The Chairperson shall then propose the question that the clause be read a second time, on which question debate may take place, and when that question has been agreed to, amendments may be proposed to the new clause, and when they have been disposed of, the question shall be proposed “That the clause (or the clause as amended) be added to the Bill”

(7) Schedules shall be disposed of in the same manner as clauses and any new schedule shall be considered after the schedules to the Bill have been disposed of and shall be treated in the same way as a new clause.
