor pe servi sa vye Lalwa pou nou kapab antreprann o plito zer bann problem komersyal ki arive dan bann gran *building*, kot dimoun nepli annan sa bann kontrent ki zot ti annan dan bann lannen 1950.

I annan en kantite Lalwa ki fodre nou fer modernize. Minis dezinyen in koz lo Lalwa Prizon ki pou ganny revwar, e enn bann keksoz ki absoliman esansyel se en prosedir *parole*.

Kot tou bann prizonnyen i ava konnen ki tanzantan zot kapab fer en demann, en laplikasyon pou zot santans ganny revwar, eksetera.

Tousala se bann *challenge* ki devan biro *Attorney Zeneral* e sa ladministrasyon ozordi pou met tou sa bann Lalwa azour.

E donk ler nou vwar bann linisyativ tel parey sa enn ki pe vin devan nou ozordi, nou bezwen rezourir. E mwan an partikilye, Mr Speaker. I pa en - tou dimoun i konnen, i pa en sekre ki enn mon bann pasyon personnel se amann Lalwa e *bring Lalwa up-to-date*.

Nou menm nou dan sizyenm Lasanble, bann nou ki ti dan sizyenm Lasanble i rapel travay ki nou ti fer lo *Code Civil* e dan sa setyenm Lasanble nou pou annan ankor otan travay pou fer. Kod Penal par egzant

ki ekivalan Kod Sivil, me pou bann Lalwa Kriminel. I ava nou ki pou revwar li. Alors nou annan bokou travay pou *look forward* pou fer.

Mon'n ganny demande pou ede lo sa *Steering Committee* ki pou amenn en komite, en *Law Revision Committee* ganny etabli e se bann dimoun ki pou donn zot letan.

Mon krwar mon kapab reasir Onorab Andre e mon konnen ki Minis Dezinyen pou fer li ki i pa en kestyon larzan, i en kestyon letan ek lavolonte. E menm si i annan en propozisyon dan sa Lalwa ki ava annan en reminerasyon, mon konnen e mon'n koz pou bann Manm lo sa Komite, ki se pa sa ki anmenn nou donn nou letan.

Nou pa fer li aköz larzan, me nou fer li aköz nou kontan fer li e nou kontan sa travay ki ganny fer.

Evantuelman, evantuelman Mr Speaker, nou pou annan en *Law Reform Commissioner* ek en *Law Reform Commission*. Pour lemoman parey Minis Dezinyen in dir nou, nou pe konsolide bann Lalwa ki egziste. Nou pe reviz bann Lalwa pou met zot azour. Me nou pa ankor anbark dan prosedir reform. E reform

savedir rode kote Lalwa pa egziste oubyen sa ki pa egziste, ki mannyer i kapab ganny reformen konpletman e re met azour. E sa se en travay ki pa arete. Set en travay kontini, se en travay a long a lenn e se en travay ki anmenn bokou lakontantman dan bann dimoun ki fer li, e bokou benefis pou pei kot i ganny fer.

Tou bann lezot pei i annan, nou, nou pa ankor ariv lo sa sityasyon. Me parey Legliz Katolik i dir, fodre nou fer keksoz pti pa, pti pa. Nou pa kapab taye, nou bezwen konsilte avan, nou bezwen revize e apre nou ava ariv lo reform.

Mr Speaker, mon ti anvi koz an zeneral lo sa Lalwa parey Minis Dezinyen ek Onorab Andre in fer resorti. I tous zis 3 ou 4 landrwa e nou ava annan letan taler ler nou al dan *Committee Stage* pou revwar bann detay.

Me parey mon'n dir, bravo bann biro *Attorney Zeneral* ek Mr Knights pou fer sa travay, e nou atann vwar zot ankor plis e ankor pli souvan dan nou Lasanble. Mersi bokou.

### **MR SPEAKER**

Mersi Onorab Georges. Onorab Pillay.

**HON SEBASTIEN PILLAY**

Mersi Mr Speaker e bonzour Minis Dezinyen e Mr Knights dan Lasanble Nasyonal.

Mr Speaker, mon'n ganny loportinite pou annan en enteraksyon avek Mr Knights pandan letan ki i ti pe fer son travay. Mon bezwen dir ki i en lapros ki enteresan, akoz pou mwan i en lapros kot malgre mon partisipe, me selman mon en pti pe enkonfortab, akoz koman Lasanble Nasyonal nou pou toultan bezwen pe egzers *oversight* oubyen pe egzers nou rol koman Lezislater lo en Prozedlwa, malgre ki Gouvernman i vin kot nou.

Me mon konpran ki biro *Attorney Zeneral* pe sey fer, zot pe rod bann *major hurdles to get them out of the way* pou ki nou kapab bouz lo bann ki en pe pli senp e nou a kapab *deal* avek. E mon krwar se sa lespri ki Biro *Attorney Zeneral* pe vin avek.

Sa Lalwa i enn ki konpreansiv. I konpreansiv akoz i pa pe koz lo zis lo en Lalwa ki pe ganny amande. I pe koz lo en seri Lalwa ki pe ganny amande parfwa menm par an konsekans. Me lamazorite i avek fer sa bann Lalwa vin azour e sa nou konpran. E sa nou aksepte ki i bezwen ganny fer.

Me selman i annan keksoz ki nou bezwen regarde *from* serten perspektiv ki anmenn nou pou demann serten kestyon, e zot pa prezan dan Lalwa e nou pe ganny dir ki se koumsa ki pou ganny fer.

Nou pa'n zanmen koman Lezislater, annefe menm mwan pandan senkyenm Lasanble par egzansp, menm pou en bon bout sizyenm Lasanble, pou lamazorite nou Lezislater, Parlmanter dan *Law Revision Commissioner* i pa'n zanmen en dimoun ki vin dan nou lespri.

I pa zanmen en dimoun ki nou mazin. I annan enn akoz nou enteraksyon i tou letan avek sa laliny Lalwa sorti kot biro *Attorney Zeneral* ler in vin dan Lasanble.

Me ler ou aprofondir ou lekor, ler ou rod fason, ou pran en lentere pou ou konnen kwa ki son rol i ete, ou realize poudir en dimoun ki annan en pouvwar ase konsiderab. I annan en pouvwar enportan.

E ki zanmen in deza annan, menm letan nou'n annan en Lasanble kot Lopozisyon ek Gouvernman ti diferan, nou pa'n zanmen annan sa diskisyon, kot pou nou konpran ki rol sa pouvwar, ki rol sa *Law Revision Commissioner* i annan.

E la avek sa bann lamannman ki pe fer, i pe sitye lo sa *landscape* legal e rol Lezislasyon ki Lasanble i annan. E i pou enportan prezan pou nou fer sir, mwan *from* mon pwennvi, se asire ki rol Lezislasyon ki Konstitisyon i donn Lasanble, i ganny mentenir, i ganny ranforsi e ki napa en fason pou antoure li dan okenn fason.

E mon pa pe dir ki sa i lentansyon sa Lalwa. Me i kapab ganny enterprete koumsa. Mon dir sa Mr Speaker, akoz ler nou regard serten bann propozisyon lamannman ki vin dan sa Lalwa.

Par egzanp, annou regard sa nouvo seksyon 10. Malgre ki Minis in dir ek nou koumsa ki poudir *Attorney Zeneral* in dir ki nou pou ganny *sight* oubyen nou pou ganny enformen about sa revizyon ki pe ganny fer. Mon krwar ki nou bezwen enkli Lasanble Nasyonal anba sa provizyon. Nou bezwen enkli.

Akoz menm sa pouvwar ki nou pe donner *Law Revision Commissioner*, i en pouvwar ki dekoul *from* pouvwar ki nou, nou annan anba Konstitisyon. Akoz zis nou, Lasanble Nasyonal ki annan pouvwar fer Lezislasyon.

Nou donn serten delegasyon en Minis atraver en Lalwa pou li kapab pas en *S.I.* Me nou toultan retenir posibilite pou nou *annul* sa *S.I.* Akoz pouvwar Lezislasyon i reste avek Lasanble Nasyonal.

Dan mon pwennvi okenn sanzman ki ganny fer ek en Lalwa ki swa atraver en revizyon ou *otherwise*, i en sanzman en Lalwa e pou mwan i form parti prosis Lezislasyon. E Lasanble Nasyonal i bezwen parti prenon dan sa prosedir.

I annan dimoun pa pou dakor avek sa largiman, mon konpran. Mon krwar petet i en largiman ki dimoun pou vwar li tro ekstrenm vizavi Konstitisyon. Mon pe *walk to the full length of the Constitution*, e se sa ki mon santi.

E mon krwar mwan sa garanti ki Minis in donn mwan, mon oule plis ki sa garanti. Mon ti a kontan ganny plis ki sa garanti. Mon ti a kontan ganny en prepozisyon ki sa i ganny enkli, *this is included in the law. Not as an afterthought* ki *AG will then provide in the revised or whatever has happened to the law. I want it written in the law, that it has to happen that way. That is the process that it must follow.*

So, si nou kapab ganny sa e Lasanble i kapab toultan retenir son rol Lezisasyon. Sa i permet nou, pou nou bouz devan. En lot keksoz ki mon bezwen koz lo la se sa size kot Lasanble apre ki in pas en Mosyon pou li *annul* en *S.I.*, savedir anba Lartik, anba seksyon 66 mon krwar nou *IGPA* si mon pa tronpe.

Parey mon'n dir oparavan, meton Gouvernman nou'n pas en Lalwa e nou donn pouvwar Minis. Nou dir Minis pou kapab fer regilasyon pou enpoz bann *fines*, ou kapab fer regilasyon pou enpoz serten fason fer, ki sa antite ki sa Lalwa i *deal* avek i sipoze fer, oubyen ki Gouvernman i pou le fer.

Minis i pa se en regilasyon, *S.I.* i vin devan Lasanble. Lasanble i ganny li, si mon pa tronpe 90 zour pou li *annul*. Savedir anpes sa *S.I.* Preme zour ki sa *S.I.* i ganny pibliye, nenport aksyon i bezwen ganny fer anba la i kapab ganny fer.

So, si sa *S.I.* i dir par egzantp. Mon pa kapab servi en legzanp ki a kapab konfiz dimoun deor, taler a krwar mon pe dir en lot keksoz.

Si sa *S.I.* par egzantp i dir tou dimoun ki reste Takamaka oubyen tou dimoun ki reste

Bazarka i bezwen al se zot par bato. *Ok?*

Tou dimoun pou bezwen al par bato *until* ki sa *S.I.* i ganny *annulled*. Sa en legzanp. I pa pou anpese ki sa bann dimoun ki napa bato pa pou kapab vin dir apre poudir, en keksoz mal in ganny fer kont mwan akoz sa *S.I.* ti ilegal. In fer li fer. *Zour* nou *annul* sa *S.I.* nou fer li atraver en Mosyon.

E se la Mr Speaker, kot mwan mon pe sey konpran *thinking* biro *Attorney Zeneral*. Mon aksepte ki i bezwen annan en lord sorti kot Lasanble, i fer en sans.

Me eski biro *Attorney Zeneral* pe dir mwan ki i tret Mosyon sorti Lasanble avek sitan *contempt* ki i pa konnen kan Lasanble i pas en Mosyon. E eski mesaz ki nou pe gannyen avek Legzekitiv, i se ki lefe ki en Mosyon *is not binding*, parkont sa enn i *binding*, zot pa pou aport latansyon lo en Mosyon, alors Lasanble i bezwen ki apart pas en Mosyon e en rezolisyon vote par *the Legislature*, i bezwen osi pibliy en lord.

Pou mwan sa i en largiman *form* en pwennvi perspektiv, pou bann dimoun ki'n dan Lasanble, ki konpran mannyer Mosyon i fonksyonnen. Nou bezwen sanz sa largiman.

Demen son bann Manm ki reprezant lo kote Gouvernman, swa nou menm nou pou anmenn bann Mosyon devan Lasanble. Nou pou vot lo sa Mosyon. Mesaz ki nou pe gannyen i se ki ler nou'n fini, ler sa Mosyon in fini ganny pase pe Lasanble, Legzekitiv pa pou port latansyon, mon pa pe dir sa Legzekitiv ki la, konpran mwan.

Konfigerasyon Legzekitiv pa port latansyon lo sa Mosyon. Ou konpran mwan.

So, mon krwar i bezwen annan en sanzman *mindset*, akoz *as i al ver merit* sa propozisyon Lalwa. Nou bezwen davantaz pibliy en lord, akoz zot pa konnen poudir nou'n pas en rezolisyon dan Lasanble Nasyonal.

Mon aksepte ki parey mon'n dir, mon napa problem ek sa mwan, me selman mon ti ava kontan ki nou, koman Lasanble nou mazin lo la. I enportan pou nou sa.

Finalman Mr Speaker, mon konnen i en pwen ki mon annan, akoz mon'n pas dan sa Lalwa e mon'n regard plizyer keksoz. E sa Lalwa in koriz en kantite keksoz.

Mon annan en pti pwen ki mon pa konnen si pou mwan ler mon pe get Konstitisyon i *raise en issue* konstitisyonnel, oubyen i zis en pwen tipografi.

Ler mon get Lartik 162 nou Konstitisyon, Lartik 162 nou Konstitisyon i fer referans avek en *Defence Forces of Seychelles*. Sa Lalwa pe fer referans avek en *Defence Forces of Seychelles* dan son definisyon.

Mon krwar ki nou bezwen fer sir ki sa bann definisyon i konsistan. E kestyon ki mon annan pou Minis, se eski zot in regarde pou asire ki tou bann definisyon ki ganny prezante dan sa Lalwa i konsistan avek bann definisyon ki nou'n etabli?

E enn bann definisyon ki mon ti a kontan Minis i port latansyon lo la, sa definisyon propriyete ki nou'n ganny bokou difikilte pou definir li dan lezot Lalwa. E standar ki nou ti'n adopte koman en pei, se pou servi nou *Anti-Money Laundering and Countering of Finance and Terrorism Act*, pou defini propriyete.

Mon vwar dan sa bann lamannman ki nou pe propoze nou pa pe servi sa barenm ki nou'n servi pou lezot Lalwa. Eski Minis atraver reprezantan *Attorney Zeneral* ki la i kapab reasir nou, ki sa enn definisyon ki zot pe propoze anba sa lamannman i pa enn ki pou enpakte oubyen kree en konfizyon ant le 2 definisyon ki nou annan?

Akoz en standar ki pe ganny etabli par la mazorite pei, sirtou bann parey nou dan bann ziridiksyon ki bann gran pouwar i konsider nou a risk aköz nou annan en sekter finansyel *offshore*, se ki nou fer *on definition for property*.

E sa definisyon i *stem from* en *standard definition* ki ganny servi anba *Anti-Money Laundering and Countering of Financing and Terrorism Act*.

So, Mr Speaker, vwar la mon bann pwen lentervansyon lo sa deba. E mon ava esper larepons Minis e *Committee Stage* pou nou gete ki mannyer nou kapab propoz bann sanzman ki neser avek sa Lalwa. Mersi.

### **MR SPEAKER**

Mersi *Leader* Lopozisyon. Mon ti'n prolonz sa peryod avek lespwar ki nou pou termin sa premye staz. Me nou pa'n arive fer li. Alors nou a pran poz. Minis mon pa anvi met presyon pou ou fer ou *summing-up* vit. So, mon ava envit ou pou fer sa apre nou poz. Mersi, nou ava re zwenn 11er edmi.

**(BREAK)**

### **MR SPEAKER**

Byen, nou are pran avek repons Minis lo deba. Minis Ferrari.

### **THE DESIGNATED MINISTER MR JEAN-FRANCOIS FERRARI**

Mersi Mr Speaker. Mr Speaker, mon ava fer enn de komanter zeneral e mon ti pe koz avek Mr. Knights. I ava annan 2 laspe ki mon ti ava kontan avek ou permisyon ki Mr Knights i pran laparol, e sa se lo de kestyon ki'n leve, enn par Onorab Andre.

Apre mon krwar Onorab Pillay ti osi koz lo bann kestyon presize. Bann definisyon byen presi e Mr Knights avek ou permisyon i ava adres sa pwen.

E dezyenm pwen lo sa prosedir, ki mannyer sa prosedir pou deroule. Ki bann diferan letap? Mon krwar i enportan ki nou ganny li kler.

Prezan les mwan retourn, Mr Speaker, lo enn de bann pwen ki'n ganny leve. Premyerman, Onorab Andre in eksprim son konsern e son pwennvi *comme quoi* dan sa peryod difisil ki nou ladan, kekfwa nou devret pe re konsider sa provizyon, pou pey bann Onorer, oubyen peye pou bann servis bann diferan dimoun ki angaze dan sa bann komite revizyon, evantyelman komite reform.

Mr Speaker, mwan mon kapab reflekte lapros Legzekitiv

se ki otan ki posibil si nou kapab rekonpans en dimoun pou son travay, nou fer tou pou nou kapab rekonpans li. Akoz nou krwar poudir si en dimoun i ganny byen peye, i osi annan en responsabilite pou li byen delivre. Me byensir tousala parey Onorab Andre i dir, i depan lo moman, lo peryod ekonomik ki mannyer pei i kapab *afford*.

Alors, nou pou bezwen trouv en mwayen, akoz pou annan bann prive. Bann Avoka prive ki lo la, ki *senior*, ki pou bezwen kit zot travay pou zot donn zot letan. E nou bezwen gete ki mannyer zot kapab ganny rekonpans.

Pou annan bann eksper mon mazine a plizyer moman. E zot osi zot pou bezwen rod en fason pou rekonpans zot.

Alors, Gouvernman parey pou bokou bann kou ki asosye avek reform Lalwa, reform bann diferan striktir Leta. Gouvernman i *reach out* avek bann lorganizasyon enternasyonal ki tradisyonnelman in siport nou dan sa bann zefor modernizasyon e reform.

Par egzanp *Commonwealth* ki'n toultan dir poudir zot enn bann keksoz ki zot kontan asiste ladan, se

revizyon bann Lalwa, met azout bann prosedir.

Alors Onorab Andre ou pwen in ganny byen note e nou ava gete ki mannyer sa bann lapwentman pa enpakte negativman lo finans piblik.

Lo kestyon bann piblikasyon Onorab, i annan, i responsabilite ler en *S.I.* i ganny *quash*. Nou'n dir pli boner ki i enportan ki piblik i konnen. Akoz par ler ou get lo liv Lalwa, ou vwar en *S.I.*, me ou pa san poursan asire poudir i an egzistans akoz i kapab in ganny *quash*.

Alors de ki bann prosedir Parلمانter, bann prosedir Lasanble Nasyonal in fini ganny fer i prezan responsabilite biro *Attorney Zeneral* pou pibliye, pou *make available* pou piblik dan lespri lefikasite, me osi dan lespri latransparans.

*Ok*, enn bann pwen ki Onorab Georges in ensiste bokou lo la e mwan osi mon ti ava kontan ensiste lo la, se lo sa laspe modernite e inovasyon.

Mon krwar ki ler *Cabinet* ti pe diskit sa bann propozisyon, sa in sorti tre for akoz nou anvi ki Sesel i vin en pei modern e i reste en pei modern.

Alors, menm par ler sa bann keksoz i koute e i pran letan. Me selman si nou pa fer li, nou tonm an aryer e nou

perdi nou plas dan sa monn modern ki nou ladan.

E sa legzersis ki nou pe fer, mon dakor e Onorab Georges in dir ki i en travay kontinyel. I en travay lonterm ki pou bezwen sipor Legzekitiv en kantite. Alors i enportan ki nou komans fer li e nou osi lo kote Legzekitiv nou byen remersye biro *Attorney Zeneral*. *Attorney Zeneral* li menm avek son *staff* ki'n ankouraz sa direksyon ki nou pe al ladan e sa bann demars revizyon Lalwa.

Mr Speaker, Onorab Pillay in dir avek e i korek ki sa ki nou pe fer i en legzersis ki konpreansiv. E ki sa i pou bezwen en sanzman *mindset* pou nou kapab vwar tou bann laspe, ki mannyer sa bann Lalwa apre sa bann reform i konekte avek kanmarad.

Sertenman dakor avek sa, en sanzman *mindset*, akoz tou sa bann lannen kot nou ti annan en sel kalite *mindset*, la prezan mon pe vwar poudir nou pe avans dan en direksyon enteresan. Parey pou reponn kestyon lo Onorab Pillay lo son legzizans, e son demann ki sa bann demars pa ganny tarni, pa ganny *tainted*, pa ganny tente par bann konsiderasyon politik.

Sa i en keksoz ki sertennman mon konpran ki Onorab Pillay pe dir, akoz li i

annan konesans ki mannyer bann keksoz i kapab vin politize, akoz in dan Legzekitiv tou sa bann lannen. E bokou sa bann desizyon in politiz.

Me la ou pou vwar atraver leksplikasyon ki Mr Knights i ava donner, se ki sa prosedir li menm, ki mannyer i deroule i *form bottom to top*. I komans a nivo pli ba e se bann konsern bann sitwayen e bann Avoka e bann profesyonnel ki monte, e ki apre i ariv o nivo politik.

Akoz en desizyon politik pou bezwen ganny pran e amwens ki Onorab Pillay ou pa anv i ki en desizyon politik i ganny pran akoz i pou bezwen ganny vote par Lasanble Nasyonal. E sa i en propozisyon ki'n ganny fer. I pou bezwen ganny sanksyonnen e sa i en desizyon politik.

Mon pa konnen, kekfwa ou devret reflexir ankor. Kefkwa ou pa anv sa. Akoz, me nou napa swa. Se sa kote latab ki'n ganny plis vot ki sa kote. Sa kote pou bezwen pran bann desizyon final.

So, mon pa vwar sa koman en keksoz ki mal. Mon vwar sa koman la demokrasi ki pe deroule.

Alors, mon krwar ki nou pou bezwen aksepte ki anfen kont pou annan en direksyon, en desizyon ki pou bezwen

ganny pran e sa pou ganny pran par Lasanble Nasyon, ki mon krwar i ava pran en desizyon inanim (fotespere) si sa i arive.

Lot pwen se ki si mon'n byen konpran Onorab Pillay, ou'n osi tous en pe lo sa bann pouvwar ki *Law Revision Commissioner* i annan. I annan en kantite pouvwar. Vreman, vreman en kantite pouvwar e pou li amande, pou li asiste, pou li met ansanm. E me selman sa bann pouvwar pou ganny balanse par sa konsiltasyon ki mon'n dir pou ganny fer, dan en fason tre konpreansiv.

E apre sa tou bann amannman ki pou ganny fer, pou ganny mete devan Lasanble Nasyonal.

Alors, mon krwar ki rol Lasanble i ganny garanti, i ganny respekte. E ki sa pou Gouvernman i en keksoz ki vreman enportan.

Avan mon fer mon konklizyon, mon ti a kontan envit Mr Knights pou li aköz lo sa de pwen.

### **MR SPEAKER**

En moman Minis. Dapre sa ki mon rapel, bann pwen ki'n ganny leve ki ou'n fer referans avek i bann pwen spesifik ki kapab ganny adrese dan

Komite. Korek? So, mon krwar nou ti a pli byen swiv prosedir. Termin ou repons, apre nou a fer lezot prosedir e nou ava al dan Komite apre.

### **THE DESIGNATED MINISTER** **MR JEAN-FRANCOIS** **FERRARI**

Ok. Wi, ou annan rezon Mr Speaker. Mersi bokou e mon zis en fraz en konklizyon, ki Legzekitiv i konsider sa proze ki devan nou koman en keksoz vreman enportan, parey mon'n dir dan mon *statement*.

E nou demande ki tou bann pwennvi i ganny konsidere e tou zefor i ganny mete pou nou finalman retrouv nou avek en seri Lalwa ki modern, ki efikas e ki efikas e ki permet Sesel antre dan lot letap son devlopman, ki pou enn tre *challenging*.

Alors mon demann tou dimoun, tou bann Manm pou donn zot sipor e annan ou travay dan en sel direksyon pou nou ganny sa fer byen. Mersi.

### **MR SPEAKER**

Mersi Minis. Avek sa nou a pas lo vot lo *general merit of the Bill*. Manm ki an faver sa *Bill* lo *general merit* lev lanmen silvouple. Ok, Madanm Clerk, okenn Manm ki kont? Byen, lo kestyon lo *general merit of the*

*Statutes Law Revision, 2021.* 21 Manm in vot pour, 0 kont e 9 abstansyon. Alors sa *Bill* in aprouve lo *general merit Second Reading*. Ok, mon a envit Madanm Clerk pou fer *Second Reading* sa *Bill*.

**MADAM CLERK**

Mersi Mr Speaker. *A Bill for an Act to make amendments to certain enactments and to repeal the Ministers (Number) Decree, Cap. 131.* Mersi Mr Speaker.

**MR SPEAKER**

Mersi Madanm Clerk. Avek sa nou a kapab pas dan Staz Komite. *Sergeant*.

Mon ti a kontan demann en pti leklersisman, mon sipoze parey normal nou a komans avek *Bill's Committee* e anmezir nou ale avek *Bill's Committee*, si bann Manm i vwar zot anvi entervenir a en serten pwen, annou fer li anmennen ki nou pe desann.

Me selman mon anvi demann, mon vwar en *draft*, en *track version* kot in annan plizyer pwen, kot in met "*agreed legal*." Mon ti a kontan si Onorab Andre ler i pran laparol i eksplik mwan, si sa in fini dakor, ki nou pou fer, si nou pou al enn par enn lo la oubyen

si nou pas an zeneral lo serten sa ki'n mete?

An dot mo, mon pe gete ki savedir sa "*agreed legal*." Mersi. E Mr Knights, kot i ariv pwen ki ou bezwen entervenir la i ava le moman.

**HON CLIFFORD ANDRE**

Mersi Mr Chair. Mr Chair, zis pou eksplike kot in met "*agreed legal*." An vi ki nou *legal officer* i osi nouvo, tou bann pwen ki'n ganny agree, li in met en *track version comme quoi this is agreed*.

So, nou pa pou tous lo la. Mon pou tous lo bann ki nou annan keksoz pou nou fer avek pou gete ki *panel* i annan lo la pou dir e si i annan lezot Manm ki anvi kontribye.

**MR SPEAKER**

Tre byen. Mr Knights *please raise your hand when you feel it's the point that you need to address*. Onorab Andre, *yes*.

**HON CLIFFORD ANDRE**

Mt Chair. Mon pou komans avek 4. *Clause 4. Appointment of Law Revision Commissioner*. Komite pe propoze ki nou met *the President may, by instrument under the Public Seal, appoint a Law Revision Commissioner who shall*

*prepare the revised. Nou tir 'to' nou met 'who shall'.*

**MR SPEAKER**

*Mr Knights, I see you shaking your head. I think it's agreed.*

**HON CLIFFORD ANDRE**

*So, the next clarification, in fact I just spotted is in clause 6 of 3.A it refers to subsection (3) of the same Clause. But subsection (3) states The Committee shall provide assistance to the Commissioner in implementing this Act. Because subsection (6) say There shall be paid to the members of the Committee and the persons appointed under subsection (3).*

*Whereas subsection (3) doesn't say any appointments. Maybe it is a mistake. I don't know, I would just like to have a clarification with regards to this.*

**MR SPEAKER**

*Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Honorable can you just please repeat the provision?*

**HON CLIFFORD ANDRE**

*Ok, sub (6) of 3.A states "There shall be paid to the members of*

*the Committee and the person appointed under subsection (3). So, it's talking about appointment under subsection (3). But when we look at 3.A sub (3), it states The Committee shall provide assistance to the Commissioner in implementing this Act. So, there is no appointment under sub (3).*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Yes, Honorable can you look at subsection (4).*

**HON CLIFFORD ANDRE**

*Yes.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Ok, I understand what you mean. But the intention was also to deal with the secretary and any other person that is appointed. For instance, an expert in the companies law, an expert in offshore law who would assist with the revision. So maybe subsection (4).*

**HON CLIFFORD ANDRE**

*Subsection (4) instead of (3). Ok. So, we now move to 14. Clause 14 on the document. Offences.*

**MR SPEAKER**

En moman Onorab Andre. Kekfwa Leader Lopozisyon i annan en pwen antretan. Wi.

**HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mr Speaker, I would like to clarify a point. It seems to be a policy ambit, I didn't want to raise it in the debate but it would be important for us to understand what the thinking is behind it.

According to the proposed amendments which we are now discussing. When the office of the Commissioner is vacant, the Attorney General shall perform the function of the Commissioner.

In that respect, at that time the Attorney General was also the Chairman at the Law Revision Committee. So, essentially is the intent to convey that the Attorney General, that the Revision Law Commissioner shall be the Chairperson of the Committee or is the intent conveyed that it is the Attorney General.

Because you see, you will create a confusion, a conflict here. That vacancy creates a conflict in that both persons now exist at the time there is a vacancy.

I would like to understand whether the intent was to have the chairmanship of the Law

Revision Committee separate from the Law Revision Commissioner or whether the intent was to have them one of the same.

And then one final point which I think needs clarity, is that I see no time frame set for the vacancy. If it is vacant, should there be until, should we add as an abundance of caution until such time as a new Commissioner is appointed as per Section 3(1). Thank you, Mr Speaker,

**MR SPEAKER**

Yes, Mr Knights.

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

Thank you for your question Honorable Pillay. The intention at the end of this project is to repeal the Statute Law Revision Act. And as the Minister explained at the end of the project, we intend to have a Law Commission and that Law Commission will be responsible for both Law Revision and Law Reform.

Now, how things operate currently, is that the Law Revision Commission more or less is a subordinate officer to the Attorney General.

*And the Attorney General, if you are also looking at the actively section 12 can perform certain acts as well, in relation to publication of laws that the Law Revision Commissioner would usually carry out.*

*So, what we intent hear is that should the office become vacant, the Attorney General will perform that role in interim because the objective is for us to complete this project by the end of December, 2022.*

*So, between that period if it becomes vacant, then the AG will continue those functions and in respect of the Committee, the AG remains the Chairperson of the Committee.*

*Because at the end of the day, the Bill still have to go to the Cabinet as the Minister have pointed out. So, this is why we wanted the AG more or less to be the Chairperson. We didn't want a Judge per se to be the Chairperson of the Committee.*

**MR SPEAKER**

*Yes, Onorab Pillay.*

**HON SEBASTIEN PILLAY**

*Thank you, Mr Speaker, very quick point. I understand what Mr Knights is saying, but you see you raised an interesting point because if the intent was to the, let's say for example in*

*the current situation, the current Law Revision Commissioner resigns, so there is no Law Revision Commissioner and until such time as the President appoints a new Law Revision Commission, the Attorney General shall perform the function of the Law Revision Commissioner. Correct? Right, for that period.*

*The Attorney General for that period is also the Chairperson of the Law Revision Committee. My question to you whether was that the intent. The intent, was it to have the Attorney General performing both functions?*

*As the Chairperson of that Committee and as the Law Revision Commissioner. If then that wasn't the case, then why was the proviso added to - Not the proviso, but something added to subsection 4 to state that until such time as a Commissioner is appointed, so that we are clear.*

*Because you are saying that there will be some sort of a sunset Clause to this committee. It will end in December, 2022. Is that correct? Is that what you are telling us? Yes.*

*So, I think if that stays as is now. Ok, this is as is now. It means that for the period which we won't have a Law Revision*

Commissioner, the Attorney General will himself be the Chairman. And I think, I have a concern with that. In that the law itself was designed to be apart from the Attorney General in the first place. The original Act.

**MR SPEAKER**

Take the mic please, Mr Knights.

**ASSISTANT PRINCIPAL STATE COUNSEL MR STEFAN KNIGHTS**

Honorable, under the actual law, if I can just find the provision for you. The Attorney General also perform some functions of the Statue Law Revision Commissioner presently.

So, for instance, I'm just looking for provision here. So, the Attorney General for instance can under, this is section 10 and 4 of the Statue Law Revision Act.

He can also do the publication and the gazetting of the laws. He can also rectify certain clerical errors in the law, and he can distribute the laws as well to different agencies. This is also a function of the Law Revision Commissioner.

So, yes, he cannot revise the law per se. Yes, so, for us to

deal with the issue right now going forward. Because he is already stated clear to everyone that look, we are not using these powers that the Law Revision Commission presently has.

Some of these powers may not actually require us to come in the Assembly, but instead what we are doing now, we are coming to the Assembly with every single amendment that we are proposing. And in my humble view, I think the process is transparent so that you have complete oversight.

**MR SPEAKER**

Please let see if we can move on.

**HON SEBATIEN PILLAY**

So that we can move on therein lies my problem. This is what I wanted to get out. You see, and I disagree with this. So, that's where I have a staking point, perhaps the Honorable Minister misunderstood and thought that I was making a political comment, which his turn make a political comment towards me. But that was my point.

The Legislature is the only body under the Constitution that has the power to legislate. So, maybe I'm wrong in my interpretation, but I feel that in that context this might be a usurpation of the role of the

*National Assembly. I may be wrong. Thank you.*

**MR SPEAKER**

*Yes, Mr Knights, you can address.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Yes Honorable Member, as I mentioned to you this is the law that was passed by the Assembly and we acknowledge that it may not be something that may fit well with the 1993 Constitution.*

*But for the time being we are not using section 5 and section 6. Sorry, section 5. The powers that are set up out there. All the amendments are still being tabled to the Assembly, and I don't think that there should be any difficulty moving forward in this manner.*

**MR SPEAKER**

*Thank you, Mr Knights. Onorab Andre, can you move ahead.*

**HON CLIFFORD ANDRE**

*Mersi Mr Chair. Nou lot, the other point was Clause 14. It states 'A person who knowingly makes any alteration to a revised edition of the Laws of Seychelles, with the intent to deceive any person as to the*

*true text of the law, commits an offence and is liable on conviction to a term of imprisonment not exceeding 5 years or a fine of level 4 on the standard scale'.*

*The committee proposed that the following be inserted. 'Standard scale established under the Criminal Offences (Standard Scale of Fines) Act, 2021, or to both such fine and imprisonment.'*

*The reasons why the proposal is being made is because the first time and it just refers to standar scale. So, we wanted to have it inserted here, so that the person reading the law can easily know what it refers to and then they will probably refer to the particular law. That's the proposal for the Bills Committee.*

**MR SPEAKER**

*Yes, let's take that Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*That you Mr Speaker. We would suggest that the words established under the Criminal Offences (Standard Scale of Fines) Act, 2021 are removed. We have defined standard scale in the amendments to section 22*

*of the Interpretation of General Provisions Act.*

*If the Members of the Assembly have a concern about the Members of the Public knowing what the Standard Scale means, we can deal with this administratively.*

*There will also be instances where we are not increasing a fine in a law. The office that we formally amend is the last office in the Act for instance.*

*So, we might have some situation where it may be inconsistent in that the first time you see Criminal Offences (Standard Scale of Fines) Act maybe in a prohibition that is found later in the said Act as oppose to the first reference in the Act.*

*Because under the Criminal Offences (Standard Scale of Fines) Act we automatically making those changes to the law. They are only in certain instances that we will be changing the penalty were that penalty is inordinately low.*

*So, what we would suggest is that when in the law is republished, we simply have the standard scale and we have define said standard scale in section 22 of the IGPA. Thank you.*

**MR SPEAKER**

*Mersi. Onorab Andre can we agree with that?*

**HON CLIFFORD ANDRE**

*Mr Chair. I believe it is up to the Assembly, I feel that if it is, if there is no harm, I see no reason why not in setting it. But if the explanation given and the Assembly is satisfied, I will go with what the Assembly believes is fine.*

**MR SPEAKER**

*Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Mr Speaker, so for us we would have no difficulty if we keep it. But with the understanding that when the laws were published those word will be removed during the republication of the laws.*

*And the reason for it as I would have mention is that when you insert this provision, you might have offence created at section 6. But we are not amending that offence in the Assembly because the Criminal Offences (Standard Scale of Fines) Act would have automatically changed that offence.*

*And then when you come down to section 8, this is when we look into increase the penalty. And this is the first time you actually seen it in the law. So, we may have some inconsistency in some of the law. So, what we would suggest is that if this is done, then during the publication process we can simply just omit these words. Thank you.*

**MR SPEAKER**

*Thank you. Onorab Andre, what I propose is that we carry on. At the end of the Committee Stage I will ask the House if there is any specific amendments and we can see if we can take this. You want to address this Onorab Georges?*

**HON BERNARD GEORGES**

*Just this particular one Mr Chair, with your permission.*

**MR SPEAKER**

*Yes.*

**HON BERNARD GEORGES**

*Yes, I would urge the Honourable Chair of the Bills Committee not to insist on this amendment, because otherwise if we do it here, we are going to have to do it every time that there is a new law that mentions the standard scale. Whilst it is*

*a lot easier to just have it in one place which is the IGPA and that will trump every other law. Thank you.*

**MR SPEAKER**

*Thank you. So, Onorab Andre we will move on.*

**HON CLIFFORD ANDRE**

*Now we move to clause 12. Mr Chair. (b) there was a proposal to inset ‘Court of Appeal’ and it would read as such “Court of Appeal” means Court of Appeal of Seychelles established by the Constitution, Cap 42”.*

**MR SPEAKER**

*Mr Knights, are you addressing this? Agreed? Agree.*

**HON CLIFFORD ANDRE**

*And where it comes to Magistrates Mr Chair. At the end of the word Magistrate to insert “in accordance with the Courts Act, Cap 52”.*

**MR SPEAKER**

*Agreed.*

**HON CLIFFORD ANDRE**

*Mr Chair, then comes the issue of minor where we have a definition under the Civil Code of Seychelles Act, Cap 33, Article 388. And we also have a definition in the Children’s Act.*

*I'm just trying to bring to the fore that this a definition of minor and then the definition of child in the Children's Act. So, are we going to make it uniform everywhere or we are going to leave it as it is and have the definition in this defend as the one in 388 of the Civil Code of Seychelles, Act?*

**MR SPEAKER**

*Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL MR STEFAN KNIGHTS**

*Honorable Member I will suggest we keep the original definition. The Interpretation of General Provisions, Act is only use were the specific law does not have a definition of the term.*

*So on the different law you may find different definition for a minor or you might find a different definition for a child. And we would suggest that it's only in those instances where there's no definition of a minor that's when you come to the Interpretation of General Provisions, Act. Thank you.*

**HON CLIFFORD ANDRE**

*Ok, so now we would have to amend the definition of minor to reflect the one as 388 of the Civil Code which states as such. A*

*minor is a person of either sex who has not yet reached the full age of eighteen. Then we would put at the end of it, as defined in Article 388 of the Civil Code of Seychelles Act, Cap 33. Would that be suitable?*

**MR SPEAKER**

*Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL MR STEFAN KNIGHTS**

*Honorable Member, we do not agree with the proposal to change the definition. We are suggesting that you keep the proposed definition as we explain that the definition of minor, you don't, it may vary from law to law and this is just a simple definition that we've used here in this instance.*

*And in the future, you may also after we look at this same definition in itself, Honorable Member.*

**HON CLIFFORD ANDRE**

*Can I now try and get the definition that you are suggesting? Because 388 is different from what is there. That's what I'm saying. So, just tell us the definition that you think is right or should remain.*

**MR SPEAKER**

*Mr Knights, you want to answer that?*

**ASSISTANT PRINCIPAL STATE COUNSEL MR STEFAN KNIGHTS**

*Mr Speaker, we have provided the definition and we are suggesting that we use the original definition that was proposed.*

**HON CLIFFORD ANDRE**

*So, we leave the definition as minor means a natural person under the age of 18. This was the definition that was given.*

**MR SPEAKER**

*That's it, yes.*

**HON CLIFFORD ANDRE**

*Is that correct Mr Knights? So, that we get it correctly. So, this is what you want to be kept.*

**MR SPEAKER**

*Thank you. Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL MR STEFAN KNIGHTS**

*Honorable Andre, these proposal from the Honorable Leader of Government Business, Sorry, Honorable Leader of Opposition in relation to the definition of property, I don't know if this is something that*

*you want to consider. We have had a look at the definition that the Honorable Member had proposed and it is a bit more comprehensive than what we presently have. Thank you.*

**MR SPEAKER**

*So, are we taking? I think this is one of the points that the Minister wanted to address. Yes, you want to make a further point.*

**HON SEBASTIEN PILLAY**

*Thank you, Mr Speaker. Mr Speaker, I made the point because when the inconsistency arose in the definition of poverty in our laws, it affected our Law Enforcement Agency in terms of it disparity that existed in other country. And you know we still have this issue under "mutual issues of information."*

*And different components of property are considered as in different ways, in different jurisdictions.*

*So, I think what happened was that when we amended our AML-CFT we amended the definition of property so that we could make it as comprehensive as possible.*

*Given that the IGP, I was looking at it in reverse. I was looking at the IGPA being the law sort of that trumps every*

*law, why don't we have the comprehensive definition in the IGPA and then subsequent the definition can come in.*

*Because I felt that this definition did not really reflect issue of bank accounts and other forms of property. The one which you have in the IGPA currently which have been proposed.*

*That's why I've put the point to the Minister whether he would consider that as something that needs to be changed and I think this is what Mr Knights is referring to if I'm not mistaken. Thank you, Mr Chairman.*

**MR SPEAKER**

*Onorab Andre, yes.*

**HON CLIFFORD ANDRE**

*Thank you, Mr Chair. Mr Chair, this is one issue that we debated heavily in the Bills Committee and the Bills Committee was also proposing that AML definition is placed in this section of the IGPA, so that it will would have wider meaning. That was something that we recommended.*

**MR SPEAKER**

*Ok, will see. Yes LGB.*

**HON BERNARD GEORGES**

*Thank you, Mr Chair. Mr Chair, in principal there is no disagreement but the AML-CFT definition will have to be further polish because there are some references in it to the AML-CFT situation which might not obtain generally.*

*But in principal, yes if Mr Knights could propose, perhaps not now but between now and when we tidy up the Bill, if the Assembly agrees that we can entrust this matter to the panel and to the Bills Committee then we could pass the Bill today, thank you.*

**MR SPEAKER**

*Thank you, Mr Knights, how do you see this?*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Thank you, Mr Speaker, we can work on the definition and submit it to the Bills Committee.*

**MR SPEAKER**

*Thank you. Yes Chairman.*

**HON CLIFFORD ANDRE**

*Thank you, Mr Chair. We go to the definition of publication. Sorry, Seychelles, the definition of Seychelles. My apologies. Rule which is before Seychelles means rules under an Act in*

*which the word “rules” is used and where the context so provides includes order, regulation by law. We remove the ‘e’, it’s not bye in terms of bye-bye, but it’s ‘by’ – ‘b y’.*

*Seychelles at the end of Constitution we add Cap 42.*

**MR SPEAKER**

*Agreed ok.*

**HON CLIFFOR ANDRE**

*Clause 13. Where it says, at the end of Gazette Act, 2020 it should be 2020 instead of 2021?*

**MR SPEAKER**

*Agreed, yes. Next Onorab Andre.*

**HON CLIFFORD ANDRE**

*When it comes to Clause 16 amending section 64. Minister Ferrari stated in his summing-up that once the quashing of an S.I. is done it should be the responsibility of the AG to publish.*

*But the way the law is reflected now it becomes the responsibility of the Assembly. So, I was just trying to get a wording that would reflect what is being said.*

*Because now the wording said ‘If the National Assembly, within a period of 3 months*

*beginning with the day on which a copy of any statutory instrument is laid before the National Assembly, passes a resolution to annul any statutory instrument, the National Assembly shall cause an Order to be published in the Gazette repealing’. So, can we have some clarity in the wording?*

*Because, before Mr Knights take over. And then it continues to say” the statutory instrument, which shall cease to have effect thereafter, but any such Order shall be without prejudice to the validity of anything previously done under the statutory instrument.*

*And the other subsection (3), because the same thing Mr Chair, so that Mr Knights takes it altogether.*

**MR SPEAKER**

*Yes.*

**HON CLIFFORD ANDRE**

*And when we look at subsection (3) where in pursuance of subsection (2) a resolution is passed in respect of any statutory instrument thereof which imposes a tax, duty, fee or similar impost, such existing tax, duty, fee and similar impost shall upon the passing of the resolution revive and remain valid until the National*

*Assembly publishes an Order in the Official Gazette repealing the statutory instrument.”*

*So, it’s imposing the responsibility on the National Assembly. Whereas when the Minister gave it summing-up, he said once we conclude with the procedure in the Assembly and it is now in the responsibility of the Attorney General to have the Order published.*

*So, just so we have clarity and then we don’t say that the law, we haven’t done our bit and probably the Attorney General haven’t done their bit.*

**MR SPEAKER**

*Ok, Mr Knights will you address that?*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Yes, Mr Speaker. Mr Speaker, this procedure is a procedure that is more or less adopted under the digitalization and publication of Gazette Act, 2020.*

*What happens is that any person who has the power to make a repeal, to a statutory instrument, that person would then send the S.I. to the Attorney General to publish.*

*The Attorney General doesn’t question the decision or the substance of the S.I. He*

*simply publishes the S.I., what the person or authority would have made.*

*So, for instance when you have the National Assembly Standing Order, when you make a resolution here, what you usually do is to send that Standing Order to the AG to publish in the Gazette.*

*So, it’s the same process here when you annul the S.I. You simple send the SI, send the proposed S.I. to be published in the Gazette. And we can publish this within an hour or less. Thank you, Mr Speaker.*

**HON CLIFFORD ANDRE**

*So, in view of this, if I may propose, a (statutory) instrument shall cause an order to be published. Can we have also similar wording in sub (3) ‘the National Assembly shall cause the Order to be published in the Official Gazette’. In the Gazette. I’m just trying to have consistency with sub (2) and sub (3).*

**MR SPEAKER**

*Mr Knights, are you addressing this?*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Mr Speaker, I don't really see any harm in keeping or adopting the proposal from the Honourable Member, Mr Andre. You can keep what we have or we can make the amendment.*

*And Mr Speaker, whilst I have the floor, we also wish to address the proposal to change the word to 'Official' 'Gazette. We would propose that you simply keep the word Gazette.*

*Gazette is already defined in the interpretation in General Provisions Act. It said that Gazette have the same meaning assign to it under schedule (2) of the Constitution. And includes Official Gazette supplement to the Official Gazette and Extraordinary Gazette published on the authority of the Government in printed or in digital format.*

*So, it doesn't haven't to be official in the Official Gazette, because you can also publish this Order in Extraordinary Gazette. So, we would humbly ask that all references to Official Gazette is removed and we simply keep Gazette. Thank you.*

**MR SPEAKER**

*Agree?*

**HON CLIFFORD ANDRE**

*Mr Chair, in fact we are not oppose to insert 'Official'. We have already left it as Gazette. So it was not a proposal.*

**MR SPEAKER**

*Onorab Andre, just permi me to address, I do have to adjourn by 12.30, so I wonder if your other points will need considerable time? I can afford maybe being 5 minutes late but I do need as a courtesy to be available. What is your opinion?*

**MR SPEAKER**

*Mr Chair, there is about 5 more proposals and they are not long proposal, they are just ...*

**MR SPEAKER**

*Ok, I will take a risk. Yes.*

**HON SEBASTIEN PILLAY**

*Thank you, Mr Speaker. Mr Speaker, I would like to query something in relation to the section we are currently looking at which is section 64. An introduction of this new section 3, subsection (3) in relation to resolution passed by the National Assembly that relates to the imposition of a tax, duty, fee or similar impost.*

*The previous Act did not mention of that distinction. I mean IGPA currently does not make mention of that distinction.*

*And when we look at the Constitution Article 90, it currently says in relation to talk about the imposition of taxes etcetera and whatnot.*

*Now, I want to maybe just with a few, just quickly if Mr Knights can explain, why has this been introduced here? Because before that it was wide. We didn't have a derogation whether we were dealing with taxes or anything else. Why introduce it here? Thank you, Mr Chairman, with your permission.*

**MR SPEAKER**

*Thank you. Mr Knights, yes.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Yes, thank you Mr Speaker. So, with the tax laws, what happens. Everyone doesn't know when the Assembly is about to make a decision in relation to a tax law and we also have S.Is related to Hedge Funds for instance whereby someone may pay 5000US or 500US in those matters.*

*So, we were suggesting that if the payment is made before the S.I. is annulled, Government should be able to keep that money unless you have the S.I. on the Law Books*

*that's when you will stop collecting the money. But until the S.I. is published, you can continue to collect whatever money that is paid. Thank you.*

**MR SPEAKER**

*Thank you. Wi Onorab Andre, yes.*

**HON CLIFFORD ANDRE**

*Mr Chair, in fact looking at the proposed amendments was simply to add 'as established under the Criminal Offences Standard', which we said we would not do so.*

*So there seems to be or I confirmed there's no other amendments that needs to be done to the proposed law. So, I would close my case.*

**MR SPEAKER**

*Thank you. Mr Knights, yes.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Honourable, Mr Andre we would propose that the word 'vice-presidential oath' is placed in capital letters so that it is consistence with the other Oath. The 'presidential oath' is in capital letter. The 'official oath of allegiance' is also in capital letter.*

So, we would humbly propose that 'vice-presidential oath' is in capital letters and you remove the bold. Thank you.

**MR SPEAKER**

Thank you. You find this agreeable?

**HON CLIFFORD ANDRE**

Yes.

**MR SPEAKER**

Ok. Thank you, chairman, for your input. I think the only point that you raised have been dealt with and we don't have any amendments to take to the floor. LGB?

**HON BERNARD GEORGES**

Thank you, Mr Chair. Mr Chair, I'm conscious of the fact that we have 3 minutes remaining. I will do this within the time available. I have a little question with regard to Clause 16 just for my own edification.

What have we done with regards to, on the top of the following page in Clause 16 with the proposed insertion of 'which shall ceased to have effect thereon, but'...? Do we, are these inserted or are these accepted or not? This is a proposal by the Bills Committee.

**MR SPEAKER**

Thank you. Mr Knight are you ...?

**HON BERNARD GEORGES**

16(2). After statutory instrument, 3 lines from the bottom. There's a proposal to insert 'which shall cease to have effect thereupon, but'...

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

Thank you for that. I think we would go back to 'and.' Because we had, the proposal. The original was "and any such Order shall be without prejudice to the validity of anything previously done." Thank you.

**MR SPEAKER**

Yes LGB.

**HON BERNARD GEORGES**

Very briefly Mr Chair. The last minute available. Subclause (3) of Clause 16. I have difficulty with it because I don't understand it and I apologise for that. Where a resolution is passed in respect under section 2. Which is an annulment, a quashing. Yeah, is that correct?

Ok, so when the Assembly quashes an S.I. which imposes a tax duty or fee or whatever, that has the effect on the quashing, what is revived? Is it the

*previous tax that is revived and if so, should we say so? Thank you.*

**MR SPEAKER**

*Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Yes, please. So, when you quash a law automatically it comes to an end. But what we are saying here, even though it is quashed. Until the S.I. is published in the Gazette it prolongs.*

**MR SPEAKER**

*Yes.*

**HON SEBASTIEN PILLAY**

*This is the issue that we have. When they send you a part about it will remain until the Order is published. We understand that part. That makes sense.*

*But you are talking about it revived. So, the question is, what is revived? We don't see what is revived. Are you saying that the previous impose is revised but that cannot be because the annulment kills the previous impost?*

*When you make a new S.I., kills the previous one, so it's no longer there. So, I think I want*

*to understand. I see your point. You don't want anything due to the Government to be paid to Government to be lost. Right? And you are trying to ensure that doesn't happen.*

*But are you conveying that clearly here? Or I'm not sure.*

*And then quick point, if you look at 90(b). 90 (b) of the Constitution, right? I'm wondering whether the Assembly can even move into a resolution that effect, because a fee is a debt to the Government, right? Unless I'm mistaken or there is another understanding of it.*

**MR SPEAKER**

*Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Mr Speaker, I understand where the Leader of the opposition is going with this. Any power that is delegated to any person or public authority to make any law. Be it a tax law, financial sector law. That law can be quashed by the Assembly.*

*What section 90 says is that you cannot deal with certain tax matter that are put before the House in a Bill. It doesn't deal with issues relating*

to subsidiary legislation. Thank you.

**HON SEBASTIEN PILLAY**

*You see Mr Chairman, I want to get this right so that we are sure about this.*

*You don't want to create a situation where we pass law. So, this is going to be my final word on this. A resolution comes by with of a Motion. If you read 90(b), unless I'm mistaken, it says proceed on to any Motion. In that context the Motion will be reducing the debt. So, this will be nulled unless again I'm saying I'm totally misunderstanding things.*

*If you read 19(b) of the Constitution you would get my gist.*

**MR SPEAKER**

*Yes, Mr Knights.*

**ASSISTANT PRINCIPAL STATE COUNSEL**

**MR STEFAN KNIGHTS**

*Mr Speaker, again article 90 if the Constitution deal with issues related to a Bill and any amendments to the Bill doesn't extend to statutory instruments.*

*So, I think it is clear that it deals with the imposition of taxes and financial matters.*

**MR SPEAKER**

*Ok, will settle it their Mr Knights. I think with that we've exhausted the proposal. LGB.*

**HON BERNARD GEORGES**

*No, we haven't Mr Chair, with all due respect, but I am conscious of your next appointment. Because I still have an issue with regards to subclause (3). Shall I do it now?*

**MR SPEAKER**

*Yes.*

**HON BERNARD GEORGES**

*Thank you. And that is - One of them is the word repealing in the last line. We don't repeal. We annul. So perhaps that's the- But what is the intent and this is what I can't understand. If it read "Where in pursuance of subsection (2) a resolution is passed annulling any statutory instrument which imposes a tax, duty, fee or similar impost, such existing tax, duty, fee or similar impost shall upon the passing of the resolution revive".*

*I would have understood that. It means if we quash an S.I. which imposes a tax, the previous tax prior to our quashing comes is revived. I understand that. And if that is the intention, then I think we can rework this.*

*Because if we then go on to say, until we publish an Order annulling or repealing, it simply revives for that little period of time between our quashing and the publication which is not, I don't think the intention.*

*So, we might need to rework that. And if the Assembly wishes to give us the mandate to do so, we'll be very happy to do it to reflect the intention of the Assembly so as not to prolong the debate. Thank you.*

**MR SPEAKER**

*That you. Mr Knights can we go with that proposal? This will be looked at. Thank you. Ok, with that we will move back to the Assembly.*

*With that, LGB ou pare pou anmenn Mosyon pou Third Reading of the Bill?*

Mon annan plezir prezant sa Prozedlwa *Agency for Social Protection (Amendment) Bill, 2021* pou reviz e amenn bann provizyon ki konsern kalifikasyon an relasyon avek lapwentman manm *Board* sa Lazans.

Dapre *Agency for Social Protection Act*, sa Lazans i ganny administre par en *Board* ki konpri 7 manm apwente par Prezidan Larepublik. E zot bann

kriter i ganny restrikte koumsa ;

1) En reprezant Minister ki responsab zafer sosyal.

2) En reprezantan Minister ki responsab Finans.

3) En Minister ki responsab Lanplwa. En reprezantan Lasanm Komers Sesel, *SCCI*. En reprezantan sorti kot Sosyete Sivil Sesel, ki devret ganny nominen par lofis lyezou pou bann Lorganizasyon Non-Gouvernmental, (*LUNGOS*.) De lezot manm ki ankor annan bon repitasyon ki Prezidan ava apwente.

Prezidan i apwent *chairperson* sa *Board* parmi sa 7 manm. An vi restriktirasyon dan servis piblik anonse resaman par Prezidan Larepublik, e ki pe ganny enplimante, sa Prozedlwa i annan pour bi e lobzektif reorganize *Board* Lazans Proteksyon Sosyal e son travay pou li vin pli efikas, efektiv e prodiktiv.

Mr Speaker, sa Prozedlwa pe reviz kriter pou permet ki bann endividi ki ganny swazir pou form parti sa *Board* i annan sa konesans e konpetans neser pou asire bon fonksyonman sa Lazans.

Mr Speaker, sa Prozedlwa i propoze ki bann ki form parti sa *Board* i devret en personnaz

Mr Speaker, an konsekans sa lamannman dan seksyon 6 (1), seksyon 3(a) ek (b) Lalwa Lazans Proteksyon Sosyal bann manm egzistan sa *Board* pou nepli kontinyen deservi zot fonksyon e zot manda pou terminen.

Sa i ava ganny fer an swivan prosedir ki'n ganny etabli anba Lalwa. I pou ganny swiv par lapwentman nouvo *Board*, ankor swivan prosedir anba Lalwa kouran ki pou permet zot komans deservi zot responsabilite.

Avek sa de mo, mon ti a kontan demann tou Manm sa Lasanble pou vot an faver sa Prozedlwa. Mersi Mr Speaker.

### **MR DEPUTY SPEAKER**

Mersi Minis pou ou prezantasyon. Donk aprezan lasal i ouver pou deba lo merit zeneral sa *Bill* e ziska aprezan mon annan zis Onorab Sathya Naidu ki'n endike pou li koze. Onorab Naidu.

### **HON SATHYA NAIDU**

Bonn ape midi Mr Speaker. Bonn apre midi Minis ek ou delegasyon. E en bon apre midi tou koleg Onorab e piblik an zeneral ki pe swiv sa sesyon.

Lamannman i enn ki tre senp, me sak lamannman ki nou fer pase dan sa Lasanble i vin avek en bi e sa se pou amelyor sityasyon aktyel. Ozordi nou pe sey amelyor sityasyon aktyel ki konsern *ASP*.

Annefe seksyon 8 *parent Act* lo *Agency for Social Protection* i fer mansyon bann fonksyon ki *Board* i devret kapab deservi;- sa se pou met bann *standards* an plas ki pou asire ki tou bann Polisi i azour e napa okenn labi lo lafason ki larzan Proteksyon Sosyal i ganny zere, kot nou'n vwar dan lepase ki'n arive.

E nou bezwen kestyonn kwa ki'n arive dan lepase ek sa *Board* ki ti la. Me mon swe se ki safwasi avek sa lamannman, nou pe vwar ki klerman nou pe met bann dimoun ki konpetan. Menm si zot sorti dan diferan Minister, zot bann dimoun ki konpetan.

E nou pa pou vwar bann ka kot dan lepase nou'n annan bann lagreman kot zot in donn bal dan simityer ek plizyer lezot. Ozordi pep Seselwa i le vwar en *Board* ki pou travay dan lentere

sa piblik, kot sak dimoun ki ava ganny en benefis i lo en baz kot i annan kriter spesifik ki ganny etabli. E mon oule dir ki mon pou siport sa lamannman. Mersi.

### **MR DEPUTY SPEAKER**

Mersi Onorab Naidu. E Onorab *Leader* Lopoziyon.

### **HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mr Speaker mon pou vin direk lo provizyon lamannman ki'n ganny propoze e ki'n vin devan Lasanble. Mon ti ava kontan ler zot pe koz merit e merit prensip zeneral sa *Bill*, ki Minis i eksplik nou rezondet sa *2 (b) as oppose* tou sa ki ti la avan.

In fer serten kkomanter. So petet pa rezondet, an konparezon met plito pou mon konpran sa enn ki la. *Ok?* I pou annan 7 Manm e sa bann dimoun sipoze *person of integrity* ki ti deza la avan dan Lalwa presedan.

I bann dimoun ki'n dir zot bezwen prosed klarifikasyon leksperyans dan Proteksyon Sosyal. Ler mon regard Lalwa presedan, Lalwa ti fer kler ki sa bann reprezantan i sorti dan sa Minister e ou ekspekte ki dan sa Minister son bann reprezantan i bann dimoun ki

annan klarifikasyon dan sa domenn.

Sa dimoun ki pou bezwen annan leksperyans dan *Social Affairs*, ladministrasyon piblik, lodit, me mon vwar osi lasyans politik.

E pou mwan, mwan sa ki mon oule se ki apwent en *Board* met en lot *Board*, sa ki mwan mon oule se ki asire ki lasistans ki dimoun i bezwen gannyen, zot kapab gannyen.

Sa i mon konsiderasyon prensipal. E mon pa ti ava kontan dan proses ki nou pran pou nou sanz oubyen apwent en *Board*, nou fer li pli difisil pou nou donn led sa dimoun ki pe bezwen. Se sa ki mon pe met devan la.

So si ou kapab eksplik mwan akoz en dimoun ki annan lekspertiz dan lasyans politik, ou pou annan 7 dimoun e ler mon get lakantite klarifikasyon ki i annan ou pou bezwen annan en dimoun ki posed klarifikasyon parfwa dan plis ki en domenn, ki pou bezwen met lo sa *Board*.

Me sa ki mon santi petet ti devret annan se ki sosyete sivil, i enn bann akter prensipal dan donn sipor, oubyen zot entervenir a en serten nivo dan bann sironstans kot dimoun, an zeneral pe rod en se soutyen oubyen pe rod en led.

Dan sa konteks mon pran *Red Cross* ki pou mwan *from* mon perspektiv pou mwan ler mon gete *Red Cross* i en i form par sosyete sivil.

Dan mon leksperyans ler Lalwa i eksplisitman ekrir ki sosyete sivil i bezwen prezan, i pli fasil pou sosyete sivil egzize ki i ganny reprezantasyon.

Parkont ler en Lalwa par eksplisitman dir ki sosyete sivil i bezwen ladan, mon pa pe dir Gouvernman ki pou fer, sa i fer i ki sosyete sivil i bezwen bataye pou li kapab ganny en reprezantasyon.

Mon santi petet nou pe perdi en lot loportinite pou nou *involve* en diskisyon pli larz, sirtou dan bann desizyon ki konsern lasistans, led ki dimoun i bezwen atraver restrikte partisipasyon sosyete sivil ekrir dan Lalwa, pou ganny reprezante dan lo sa *Board*.

Mon osi santi poudir lasyans politik i parfwa dekoul dan mon bezwen servi sa term dan lapros partizan, e ki parfwa i kapab anmenn ou pran konsiderasyon partizan *above* konsiderasyon bann kliyan ki pe rod soutyen avek *ASP*.

Mon konnen poudir mon lapros in enn ki petet en pti pe mon pa pou dir zot annan *tunnel vision* me en pti pe

*narrow* akoz mon'n *focus* lo dimoun ki pe rod lasistans.

Akoz *ASP* apre tou i pa zis *provide* lasistans. *ASP* i annan en rol pli larz ki bezwen zwe e se pou sa rezon ki mwan mon pe sey konpran sa restriktirasyon.

So Minis sey eksplik nou en pti pe pli an detay, sa lapros ki zot pe pran avek sa *current Board*, pou ki nou kapab pli apresye merit e prensip sa Prozedlwa sa proze lamannman ki devan nou ozordi. Mersi Mr Speaker.

### **MR DEPUTY SPEAKER**

Mersi *Leader* Lopoziyon. E parey mon'n dir mon pa'n vwar okenn dimoun ki'n ganny endike, akoz mon pou frenm sa deba alors. *Ok* la i annan de Manm. Mon ava donn laparol Onorab Naidu. E mon ti ava demann bann Manm annou pa zwe tranpe, akoz mon anvi annan en lide lekel ki oule koze pou nou kapab *manage* letan nou oule fini nou *Order Paper* ozordi. Onorab Zialor. Mersi.

### **HON NADDY ZIALOR**

Mersi Mr Deputy. Mon pa ti pou fer gran lentervansyon. Mon ti oule pas zis en komanter petet an menm tan demann serten en leklersisman.

Mon krwar sa ki enportan ozordi se ki mwan letan mon pe

regard sa lamannman i anliny avek vizyon nouvo Gouvernman ler nou'n pran lofis le 25 Oktob, se ki anmenn en nouvo fason fer dan bann desizyon ki ti pe pase sirtou an se ki konsern sa Departman.

E mon santi ki i ava en loportinite pou vreman donn sa nouvo perspektiv kot nou pe regard ASPkonman sa lazans ki pou enn, soutenir nou bann dimoun ki dan bezwen.

Me en keksoz ki enportan se ki depi ler nou annan en nouvo Gouvernman i dir ki nou bezwen donn lasistans lo merit, lo merit.

E mon panse sa i nide par deryer annan en nouvo *Board*, avek serten nouvo fason vwar keksoz e fer keksoz.

Minis avek ou permisyon petet si ou ti ava eklersi nou osi ki fonksyon sa *Board in terms of desizyon day-to-day in terms of laplikasyon?* Parske parfwa i annan dimoun i krwar se *Board* ki aprouv bann laplikasyon.

E par lenstans kot ou annan serten dimoun ki vwar li dan difikilte. Eski dan *Board of Appeal* pou ankor egziste? E ki relasyon pou annan ant *actual Board and the Board of Appeal?*

An menm tan mon ava profit sa lokazyon pou remerisi, tou bann dimoun ki'n deservi *Board ASP* dan lepase e mon

swete ki avek sa nouvo *Board* ki pe vini nou ava travay zot ava travay dan lentere Lepep Seselwa. Mersi.

### **MR DSPEAKER**

Mersi Onorab Zialor. E Onorab Woodcock.

### **HON WAVEL WOODCOCK**

Wi mersi Mr Speaker. Mr Speaker mon pou konmanse (bomaten) pou koz ...

### **MR DEPUTY SPEAKER**

Apres midi.

### **HON WAVEL WOODCOCK**

*Sorry*, apres midi pou koriz en *misapprehension*, akoz mon santi poudir en *statement* ki *Leader* Lopozisyon in fer i pa donn zistis pou bann dimoun ki'n etidye *political science*.

En dimoun ki'n *study political science*, i pa vedir en dimoun ki neserman en politisyen, ouswa i form par en parti politik ki pe fer bann aktivite politik partizan dan en parti politik.

I annan plizyer dimoun ki'n fer *political science* ki ozordi zot pe fer bann louvraz parey bann *public relation specialist*, *legislative assistant*, bann Polisi *analyst*,

En dimoun ki'n etidye *political science* i en dimoun ki

konpran bann diferan *political ideas*.

I annan en konprezon lo bann diferan lenstitisyon. Bann *processes*, konportman *behavior* lasosyete imen li menm. E konpran bann diferan kalite groupman ki form par en sosyete.

I konpran bann diferan *classes* ki manner i fonksyonnen *high income, middle, low income*. E konpran en pe Gouvernman son fonksyonman bann diferan Gouvernman e relevan ki zot bann lopinyon politik ;- si i sosyalis, si i kapitalis, si i dan milye e si liberal. E i osi en dimoun ki konpran *diplomacy* avek Lalwa.

So annou pa ase konfiz Lepep Seselwa deor, pou donn lenpresyon poudir par lefe ki dan sa lamannman ki pe ganny anmennen, ki enn bann kriter ki pe ganny mete pou en dimoun vin lo sa *Board*. I pa en dimoun ki'n *study political science* ki savedir Gouvernman i anvi anmenn politik dan *ASP*.

Akoz ler ou si ou pe get 2 *(b)* i kler ki i kler i annan en volim, i annan plizyer bann klarifikasyon bann kriter ki pe ganny mete, pou bann dimoun ki pou form parti sa *Board*.

Mon ava lir li, *(b)* "*the members appointed under*

*paragraph (a) shall be persons of integrity, possessing qualifications and experiences in social protection, social affairs, public administration, audit, political science, legal matters, finance, economics, statistics and business management.*"

Tousala i bann kriter ki bann kalifikasyon ki osi enportan. E ki mwan santi in *fact* i pou anmenn enparsyalite dan konponan sa nouvo *Board* ki Gouvernman ozordi i le etabli.

Akoz si ou pou konpar sa lamannman, konponan sa *Board* ki Gouvernman pe sey anmennen ozordi e pou konpar li avek sa *Board* avan, sa *Board* avan ti pli politize. Akoz sa *Board* avan ti annan 3 politisyen lo la.

Minis Finans ki i ti en politisyen, Minis *Social Affairs* ki osi en politisyen e osi Minis Lanplwa. Ti annan 3 politisyen lo *Board* avan.

E nou tou nou konnen ki manner keksoz ti marse avan. Tou bann desizyon lo lekel ki ti ganny asistans, se *obviously* se sa bann Minis ki ti donn permisyon lekel ki pou ganny lasistans.

E lanmenm ler kot nou ti vwar sa zafer "ek nou pa ek nou" dan kalite lasistans ki

bann dimoun ti pe gannyen. Lekel ki ti pou kalifye pou ganny lasistans, lekel ki pa ti pou ganny kalifye pou ganny lasistans.

E nou ti vwar osi ki mannyer *ASP* ti ganny servi konman en zouti politik, pou donn lasistans bann dimoun ki ti siport zot parti dan lepase ;- Parti *US*, *SPPF* ek bann lezot non ki zot annan ankor. Mon pa konnen si byento zot pou sanz li ankor en kou.

So i sa in lafason ki keksoz in ete avan ki, Gouvernman i le tir sa bann zafer politik. Ti annan tro bokou lenfliyans. E akoz sa bann lenfliyans e enterferans politik dan *ASP* dan lepase, ki nou'n vwar? Nou'n vwar plizyer labi. Nou'n vwar tro bokou labi.

Pa bokou letan pase *ok* mon pa lo la 'bal dan simityer' me selman in annan plizyer bann ka koripsyon ki ozordi i anba en lenvestigasyon par *ACCS*. Nou'n vwar *in fact* i annan bann *ongoing investigation* ki i piblik. Mon pa pou al lo la. Parey *Leader* Lopozisyon i dir, i *subjudice*. *Ok* nou pa pou tous lo la.

E nou'n annan dan lepase ki *obviously* ti annan *CEO* dan *ASP* ki apre in vin Minis. So ou konpran ki i annan bann Lagreman ki ti ganny negosye

dan lepase, ki apre in kree en bann sityasyon ki ozordi sa Gouvernman pe sey *deal* avek, pou tir en pe sa bann *irregularities* ki nou annan dan Lazans Proteksyon Sosyal.

E mwan mon santi poudir lafason ki sa lamannman in ganny fer, e avek sa bann kalifikasyon ki pe ganny demande, a kriter pou en dimoun vin en manm lo sa *Board*, i pou annan en plis enparsyalite.

I pou *in fact* tir politik parey ti egziste dan lepase. Kot ti annan bokou bann keksoz negativ ki ozordi in kree en *uproar*, en fristrasyon parmi piblik ozordi.

E mwan mon pe *in fact* felisit Gouvernman pou sa linisyativ pou sa lamannman ki pe anmennen, pou fer ki *ASP from now* i ava ganny i ava vin pli enparsyal.

E bann dimoun ki merit ganny asiste se sa bann dimoun ki bann dimoun ki merit ganny asiste se sanmenm sa bann dimoun ki pou benefisyé avek tou bann program anba *Agency for Social Protection*.

Avek sa de mo Mr Speaker, mon pou siport sa lamannman e mon dir ou mersi.

**MR DEPUTY SPEAKER**

Meri Onorab Woodcock. Mon ava donn laparol. Onorab *Leader* Lopozisyon ou pe ...?

**HON SEBASTIEN PILLAY**

Avek ou permisyon Mr Speaker si i posib pou mon fer n pti *personal explanation* pou klarifye en keksoz? Mon ti oule korize ki i pa mon lentansyon pou *mislead* okenn dimoun vizavi *political science*. E mon kestyon ti ver Minis, e mon pa'n fer li dan en fason *antagonistic* mon'n zis demann Minis pou eksplike. E mon'n fer serten pwen.

So petet si Onorab in mal konpran mwan, mon demann li leskiz pou sa. Me selman Onorab i osi Mr Speaker avek ou permisyon annou pa *mislead* dimoun. Akoz *the original Act* i pa ti Minis *Social Affairs* ki ti lo *Board*. Ti en reprezantan Minister;- en reprezantan sa Minister.

So petet annou fer sir nou pa mal enterpret parol zis pou nou pa sa. Mersi Mr Speaker.

**MR DEPUTY SPEAKER**

Ok mon krwar nou'n apresye ou komanter. Onorab Cosgrow.

**HON WALLACE COSGROW**

Mersi Mr Speaker. Mr Speaker anefe sa ki mon ti pe al koz lo la ti en pti pe dan laliny ki

Onorab *Leader* Lopozisyon in koz lo la.

Mon ti napa lentansyon fer okenn lentervansyon apre midi, akoz mon santi ki sa i en ti en lamannman ase *straight forward* ki pa ti merit gran, gran diskisyon, me i annan serten Manm la ki deside anmenn serten keksoz dan deba ozordi, ki pa neseserman ti devret antre dan deba ozordi.

**MR DEPUTY SPEAKER**

Onorab selman avan ou al pli lwen, ou pa sipoze deklar ou lentere dan sa deba ou?

**HON WALLACE COSGROW**

Non Mr Speaker mon napa lentere dan sa deba. Mon ti *CEO ASP* 6an pase. E sa ti parti mon lavi 6an pase. Mersi Mr Speaker. Mon krwar i annan okenn lentere.

*(Off-Mic)*

**HON WALLACE COSGROW**

(Ou kapab les mon koze silvouple)? Mr Speaker mon ti anvii koriz osi sa lerer ki Onorab Woodcock in fer dan son lentervansyon, kot in dir 3 politisyen Minis Finans, Minis *Social Affairs* avek Minis Lanplwa ti lo *Board*, ki pa vre. E ki dan Lalwa i kler ki dir en reprezantan Minister.

So i enportan ki le Onorab i fer serten deklarasyon devan Lasanble, sa zafer pe koul deor dan piblik dimoun pe ekoute. I enportan ki i koz laverite, e i dir keksoz parey i ete!

Dernyen Mr Speaker ki mon ti ava kontan dir se ki napa nanryen mal si en dimoun i sorti *CEO ASP* i vin Minis. I form par progresyon en dimoun.

Onorab si i santi i ti ava kontan vin Minis li osi fer sa progresyon i ava vin Minis. So se tou ki mon ti annan pou dir Mr Speaker! Mersi.

**(APPLAUSE)**

**MR DEPUTY SPEAKER**

Nou pou pas lo dernyen entervenman ki endike ki oule koze lo sa Prozedlwa, se Onorab *Leader Zafer Gouvernman* Onorab Georges.

**HON BERNARD GEORGES**

Mersi Mr Speaker. Bonn apre midi Mr Speaker. Bonn apre midi Minis avek ou delegasyon.

Mr Speaker mon parey tou bann dimoun ki'n koz avan mwan mon pa ti pou fer okenn lentervansyon apre midi, akoz parey in ganny dir sa set en lamannman ki konpletman *straight forward*.

e mon krwar i enportan poudir ki parey *Francais* i dir "*l'habit fait le moine*" si se sa dimoun se i pa enportan kote en dimoun i sorti. Oubyen ki i ete sa ki enportan se ki sa dimoun i pran son responsabilite aker. E i travay dan lentere sa lorganizasyon ki'n ganny apwente pou fer.

*Having said that*, i kler ki i annan serten atribisyon ki dimoun i annan, ki donn zot plis bagaz pou zot kapab deservi en fonksyon.

E ler nou regard fonksyon sa (*ASP*) - Lasosyasyon Servis Lazans pou Proteksyon Sosyal, nou vwar ki son *Board* i pou formil bann standar, bann mezir pou donn *supplementation*. I pou revwar *on a quarterly basis* donk 4 fwa par an sa bann standar.

E regard sa ki fek pase pou li regarde sa bann standar e ankor normal. E i pou al etabli bann mezir entern apropiye, pou revwar bann Polisi sa Lazans.

Donk se sa son rol. Son rol pa pou donn *X, Y or Z* larzan e pa donn *A, B C* okenn lasistans.

E sel keksoz ki pe ganny fer la apre midi, e napa okenn sekre se ki, sa Gouvernman sa ladministrasyon, i prefere pa *load* bann Lazans avek bann *civil servants* ki pe deza travay

dan servis sivil e ki i annan zot dyob *full time*. Pa neseserman

E nou'n vwar sa atraver bokou lamannman bann *Board* ki'n ganny fer, o komansman par sa enn ki mwan mon ti lo la, (*APDAR*).

Kot ankor enn fwa se en *Board* ki ti annan reprezantan en preski tou bann Minister lo la. Lide sa nouvo ladministrasyon se pou fer keksoz vin pli performan ;- met dimoun lo en *Board* pa par laverti, akoz zot travay dan Gouvernman, oubyen zot detenir en tit dan lasosyete, zot lo en *NGO* oubyen zot lo *SCCI or any thing like that*, non.

Se sey rod bann meyer dimoun ki annan atribisyon, pou kapab deservi sa fonksyon.

E si nou regard sa nou ti ava kapab dan sa lamannman, azout en seri lezot profesyon. Me nou bezwen aret en serten landrwa e nou ti'n kapab osi tir lanmwatye sa bann, i pa ti pou sanz naryen.

Akoz sel lespri ki sa Lalwa pe sey eksprimen, se ki nou pe al fer keksoz dan en diferan fason. Pa akoz nou anvi fer li dan en diferan fason, akoz in annan en sanzman Gouvernman. Me akoz sa ladministrasyon i krwar ki sa fason i ava pli byen anmenn lasistans avek bann dimoun ki

bezwen. E i ava kapab pli byen determin lo bann fonksyon ki sa Lazans i ganny demande pou fer.

*That's the end of it* Mr Speaker. Napa ni politik, napa ni *hidden agenda*, napa ni naryen ladan, se senpleman en diferan fason fer, par en diferan Gouvernman ki krwar lafason sa enn presedan pa ti *optimum*. E ki li i ava kapab fer keksoz dan en pli bon fason. *That's it long and short*.

Alor Mr Speaker mon krwar ki tou sa ki'n ganny dir lo sa Lalwa in ganny dir. Mon pa vwar i en gran difikilte dan bann keksoz ki pe ganny propoze.

Taler nou ava ganny en sans *fine-tune* sa Lalwa ler nou al dan *Committee Stage*. Mon krwar i en lamannman ki al dan bon direksyon, e mon garanti Minis ki i pou ganny nou sipor. Mersi bokou.

### **MR DEPUTY SPEAKER**

Mersi Onorab Georges. Mon sa ti dernyen entervenans dan deba. Anfet mwan mon ti pou la ozordi me in ariv en sanzman dan dernyen minit.

Anfet mon ti anvi entervenir lo sa *Bill*. Solman permet mon zis en pti keksoz kourt. Setadir *ASP* i *manage* ki nou'n fek vote pou zot, sa

lannen i 12poursan -  
12poursan total Bidze  
Nasyonal. Zot kapab mazine  
alor ki kantite larzan nou  
konman en Lasanble nou donn  
ASP pou *manage*.

Setadir depi son  
lorganizasyon li menm ki  
*manage by CEO* ki la avek nou,  
apre sa *Board* i bezwen annan  
en rol son fonksyon i kler dan  
Lalwa ki dir se ki zot sipoze "*run  
en efficient and effective  
management administration  
and payment of social  
assistance.*" Zot bezwen gard  
en lizye asire ki pei i ekonomiz  
sa pti resours ki nou annan.  
Me selman nou'n krwar listwar  
ASP.

E mon krwar nou konman  
en Lasanble mesaz ozordi ki  
nou bezwen dir, la ki nou pe  
aprouv lamannman pou apwent  
en nouvo *Board*, se ki *the way  
forward* i bezwen *strict dicipline*.  
*No other way around it! In fact*  
si nou regard byen mon pou  
donn zot 3 legzanp, lannen  
2011 ti en lannen eleksyon ti  
annan eleksyon prezidansyel  
avan, pli tar i ti vin Lasanble ki  
sa letan Lopozisyon pa ti  
partisipe.

Son lannen aven an 2010  
lakantite *welfare* ti ganny par  
ASP ti 4384. Son lannen answit  
i mont 6255.

*(Off-Mic)*

**MR DEPUTY SPEAKER**

Ki ou *point of order* Onorab ?

**HON SEBASTIEN PILLAY**

Mr Speaker, anba *Standing  
Orders order 8*, ou ki *as you  
stand in the Chair right now you  
are the adjudicator and the  
Chair of the Assembly*.

Ou'n dir poudir detrwa  
mo, mon'n reste trankil ou pe  
dir detrwa mo. *But you are  
contributing to the debate which  
contrary to order 8 of the  
Standing Orders, e contrary to  
the spirit of nou Standing  
Orders.*

**MR DEPUTY SPEAKER**

Wi. Mon apresye ou komanter  
ki ou pe fer.

*(Interruption)*

**HON SEBASTIEN PILLAY**

So mon ti pou napa okenn  
problenm Mr Speaker zis ou ti'n  
fer sa komanter *from the Chair*.

*(Interruption)*

**MR DEPUTY SPEAKER**

*From mon sez Mont Buxton. Me  
solman akoz ki parey mon'n dir  
nou Lasanble ki donn Bidze,  
and this is where mon ti ava*

akoz i en pwen ki personn pa'n leve.

**HON SEBASTIEN PILLAY**

*(Off-Mic)*

*I get your point.*

**MR DEPUTY SPEAKER**

Mon pe zis partaz sa avek zot konman koleg Manm Lasanble. E i en keksoz ki ozordi letan sa lamannman i ava pase, mesaz ki merit sorti kot Lasanble se ki i dezormen *the management and the Board* i bezwen egzers bokou plis disiplin avek larzan ki vin dan Bidze, aköz nou'n vwar poudir depi lentrodiksyon ASP an 2012 son Bidze i kontinyelman grosi.

So mon ava fini la, pou dir i bezwen absoliman egzers sa disiplin e fer sa ki Lalwa i egzize zot fer, e ki alor bann konsern ki toultan nou konman Lasanble nou demann ASP, i pa ganny repete lannen ale lannen vini pou montre sa *strict dicipline*.

Donk mon ava fini lo la. E nou ava envit Minis pou fer son *Right of Reply*.

**HON SEBASTIEN PILLAY**

Mr Speaker.

**MR DEPUTY SPEAKER**

Yes Onorab.

**HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mr Speaker dan lespri ki Speaker Mancienne ti donn son *Ruling* yer kot nou ti kapab *move from* en sityasyon ti'n arive dan Lasanble, mon pa'n enteronp ou, mon pa'n *interject*, mon pa'n *disrupt* ou aköz apre tou ou en Manm Lasanble osi. Me selman mon bezwen proteste ki ...

**MR DEPUTY SPEAKER**

Ki ou proteste?

**HON SEBASTIEN PILLAY**

Mon proteste ki *as long as you in the Chair* Mr Speaker mon ti ava apresye ki ou *reserve your right to contribute to a debate or to sway the House in any favour towards the debate, unless you are occupying* ou sez konman Onorab Gervais Henrie Manm Elekte Mont Buxton. *I put that on record* Mr Speaker *that's the end of the matter*.

*(Interruption)*

**MR DEPUTY SPEAKER**

Onorab Mon'n eksplik mon pozisyon, par lefe ki mon en Manm ki osi reprezant en distrik e si i kontinyelman annan labi finansyer dan resours Leta mon distrik, Mont Buxton i ganny afekte!

Le pwen ki mon ti pe fer avek zot tou ki la konman Manm Lasanble Nasyonal, ki vot Bidze, nou bezwen anvoy sa me saz kler avek *ASP poudir from this day forward en new Board* pou ganny *constitute*, annan sa disiplin ki Lalwa i demann zot pou fer pou *run an efficient management of ASP*. Onorab Georges mon vwar ou lanmen anler.

**HON BERNARD GEORGES**

Mersi Mr Speaker. Mr Speaker mon ti anvi zis fer Lasanble rapel ki anba *Order 97* nou *Standing Orders* nou kapab sispann nou *Standing Orders*.

Alor mon ti ava kontan pou reponn sa lenterzeksyon *Leader Lopoziyon*, *move* en Mosyon apre midi pou sispann *Standing Orders* pou permet ou *address the House from the Chair*.

Alor si ou anvi *after the event* pou koriz okenn ...

*(Interruption)*

**HON BERNARD GEORGES**

(Espere vot kont pa al rod labi) pou koriz okenn persepsyon ki Lopoziyon i annan ki ou pe abiz ou pouvwar, ki nou pa dakor e mon ti ava *move* Mr Speaker, ki sa Mosyon i ganny segonde, ki i ganny pase e ki ou

ganny permisyon koz lakantite ki ou anvi lo sa size ki ou vwar i enportan pou nou Lasanble e pou nou pei.

Onorab *Leader Lopoziyon* i krwar i en labi, labi i ariv ler i minorite i sey pran kontrol en mazorite. Se nou ki an lamazorite ozordi.

***(APPLAUSE)***

**MR DEPUTY SPEAKER**

Donk i annan en Mosyon ki'n ganny table, eski i annan okenn Manm ki segonn sa Mosyon? Onorab Roucou.

**HON MICHEL ROUCOU**

Bonn apre midi Mr Deputy Speaker. Mosyon i ganny segonde. Mersi.

**MR DEPUTY SPEAKER**

Mosyon i ganny segonde nou pran en vot lo la? Tou Manm ki an faver? *Ok* okenn Manm ki kont?

Donk Mosyon pou sispann *Standing Orders* se ki mon kapab dir de mo isi anler dan sez Speaker i annan 20 Manm ki'n vot an faver e 9 Manm ki'n vot kont. Donk sa Mosyon i pase.

***(APPLAUSE)***

**HON GERVAIS HENRIE**

Mon tann Lopoziyon pe dir en labi. Ou vwar nou konman Manm Lasanble nou bezwen pran nou rol serye. E zot konnen poudir Lalwa ASP Lartik 28 i obliz ASP furni en rapor anyel, avek Lasanble Nasyonal toulezan lo son aktivite.

Bann ki'n dan Lasanble en pe pli lontan, depi 2012 son Lalwa in pase, konbyen fwa zot in deza vwar rapor anyel ASP dan Lasanble Nasyonal

Lasanble Nasyonal mwan mon'n en Manm depi 2007 mon'n dan katriyenm, mon'n dan sizyenm, la mon dan setyenm mon ava admet premye. Mon'n *fail* mon osi dan mon responsabilite e mon pran sa responsabilite. Akoz selman yer ler mon pe lir *about ASP* ki mon vwar sa *Clause*.

Akoz souvandfwa nou vin dan Lasanble nou pa *privy* tou bann Lalwa ki'n pase avan nou letan. E alor i kapab annan bann *lapse* dan nou *oversight role*.

E se sa alor ki konman en koleg Lasanble, mon ti anvi partaz serten sa bann lenformasyon avek zot, ki dezormen *from this day forward* pou lanmour Sesel nou regard en pe plis dan nou travay.

E ki alor nou anmenn lazistis akoz sa larzan

12poursan pou dan Bidze sa lannen, i larzan otreman nou bann *constituents* ki nou, nou reprezante isi la anndan ti kapab ganny en kantite servis avek programm Gouvernman.

Donk mon pa pou abiz tro letan me mon ava fini lo la. Sa rapor anyel nou bezwen dir ou bezwen anmennen.

Menm i dir ek li poudir ou bezwen fer mentenir *proper account*. Alors en zour mon kapab zot depi ziska 2015 apepre. ASP ti annan en *website*. E lo sa *website* tou le mwan zot ti prosedir *statistical report*.

Kot si nou, nou ti konman Manm Lasanble nou ti pou kapab vwar tou lemwan konbyen dimoun dan nou distrik ki pe ganny larzan dan sak bann kategori ki Lalwa i prevwar pou li donn larzan.

Nou ti kapab swiv fer nou travay *oversight*. Depi 2015 *website* in disparet e ozordi nou dan fernwanr lo ki aktivite ki ASP pe fer.

So mwan mon pwen ki mon ti oule zis fer, se ki nou pe dir avek sa nouvo *Board* ki pe vini *from this day forward être* en pe pli disiplin dan son fason ki i travay pou kapab konserv sa pti gin resours finansyel ki pei i annan e ki nou pa vwar sak fwa letan par

egzanp eleksyon i vini nou'n vwar i annan bann gran logmantasyon dan lakantite larzan ki *ASP* i depanse.

Mon'n donn zot legzanp 2011 lakantite aplikan ki ti mont en sel kou. An 2016 par egzanp son Bidze i mont 57poursan par lao sa ki ti'n ganny *budgeted*.

E an 2020 lannen pase i mont par 22poursan konpare avek sa ki ti ganny *budgeted*. Nou, nou bezwen alor konman Manm Lasanble. Mon repete, mon termin la egzize avek *management* ki nivo akoz *CEO* i ase nouvo avek *Board* ki pou ganny dezormen apwente poudir nou pou kit en lizye lo zot.

Akoz 12poursan Bidze Nasyonal, mon pa ti pou bezwen alor organiz lotri dan Mont Buxton pou *raise* larzan pou aste *bus stop*, nou ti ava'n ganny larzan dan Bidze akoz i pe annan labi dan serten seksyon Bidze.

Donk mon ava termin lo la. Mon ava envit Minis pou fer son *Right of Reply*. Mersi. Ki ou *matter of privilege* Onorab?

### **HON SEBASTIEN PILLAY**

Mersi Mr Speaker. Mr Speaker mon *matter of privilege* anba *order 40* i tre senp, premyerman okenn Mosyon ki pas devan

Lasanble i bezwen swiv en deba, e mon bezwen dir ou Mr Speaker, ki apre midi ou aksyon ek aksyon Onorab Georges in *set back to* Onorab Speaker Roger Mancienne in *achieve* yer.

Ou'n *set* Lasanble *back* e pou mwan sa i dezapwentan. Dezapwentan ou'n anpes Manm koz lo en Mosyon, ou'n *allow* en Mosyon ki en labi *of the Standing Orders*, kan se ou anba nou *Standing Orders* ki sipoze protez sa Lasanble.

Malerezman mon napa mazorite pou mon dir ki pou fer dan Lasanble Mr Speaker, me selman pou mon sa i regretab e dezapwentan.

Pou vwar en koleg ki mon annan gran respe pou li *move* en kalite Mosyon koumsa, e ou en Parlmanter sitan avek bokou leksperyans, ki sipoze annan respe pou la demokrasi pa respekte nou *Standing Orders*. Mersi Mr Speaker.

### **MR DEPUTY SPEAKER**

Mersi pou ou bann komanter Onorab. Nou apresye i al lo rikord Lasanble. Me mon an menm tan krwar poudir bokou dimoun ki pa pe ganny servis Gouvernman avek lavites ki zot ti ava kontan, in osi apresye ki Lasanble in dir avek *ASP* dezormen zot pou bezwen pli

byen *manage* sa larzan ki *taxpayers* Seselwa i met a zot dispozisyon. Mon vwar dimoun i apresye sa osi.

**(APPLAUSE)**

**MR DEPUTY SPEAKER**

Onorab Georges.

**HON BERNARD GEORGES**

Mr Speaker, mon pran laparol avek ou permisyon pou mon reponn *Leader* Lopozisyon. Mon pa pe ni *raise* ni en *matter of privilege* ni en *point of order*. Mon pe servi mon privilez konman en Manm Lasanble pou mwan reponn en alegasyon ki'n ganny fer kont mwan.

Mr Speaker annou pa bliy de keksoz. Ou plito en keksoz e mon pou donn de legzanp. Onorab *Leader* Lopozisyon in bliy en keksoz. In bliye ki dan sa Lasanble se pa zis Lalwa ek *Standing Orders* ki aplike, me se osi pratik Lasanble,

E i konn tre byen ki ler i annan en *motion to suspend Standing Order*, pratik sa Lasanble se pa pou annan deba lo sa Mosyon, ler nou demann *suspending Standing Orders* pou nou fer en *Second Reading or whatever* napa zanmen en deba lo la. I pas san deba. So sa i e pratik Lasanble.

Dezyenm pratik Lasanble (mon'n promet de legzanp) dezyenm pratik Lasanble, se i pratik ler en Speaker i en Manm Elekte dan en distrik, e i asiz lo sez e sa pratik in ganny konmanse par Speaker Pillay, i ganny drwa koz detrwa mo *from the Chair* lo son distrik.

Alor Onorab ava aksepté ki pratik Lasanble i permet sa ki'n ganny fer apre midi. Mersi bokou.

**MR DEPUTY SPEAKER**

Mersi Onorab.

**(APPLAUSE)**

**MR DEPUTY SPEAKER**

Donk nou ava envit Minis Francourt pou fer son *Right of Reply*.

**MINISTER PATRICIA FRANCOURT**

Mersi Deputy Speaker. Mersi tou bann Onorab pou zot kontribisyon ki zot in fer lo sa Prozedlwa. Parey zot in dir i en *straight forward*, Prozedlwa ki eksplike li menm ki vedir.

E mon'n *take onboard* tou sa ki zot in dir prenon kont ki ASP i annan en poursantaz en Bidze 12porsan Bidze Nasyonal e nou annan en obligasyon pou nou fer sir poudir sa Bidze i

byen ganny zere e i fonksyonnen *comme* fodre.

Akoz ki nou bezwen en *very good Board*, nou bezwen en *Board* ki balanse, nou bezwen en tim ki balanse, nou bezwen tim ki annan diferan *skills*, e bann *skills set* an deor la i annan en kantite

Me selman ki nou'n vwar dan lefase, menm, menm dimoun ki retrouv lo menm *Board*. E dimoun deor la ki kapab fer en kantite keksoz annan de fwa pa ganny sa loportinite. Nou bezwen en *Board* ki vreman *strong*, ki annan en kiltir ki devlop travay byen ansanm, byen for.

E letan zot pe travay byen ansanm koumsa avek sa *mandate* ki zot annan *to accomplish*, zot kapab fer bann desizyon efektiv pou sa lorganizasyon, pou sa *agency*.

Bann *Board Members* i bezwen ofe avek bann responsabilite ki zot annan e ki mannyer zot desarz sa bann responsabilite. E sirtou nou konnen poudir eski son misyon i pou siporte siport vilnerab e sa bann dimoun ki nou'n met la dan sa lalis *is a list of* i pa en *set in stone* sa.

I zis donn nou en lendikasyon ki mannyer nou kapab ale dan sa lalis bokou pli gran.

Par egzanp ler mon pe ekout zot la mon mazine a petet nou bezwen en dimoun dan *ICT*, ki kapab konpran sa sistenm *ICT* ki mannyer i marse.

E plis ou mazine ou vwar plizyer dimoun e kriter ki kapab antre dan sa *Board*. E i annan en kantite dimoun an deor. *ASP* i bezwen *fresh blood* i bezwen *fresh thinking* e konnen poudir son *mandate* i vreman serye pou pei, e al dan sa laliny ki i devret pou li kapab *achieve* son bann lobzektif.

I pou annan dimoun petet ki nou swazir lo sa *Board* ki annan bann *civil society experiences and skills*. Nou'n vwar sa i *across the Board*.

So i pa vedir aköz ou dan *LUNGOS*, *ACCI*, sa i zis en kriter. Sa bann kriter i *across over* sa, i annan bann *parallel* dan endividi ki annan sa bann kalite *skills, abilities* parey.

*Again* i pa vedir poudir nou pe rod afilyasyon politik sa pa pou arive dan sa nouvo ladministrasyon. Nou pa *believe* ladan. Nou pe rod dimoun ki kapab e ki drwat e ki transparan e ki fer keksoz byen e zot kapab delivre. Sa Gouvernman pa *believe* dan okenn apartenans politik.

E mon mazine poudir nou bezwen konpran *with a*

*political science background*, pou konpran dimansyon pei e ki bann *landscape* ki mannyer i ete.

Nou bezwen bann nouvo manm parey nou dir an *Anglais they have balls to speak up*, letan zot vwar keksoz pa byen. Zot bezwen kapab dir poudir nou remarke poudir sa i pa byen e i bezwen *challenge* i bezwen kestyonnen e nou bezwen get byen ladan.

*We need a strong Board.* Nou annan en gran revi ki pe vin devan nou, avek *World Bank* ki nou'n vin koz lo la *before* e nou bezwen en *Board* ki konpran ki bor sa direksyon pe ale avek sa *reforms* ki *World Bank* ki'n met devan nou.

I annan en kantite dimoun pou koz avek *ordinary people* ki annan sa lespri e konpran sa vreman byen. Dimoun ki ganny selekte i bezwen konpran son responsabilite vreman byen. Responsabilite sa bann dimoun lo *Board* i bezwen *oversee management*.

I bezwen konpran bann lekspertiz finans. I bezwen annan li en *strategy* direksyon. I bezwen konpran *compliances* e *have oversight* lo sa ki pe pase.

Nou vwar en kantite sanzman deza in arive dan *ASP* avek en nouvo *CEO* ki'n antre e in fer en gran diferans dan en

pti kourt letan. E la nou vwar *ASP* i pe *follow* son *mandate* e i pe travay *comme* fodre an servan son bann regilasyon avek son bann Lalwa ki annan.

Zis pou dir nou annan nou *ASP Review Panel* Onorab Zialor ti'n demande. E sa zot *mandate* pe al fini e nou pe al dan *process of* regard nouvo dimoun ankor ki enterese pou antre ladan.

Petet pou mon osi zis terminen akoz sa i *straight forward* sa zis nou pe dir larg nou lanmen, so nou kapab avans en pti pe plis *away from* sa restriksyon sa, sa, sa;- larg nou lanmen so nou kapab ale e tap dan *market out there* ki annan.

Me selman osi ki mon pou dir sa *Board* i bezwen en *Board* ki annan *passion*. I bezwen annan komitman. E i bezwen pare pou li fer en diferans. An prenon kont ki nou konnen ki'n pase kot *ASP*, nou pa kapab les *history repeat itself again*, nou bezwen fer keksoz byen drwat.

E mon mazinez popilasyon Sesel sanmenm sa ki zot pe espekte *from ASP* konman en Lazans fer keksoz byen transparans e fer li drwat *comme* fodre.

Mon ava regarde si mon'n kouver *as much* ki mon kapab, zis petet pou mon terminen

mon kapab dir sa Lazans Proteksyon Sosyal i kapab son fonksyonman i bezwen avek bann bon gouvènanans. Nou koz bokou lo la. Rann kont e latransparans i nesese ki i annan en *Board* konpetan e efektiv.

I kapab donn bann bon desizyon. E nou garanti zot poudir avek nou tim ki nou'n annan la *led by* en *CEO* ki vremen *strong*, zot konnen zot tou, *somehow or another* zot in pran kontak, avek nou *agency* e zot vwar ki mannyer nou pe travay dan en pti gin letan ki diferans nou'n fer.

I annan en *Board* pou *compliment* sa ki pe arive, mon krwar *we are on the way to success*. *After all* i larzan *tax payers* nou bezwen fer sir ki i dan en bon lanmen i ganny servi byen osi. Alor i enportan ki sa *Board* i annan *expertise* e konpetans nesese, pou byen *manage* sa Lazans.

E avek sa Depite Speaker, mon pa krwar mon bezwen dir bokou, akoz parey nou dir sa i *go straight forward*. Lo sa not mon demann Lasanble pou aprouv merit sa Prozedlwa. Mersi.

#### **MR DEPUTY SPEAKER**

Mersi Minis pou ou *Right of Reply*. E aprezan donk nou ava

pran en vot lo merit zeneral *Bill*, tou Manm ki an faver, okenn Manm ki kont?

Donk vot lo merit zeneral pou Prozedlwa *Agency for Social Protection (Amendment) Bill, 2021*, 20 Manm in vot an faver, okenn Manm pa'n vot kont e i annan 9 abstansyon. Donk sa Prozedlwa in pase devan Lasanble Nasyonal.

Mon pe get ler nou pou si nou pou al dan Komite, wi avan nou fer sa nou ava fer en *Formal Second Reading of the Bill*, Madanm Clerk.

#### **MADAM CLERK**

Mersi Mr Speaker. *A Bill for an Act to amend the Agency for Social Protection Act, 2011*. Mersi Mr Speaker.

#### **MR DEPUTY SPEAKER**

Ok mersi Madanm Clerk. Avan mon ti pe sey endik avek *Chairman Bills Committee* ki i annan en pe lamannman ki nou pou konsidere lo la? Ou pa *mind* koz ek mon zis pou rikord Lasanble Nasyonal.

#### **HON CLIFFORD ANDRE**

Mr Speaker nou pe sey partaz en pe leksperyans. Mon ava les Onorab Naidu pran kontrol sa bout apre midi.

#### **MR DEPUTY SPEAKER**

Ok sa ki mon ti pe demann ou se ki dirasyon ki ou krwar konmsi pou nou gete si nou pran *break* swa si nou kapab pous en pti gin.

**HON CLIFFORD ANDRE**

I pou vreman kourt sanmenm sa ki ...

**MR DEPUTY SPEAKER**

So i pou vreman kourt. Lasanble i ava dakor ek mon ki nou *we proceed with the amendment*, apre nou ava regarde ki mannyer nou ale? *Ok very good*. Donk nou ava demann *Sergeant* pou bouz *Mace* pou nou al dan Staz Komite. Donk nou ava envit Onorab Naidu pou pran laparol.

**HON SATHYA NAIDU**

Mersi Mr Speaker. *Bills Committee* in pas lo sa *Bill* e nou'n satisfè napa okenn lamannman ki pe ganny propoze.

**MR DEPUTY SPEAKER**

*No amendments at all?* Ok Onorab LGB.

**HON BERNARD GEORGES**

Mersi Mr Chair. Mr Chair mwan mon annan detrwa lamannman pou propoze. Nou pa'n ganny mon pa'n ganny letan diskrit sa avek *Bills*

*Committee* letan donnen ki sa in vin en pti pe vitman. Mon ti ava kontan propoz detrwa lamannman plito tipografi oubyen gramatik, napa lamannman sibstansyel.

**MR DEPUTY SPEAKER**

*Ok go ahead.*

**HON BERNARD GEORGES**

Premyerman dan *Clause 2 (1) 2* ki pe amann seksyon 6, dan dezyenm laliny mon krwar "*experiences*" nou kapab met li dan sengilye. "*Qualification and experience.*"

E mon ti ava swete ki lo katriyenm laliny sa mo "*and*" i ganny ranplase par "*or*" *in fact* "*statistics, comma or ...*" Pou la senp rezon ki "*and*" i kapab ganny *misconstrued* poudir ki en dimoun i bezwen annan tou sa bann leksperyans dan tou sa bann keksoz *instead of one or the other*.

Epi dan *Clause 3*, mon ti ava propoze nou retir dan dezyenm laliny sa *comma* apre 2011, aköz mon krwar ki son *subordinate Clause* i konmans avek "*established*" e i fini avek *Act* dan trwazyenm laliny. Donk set en '*comma*' ki nou kapab perdi.

Dan dernyen laliny sa menm *Clause 3(a)*, "*shall vacate the office,*" mon ti ava prefere

“*shall vacate their office,*” akòz nou’n servi menm formil dan (b) akòz i spesifik.

Dan *Clause 3 (b)*, mon annan de en propozisyon dan dezyenm laliny “*termination of term*” mon ti ava propoze nou met “*termination of the term of their office.*”

Epi mon annan en kestyon pou *panel* e i en keksoz ki i plito pou Lasanble.

**MR DEPUTY SPEAKER**

Zis avan ou pou akòz ou’n fini avek bann lamannman.

**HON BERNARD GEORGES**

I annan enn ankòr me mon pou fer li a lafen. Mersi.

**MR DEPUTY SPEAKER**

Ok selman mon ti anvì zis konnen si *panel* i agree avek bann sa bann ptipti lamannman ki’n ganny propoze?

**LEGAL DRAFTSPERSON**

**JULIA JEAN**

Nou napa okenn lobzeksyon.

**MR DEPUTY SPEAKER**

Ok mersi. *Proceed LGB.*

**HON BERNARD GEORGES**

Mersi Mr Speaker. Mersi Mrs Jean. Dan *Clause 3 (b)* dan premye laliny “*shall not be*

*entitled to claim*” obviously sa ki lentansyon se ki bann *outgoing Board Members* pa pou kapab *claim* okenn konpansasyon.

Me mon konnen mon kestyon pou Mrs Jean, eski nou’n servi sa term “*entitled to claim*” oparavan dan bann lezot Lezislasyon? Akòz sel keksoz ki dir ou, ou napa drwa *claim*. Me i pa dir ou napa drwa ou napa en drwa pou ou resevwar sa konpansasyon. Sa ki nou, nou anvì fer sa ki nou anvì fer kler se ki *you not entitled to the compensation, not to claim for it.*

Alor mon pe propoze, (anfen mon pe propoze) mon pe demande akòz mon pa siny e eski “*entitled to claim*” si nou’n servi li oparavan *I am happy to keep it.* Oubyen eski nou devret sanz “*shall not be entitled to claim*” e met “*shall not be due any compensation*” pou fer li kler ki “*whether or not to claim*” ou napa drwa resevwar en konpansasyon. Mersi. Apre mon dir *I will be guided by the draftsman.*

**MR DEPUTY SPEAKER**

Mrs Jean.

**LEGAL DRAFTSPERSON**

**JULIA JEAN**

Mersi pou ou kestyon. Sa *wording* in ganny servi

oparavan dan tou lezot lamannman ki vini ki nou met sa provizyon e in osi ganny servi. Yes.

**MR DEPUTY SPEAKER**

Wi *Chairman Bills Committee* pou okouran sa aköz lezot lamannman kot nou pe *do away with the Board* i ti menm *wording, right?* Ok so LGB.

**HON BERNARD GEORGES**

Mersi Mr Chair. E dernyen propozisyon se *Clause 3 as a whole*. Mon vwar ki *Clause 3* pe fer de keksoz. Premyerman i pe dir bann manm anba *3 (a) will cease to be members upon the passing of this Act, e number 2* zot pa pou kapab zot pa pou *entitled*.

Me manner i ete *paragraph (b)* i konmans avek *such members*. E lafason ki sa *Clause* in ganny drafte ankor enn fwa kekfw sete en *drafting technique* me i pa swiv son *chapeau*;- *chapeau* i fer, i dir “*on the commencement of this Act*”, e si ou lir *(b)* i pa pou swiv.

I pou dir “*on the commencement of this Act such members shall not be entitled*”. Nou pa pou konnen *who are this such members* ziska ler ou lir *(a)*.

E mon pe demann mon si anefe *the chapeau* pa devret lir “*on the commencement of this Act the members of the Board* eksetera ziska “*commencement of this act.*” Apre *(a)* “*shall ceased to be members*” e *(b)* i ava vin “*shall not be entitled to claim.*” Ou konpran? So tou le de i swiv *from the chapeau*. Nou pa pe sanz nanryen apard *the structure of the Clause*. Mersi.

**MR DEPUTY SPEAKER**

Madanm Jean?

**LEGAL DRAFTSPERSON**  
**JULIA JEAN**

Mersi Mr Chair parey mon’n dir sa seksyon li menm i menm *wording* ki nou servi pou tou lezot. So mon mazine si avan in *ok then it should not be a problem*.

**MR DEPUTY SPEAKER**

LGB.

**HON BERNARD GEORGES**

Mon *happy* avek sa Mr Chair si en teknik *drafting*. Se zot ki *expert and I go along with it*. Mersi bokou. Se tou ki mon ti annan propozisyon.

**MR DEPUTY SPEAKER**

Mersi. Pou soumisyon. Eski i annan okenn lezot Manm ki

annan okenn pwen kontansyon lo bann *Clause*.

Donk mon pa vwar okenn lendikasyon savedir nou ava pran en vot lo sa bann *is it necessary* pou nou pran en vot lo bann pti lamannman? Non pa neserer. *Ok* donk nou ava *reconvene into the* dan Lasanble. Mersi Serzan e mon ava envit *LGB* pou *move* Mosyon pou *Third Reading of the Bill*.

### **HON BERNARD GEORGES**

Mersi Mr Speaker. Mr Speaker anba *Order 76 (1)* mon *move* ki *the agency for Social Protection (Amendment) Bill, 2021 as amended*, i ganny lir en Trwazyenm Fwa mersi.

### **MR DEPUTY SPEAKER**

E sa ki segonde? Onorab Esparon.

### **HON REGINA ESPARON**

Mr Speaker Mosyon in ganny segonde.

### **MR DEPUTY SPEAKER**

Mersi Onorab. Mon ava envit Madanm Clerk pou fer *Third Reading*. Nou wi savedir nou ava pran en vot avan lo *Bill as amended* tou Manm ki an faver? Okenn Manm ki kont? Donk vot lo *Formal Third Reading* lo sa *Bill Social Agency for Social Protection*

*(Amendment) Bill, 2021* i annan 21 Manm ki an faver, napa personn ki kont, e i annan 9 ki'n abstenir. Donk sa vot i pase. Prezan nou ava envit Madanm Clerk pou fer en *Third Reading*.

### **MADAM CLERK**

*This Act may be cited as the Agency for Social Protection (Amendment) Act, 2021*. Mersi Mr Speaker.

### **MR DEPUTY SPEAKER**

Mersi Madanm Clerk. Donk sa in konklir nou travay ozordi lo sa Prozedlwa. Nou ava remerisi *panel* ki'n avek nou ozordi apre midi e nou ava eskiz zot parmi nou e swet zot tou de bon dan sa latas enorm me enportan, ki annan devan zot. Mersi pou vini.

### **(MINISTER FRANCOURT AND HER DELEGATION WAS EXCUSED FROM THE HOUSE)**

### **MR DEPUTY SPEAKER**

Donk parey Mr Speaker ti'n endik avek Lasanble avan *break* ouswa dan *ABC*, bann *leaders* zot okouran sa, i son lentansyon pou fini nou *Order Paper* ozordi e sirtou pou fini avek sa *issue Terms of Reference* pou Komite *IAC*.

Savedir nou ava *adjourn* nou ava pran en *break* e nou ava retournen 4er e koumsa nou ava kapab fini avek travay pou ozordi.

**(BREAK)**

**MR SPEAKER**

Bonn apre midi bann Manm. Nou pou retourn lo *Terms of Reference IAC Committee*. Nou annan de Manm ki ti'n lev lanmen pou pran laparol. Mon pou donn zot laparol apre *Chairman* ki'n prezant *Terms of Reference* i ava fer son *summing-up* e apre Lasanble ava vot lo *Terms of Reference*.

Si Lasanble i aksepte sa *Terms of Reference* i pase, si pa aksepte la i ava retourn dan Komite pou zot re vizite. Mon ava konmans avek Onorab Henrie.

**HON GERVAIS HENRIE**

Mersi Mr Speaker. Mr Speaker mon reprezantasyon i mon oule adres size ki serten Manm in leve ouswa konsern ki zot in leve apropro sa zafer *Policy* par egzantp dan premye *Clause 1* Komite ki dir le i pou *review* e *assess the Foreign Affairs the Foreign and Tourism Policies and Strategy of the Republic of Seychelles*.

Mon oule adres sa parske en Komite ki mon ti *Chair* Komite Medya, Lazenés avek Kiltir, dan sizyenm Lasanble ti enn sa bann premye Komite ki ti sanz son Term Referans travay pou enkli size Polisi koman enn son bann Referans Travay.

Nou ti fer sa aköz nou santi poudir ki dan definisyon *oversight*, se ki Lasanble Nasyonan i annan en *oversight* lo aksyon Gouvernman. Aksyon i vedir son bann Lalwa ki pase. I vedir Bidze ki i ganyen pou li depanse. I vedir son bann regilasyon ki met an plas atraver *S.I.* me osi i vedir bann *Policies* ki i met an mars.

E malgre Egzekitiv en lot brans Gouvernman nou, nou t santi poudir souvandfwa par egzantp Bidze ki nou konman Lasanble nou donner, se pou aksyonn lo sa bann *Policies*.

So dan bann enteraksyon ki nou ti annan konman Komite avek bann *MDAs*, se pou koz lo sa bann *Policies* e vwar ki mannyer vreman zot pe *achieve* bann target ki zot dir nou par egzantp dan deliberasyon Bidze. Sa i enn.

Dezyenmman nou konnen pou dir nou annan en rol reprezantasyon. E nou prezant dimoun ki elekte nou, bann *constituent* dan kominote.

E bann *Policies* bann *MDAs* pakte lo dimoun ki nou, nou reprezante.

Donk nou bezwen annan sa *oversight* lo la. E pou *advise*, *lobby* ki zot *review* ouswa entrodwir nouvo Polisi. E enn fwa ki eleksyon i fini mon vwar poudir Lasanble avek konman brans Egzekitiv e brans Lezislatif e brans Egzekitiv Gouvernman, *Cabinet* e Lasanble, i travay dezormen pou pei.

Nou tou nou annan en sa de brans Gouvernman i annan en *common purpose* pou amelyorasyon lavi nou sitwayen. Alor nou bezwen pe regard bann zafer *Policies*. I pa en enterferans dan en lot brans Gouvernman. Me ki mannyer nou ed kanmarad pou nou bouz de lavans konman en pei e en Nasyon.

Se sa alors ki nou, nou ti met sa zafer *Policies* dan nou *Terms of Reference*, e ki mon apresye *why* en lot Komite in mete. E pou nou la anndan, nou bezwen get keksoz poudir kot mon anvi nou pei i ale.

Si nou pe koz lo nou pe pran en model governans ki tou le de kote latab i tonm lo la latransparans, rann kont, bonn governans, e sa i bann size Polisi pou determinen *whether* konman en pei, nou pe *achieve*

*transparency*, *accountability* and *good governance*.

Zis Lalwa tousel i pa ase. E alors san ki nou pe dir nou pa pe mary kanmarad zanbek, ouswa nou pe enterfer, mon krwar nou bezwen get nou *purpose*, kote ki brans Lezislatif e Egzekitiv i zwenn ansanm en landrwa, e ki bor ki nou kapab travay ansanm pou amelyor sityasyon sitwayen e pei.

Donk mon ti zis anvi partaz sa avek zot. E anmezir ki nou kontiny sa konversasyon konman en setyenm Lasanble ki le redefini rol Lasanble Nasyonal dan nou demokrasi sirtou, sirtou letan eleksyon in fini gannyen e nou rol se zis Manm Lasanble Nasyonal;- pa pou en parti politik, pa pou en group spesifik me pou pei, e son popilasyon regard Polisi annan en *oversight* lo aksyon Gouvernman i enportan pou nou.

So annou kontinyen sa konversasyon e annou kontinyen reflesi e get li dan en lobzektif ki mannyer nou kapab amelyor nou rol. Sa ki mon ti le partaz avek bann Manm Lasanble Mr Speaker.

### **MR SPEAKER**

Mersi Onorab. Onorab Georges.

**HON BERNARD GEORGES**

Mersi Mr Speaker. Mr Speaker nou annan devan nou en *Terms of Reference* pou (IAC) *International Affairs Committee*, Komite Zafer Etranzer dan Lasanble Nasyonal. Pou nou ki nou ganny demande pou nou revwar e si nou dakor aprouve.

Sa se prosedir normal ler *Terms of Reference* en Komite Lasanble, i swa ganny etabli pou premye fwa oubyen i ganny amande ler in fini ganny etabli e an fonksyon bann devlopman ki kapab arive dan lavi sa Komite.

Ozordi se en seri lamannman ki devan nou. E prosedir in ganny byen swiv i vin devan Lasanble e se sa Lasanble ki pou debat lo sa *Terms of Reference*. Akoz in vin konman en Mosyon ki pou adopte li, oubyen ki pou rezet li, oubyen ki pou modifiye li. Akoz se isi dan sa *Chamber* ki sa keksoz i ganny fer.

Me sa ki nou'n vwar se ki Lopozisyon depi bomaten, e nou bezwen fer sa byen kler pou bann dimoun deor ki pe swiv, in adopte zot en stratezi pa dakor avek okenn keksoz ki sa Lasanble pe koz lo la ozordi.

Annefe zot pa'n vot lo okenn keksoz depi bomaten. Ki pa ditou dan zot natir. I annan serten keksoz ki pa ti annan

okenn kontrovers e *still* decide pa vot lo la.

Sa se zot stratezi si zot anvi kontinyen avek sa stratezi, sa se zot problemm. Me nou nou'n vini isi pou travay e travay nou pou travay.

Mr Speaker, *Leader* Lopozisyon Onorab Pillay bomaten in koz longman lo sa size. E mon bezwen dir la ki mon pa kapab dir ki en zour mon pou aret ganny etonnen oubyen emerveye par kapasite Onorab Pillay par sa don i annan, par sa talan pou li koz en kantite parol e pa dir nanryen.

*(laughter)*

**HON BERNARD GEORGES**

Akoz tou son koze bomaten, tou son koze bomaten sey zistifye en keksoz ki pa zistifyab pa'n konvenk personni ni lo nou kote, ni lo son kote.

Onorab Cosgrow in esey, in esey met en pe delwil lo delo. In esey apez en pe presyon, in sey koz lo en fason rezonnab, annou revwar, annou pa taye, la la patati patata.

Mr Speaker sa stratezi bann demagozi nou, nou pa tonm ladan ditou. E mon ava dir zot akoz nou pa tonm ladan ditou. Tou bann Manm ki'n koz lo sa Mosyon bomaten bann

Manm Lopozisyon, in soulev bann pwen ki selon zot, ti enportan e ki pa ti devret dan sa *Terms of Reference*. Sa se zot preogrativ. E i byen serten bann pwen ki zot in fer sorti i merite ganny debat lo la.

Me kot zot *fail* se olye anmenn en lamannman a sa bann *Terms of Reference*, zot in prefere zis kritike apre reste trankil.

Zot anvii zwe en *game*, me zot pa pare pou met zot azanda lo latab. Sa zot problemm. Ier ou al dan en parti matouloumba Mr Speaker fodre ou met Roupil lo latab.

Ou pa kapab deside pou zwe en *game* me zwe li ziska *half time* apre al dan lakour. Akoz pa koumsa ki marse. Si zot ti anvii e si zot ti serye dan tou sa ki zot in dir, zot ti'n pou table sa avan swa bomaten menm e seri lamannman pou donn lefe sa *Terms of Reference* ki zot, zot ti ava kontan vwar.

Lefet ki zot pa'n fer li, i montre ki (eskiz mwan pou dir Mr Speaker) zot pa pe fer sa an bonn fwa. Zot pe fer sa pou en stratezi politik e parey mon'n dir mor ek zot boul si zot anvii, koul ek zot boul si zot anvii, nou, nou pa pe antre dan sa bann demagozi.

Mr Speaker nou annan devan nou en seri *Terms of*

*Reference* ki ti'n ganny diskite parey nou ti'n ganny dir par son *Chairman*, dan Komite, kot ti annan letan pou bann Manm lo Lopozisyon pou fer propozisyon lamannman. Zot in prefere pa fer li nou, nou bezwen travay nou pa la pou esper okenn dimoun.

Kantmenm, kantmenm Sesel i pou tou son zanfan e kantmenm Sesel i pou tou son zanfan *including* bann ki pares nou, nou pou travay. Nou, nou pa pou esper personn e nou pou bouz devan.

Alor mon ti ava kontan demann avek sa Lasanble, napa okenn bon rezon ki'n ganny donner, akoz ki nou pa kapab al devan avek sa bann *Terms of Reference* ozordi. Annou met sa bann *Terms of Reference to the vote* Mr Speaker annou vote annou pas li e annou bouz devan. Mersi bokou.

**(APPLAUSE)**

**MR SPEAKER**

Mersi Onorab. Mon ava demann Onorab Pillay ou'n fini adres sa Mosyon ou?

**HON SEBASTIEN PILLAY**

Mr Speaker mersi. Mon'n fini adres Mosyon. Mon pa pe al reponn Onorab Georges *per se*. Me selman mon ti ava kontan si

son alegasyon pares i *towards* nou ki sa ti son lentansyon i retir sa. Akoz mon bezwen met devan ou Mr Speaker taler Onorab Georges in servi en pwen *Standing Order* pou fer keksoz avek sa Lasanble, san ki i swiv sa menm *Standing Order* apre i dir en merveye avek sa ki dimoun i dir.

**MR SPEAKER**

Me la nou pe retourn lo en lot keksoz Onorab Pillay.

**HON SEBASTIEN PILLAY**

Me mon krwar konman Speaker ou bezwen *take li to task*, akoz *Leader Zafer* Gouvernman, in abiz nou *Standing Order* avek Deputy Speaker pandan ou labsans. Mon krwar sa pe devret ganny fer Mr Speaker.

**MR SPEAKER**

Onorab Pillay si ou annan en pwen lo la mon ava ganny li an ekri silvouple.

**HON SEBASTIEN PILLAY**

Napa problemm Mr Speaker. Mon ava aksepté ou *Ruling* ...

**MR SPEAKER**

Onorab William ou ava prezant *summing-up*.

**HON WAVEN WILLIAM**

Mersi Mr Speaker. Bonn apre midi tou dimoun ki a lekout. Mr Speaker avan ki mon konmanse mon ti ava kontan ki ou donn mwan sa garanti ki akoz konman en Manm Elekte anba konstitisyon en *Standing Orders*, mon annan serten privez pou koze.

E mon santi poudir semenn pase e ozordi letan mon ti pe fer serten pwen valab, mon vwar poudir in annan lenterferans. So, mon pa anvi fer malelve, ni *walk out*, ni *resign* mon anvi fer mon pwen Mr Speaker. Alors mon anvi ki mon ganny sa sans pou fer mon lentervansyon avek trankilite.

**MR SPEAKER**

Mon ava adres lo la silvouple. Onorab William bomaten sa ki ou ti pe fer se ou ti pe lev en size ki an deor sa ki ti devan nou. Savedir *Terms of Reference* ou Komite.
