7th progress report on the Convention on the Rights of the Child(CRC)

Seychelles ratified the Convention on the Rights of the Child in 1990 and thus has the obligation to provide progress reports every five years highlighting the progress made towards implementing the Convention. The Social Affairs Department is responsible for the monitoring and reporting to the Convention. The next country report is due early October and work started late last year, to compile the relevant information to put together this country report.

Members of the public are being invited to review the information incorporated in the Seychelles 7th progress report to the CRC and provide comments/inputs.

The report can be accessed through the website of the Ministry of Employment and Social Affairs, CEPS, National Council for Children (NCC) and the Ministry of Local Government and Community Affairs and Seychelles National Assembly

Please forward any inputs or comments you may have to the email addresses stated below by **9th September 2022**.
