MR SPEAKER

Mon'n ganny sa notis en pe tar e mon'n en pe okipe. Mon pou adres sa, e mon a donn ou en larepons sirman avan nou prosen sesyon. Mersi. Bon nou a komans avek deba mon a pran bann Manm en pe lo kote isi – Onorab Bastienne ou a komanse.

HON DESHEILA BASTIENNE

Mersi Mr Speaker. Bonzour Mr Speaker. Bonzour tou Manm Onorab e bonzour tou dimoun a lekout espesyalman tou zabitan Ile Perseverance.

Mr Speaker sa Bidze siplemanter ki devan nou i pa premyer Bidze siplemanter ki en Gouvernman i prezante isi

dan sa Lasanble. Nenport Gouvernman responsab, i vwar li neserer pou rekomann larzan adisyonnèl ki pou ed li finaliz serten proze pli esansyel, ki pou dan lentere pei e an menm tan kot tou son pep pou benefisye i pou napa swa me i ou bezwen fer li.

Mr Speaker, byensir letan ki Minister Finans i vin avek en tel rekomandasyon, e sa Bidze siplemanter i vin avek evalyasyon performans Gouvernman *du jour*, kwa ki in akonpli e ki i reste pou kontinyen fer.

Tou Seselwa ki pe swiv travay nou Gouvernman de pre, i konpran tre byen kote nou'n sorti, ki nou'n erite;- ki nou'n erit en pei ki ti'n ariv lo son zenou, lo semen fait, ki nou'n pas ladan – ki mannyer nou'n sirviv sa tanpet e kote nou'n arive ozordi.

Mr Speaker wi, Seselwa in pasyante e ankor pe pasyante, akoz zot konnen ki Gouvernman *LDS* i lo bon semen. I a pe kontinyen travay pou nou byennet, kot nou tou nou pou benefisye.

Tou sa bann leksitasyon ki Lopozisyon pe sey kree, e tou sa bann lardon negativ ki zot pe senmen, pep Seselwa in fini matir e lize in ouver, alor mon dir pa pou marse. E se pour sela

ki nou la lo sa kote latab, nou pou vot sa Bidze siplemanter akoz i nesese pou nou les nou Gouvernman kontinyen sa bon travay ki in konmanse, dan byennet pep Seselwa an antye.

Ozordi nou pe aksepte e nou konpran akoz ki i annan bokou koupe dan Bidze lo serten proze kapital, parey mon koleg Onorab Cosgrow ti fer sorti yer. Set akoz Gouvernman in swazir pou pran sa desizyon, pour ki nou pei i kontinyen fonksyonnen; annan ase prodwi e komodite pli esansyel ki pei i pli bezwen, pour le moman.

Mr Speaker, en Gouvernman avek en bon vizyon – parey Gouvernman LDS - i swazir kwa ki pli bon pou son pei, e ki pli bon pou son pep. Si ozordi Gouvernman pa ti *efficient*, ti pou napa azisteman R500 lo saler par anba R9000. E bokou dimoun pa ti a pe benefisye sa rediksyon R300 lo zot bil kouran.

Ozordi pansyoner, *carer*, bann dimoun otreman kapab e bann ki pe resevwar lasistans envalidite, pe benefisye avek en lasistans finansyel menm tanporerman pou ed zot redrese. Zanfana pe ganny zot goute e dezennen kot lekol, e sa pe tir presyon lo zot paran pou leve granmaten pou rode ki pou

prepare pou met dan bwat. Tousala pe montre nou ki *efficiency* nou Gouvernman. I met lentere ek vant lepep Seselwa an premye.

Mr Speaker, Departman Lapolis, i a ganny R10milyon pou ede ranforsi sa lalit kont drog ki pe detri nou zanfana. Eski sa nou apel *inefficient*? Ouswa nou pe montre nou determinasyon pou nou anmenn plis efikasite dan nou lafors Lapolis, pou *deal* avek sa problem drog ki nou Gouvernman in erite, e ki depi avan zot pa'n vwar li - zot pa'n pran sa koman en problem.

Mr Speaker, eski akoz atraver rezilta bann sikse tel ki logmantasyon dan lakantite touris ki vin Sesel, atraver logmantasyon dan koleksyon peyman *tax*, ek lezot peyman finansyer ki pe rantre dan kof, sa i vedir ki Gouvernman in pare pou donn bal par komans donn bann gro saler, *allowance*, ogmant *welfare*, eksetera?

Nou Gouvernman pe fer nou konpran ki i annan demen, e ki nou bezwen met nou pei stab finansyerman. Nou pou kapab fer fas kont nenport ki evantyalite, ki kapab frap nou pei parey COVID in fer. Se sa ki nou apel en Gouvernman *efficient*, responsab, ler i get pli

lwen ki son bout nennen e I prepare son pep byen a lavans.

Mr Speaker, mon pou anvoy sa mesaz deor kot mon bann frer ek ser Seselwa, pou senpleman dir zot pa tonm dan sa bann latrap. Pa les sa bann mesaz negativ fer okenn lefe lo zot. Pa les zot moral tonbe. Mon bann frer ek ser la deor akoz mon pa anvi war personn debout ankor kot Lorloz avek en plakar ekri lo la, "Mon lafen."

Pa les sa bann dimoun fer zot krwar lizour pou aswar. Sa i zot azanda pou fer zot perdi konfyans dan Gouvernman *du jour* akoz zot bi se rebran pei. Sa Bidze siplemanter Mr Speaker, i en re alokasyon ki ti'n deza vote par *LDS*, kot *US* pa ti vote. E ozordi sa menm Bidze ki zot pa ti vote, zot pe lager lebra kase, pou nou donn trezyenm mwan saler ladan. Pep Seselwa la deor, eski zot pe dekouver lekel ki ipokrit la anndan?

Mr Speaker mon oule dir avek Seselwa, ki sa Bidze siplemanter ki devan nou, se pou Gouvernman kontinyen fer marse nou pei; aste nouvo masin *MRI* ek lezot lekipman ki nou bezwen pou swen lasante kot Lopital Sesel. Aste dekwa latizann, pey Dokter ek Ners avek lezot travayer dan Departman Lasante – dyaliz.

Tousala nou bezwen Bidze pou kit li marse.

Ranforsi nou sistenm ledikasyon, siport nou bann fermye ek peser; met bis lo larout piblik pou bann sitwayen ki pe depan lo servis bis piblik; konstri ankor en pe plis lakaz, pou nou soulaz nou bann frer ek ser ki ankor pe esper en lakaz.

Lekel ki pa ti vot Bidze pou met manze dan zot vant ek zot zanfand? Lekel ki pa ti vot Bidze, pou ki zot gran paran I kontinyen ganny son sekirite ek son pansyon? Pa'n vot Bidze pou met *fuel* dan zot transpor pou zot al debourye? Lekel ki pa ti vot Bidze pou Minister Lasante, annan sa dekwa pou aste latizann ek lekipman pou pasyan dyaliz, kanser ek lezot maladi? Lekel ki pa ti vot Bidze? Zot!

Nou lo sa kote latab, nou ti vote pou zot kontinyen ganny zot saler e siport zot fanmir. Nou, nou ti fer li pou zot. Nou pa ti mazin zis nou lekor. Nou ti fer li pou tou zanfand Sesel.

Ler nou pe tann nonm *IMF* in rantre donn larzan, me dan letan Prezidan Albert Rene, Mr Speaker, *IMF* ti sipoze en mons ki ti pe vin detri Sesel! 2008 se *IMP* menm ki ti antre, ki ti enterfer pou ede redres

lekonomi pei letan Sesel ti pe pran fon.

Vwala mon bann frer ek ser, akoz nou Gouvernman pe vin avek en Bidze siplemanter, senpleman pou nou kontinyen lo sa semen progre, pou lanmour nou pei ek tou zanfan Sesel.

Mr Speaker, mwan mon pare pou mwan vot lo sa Bidze. Mersi.

MR SPEAKER

Mersi Onorab. Mon a donn laparol Onorab Zialor.

HON NADDY ZIALOR

Mersi Mr Speaker. Bonzour tou dimoun. Bonzour lepep Seselwa. Mr Speaker mon pa pou long dan mon deliberasyon. Koman en Manm Lasanble, mon le senpleman anvi aport mon sipor pou sa Bidze siplemanter pou lannen fiskal ki nou ladan.

Me mon krwar i osi enportan pou nou fer en pti tourdorizon – en ti tourdorizon lo ankor enn fwa lafason ki - e la mon pa anvi ofans personn – ouswa mon pa anvi atak personn, me lafason ki Lopozisyon i kontinyelman pandan sa bann dernyen lannen e bann dernyen mwan, kontinyen krwar ki zot ankor

kapab, e zot krwar zot pou kontinyen anbet lepep Seselwa.

I annan diferan koze – mon'n tann koze depi yer. Mon'n tann,

“Kabri dan sak”, mon'n tann

“En Gouvernman ki pa efektiv,” -

“Kabri dan pannyen,”

“Salad in fini ganny manze,”

Me mon anvi dir en keksoz bomaten, an Oktob letan mwan avek 54poursan Seselwa ti desann, nou ti konnen ki swa nou'n fer e nou ti konnen pou ki nou pe al vote. Personn pa'n fors nou; personn pa'n pey nou; personn pa'n aste nou, nou'n fer li avek en leker kler pou Sesel e pou lepep Seselwa.

(APPLAUSE)

HON NADDY ZIALOR

Enn fwa pou tou, zot bezwen konpran en keksoz; enn fwa pou tou zot bezwen konpran en keksoz, se ki Seselwa si vreman zot ti anvi kit *United Seychelles* o pouvwar, zot pa ti pou asiz laba lot kote kot zot ete. Alor si nou koz kabri dan sak, mon krwar - e kabri dan pannyen – mwan mon krwar kabri dan sak i pou bann ki ti parey mwan, ki ti debout dan en laplenn *Freedom Square*, me apre nou

dekouver poudir 50 bout later pa ti pou zanmen pou Seselwa, me ti al pou en parti politik. Sa en kabri dan sak Mr Speaker!

Letan zot koz en Gouvernman ki pa efektif, mon ti a kontan nou fer en refleksyon – refleksyon se ki o kontrer se la kot nou pe dir avek bann *public servants* annou travay pou en pei me non pa pou en parti.

De lot kote, zot, zot kontinyen dir ek Seselwa, annou kontinyen fer politik dan *public service*! Sa ki fer en Gouvernman ki pa efektif Mr Speaker.

Alors, enn fwa pou nou mon anvi dir avek zot konpran – konpran ki Seselwa in fer en swa e sa swa i pou 2025 e 2025 nou pa pou tire, nou pou kit li lanmenm Mr Speaker!

I sagrinan letan serten Dirizan i vin dan sa Lasanble – byensir zot pe fer zot rol koman – mon mazine koman Lopozisyon – en Lopozisyon minoriter – letan zot vin devan Gouvernman, e zot kestyon Gouvernman, kestyon Minister Lasante, i mank lekipman, i mank efikasite, i mank travayer, i mank sipor, sa menm Gouvernman i donn en Bidze siplemanter Minister Lasante, pou li kapab vin pli

efektiv, pa bon menm pou zot Mr Speaker!

I kler sa ki zot, zot anvi, se ki *LDS* i *fail*! E de zour an zour nou realize ki mon kapab konpran letan deor Seselwa i fristre. Enn ler mon demann mon lekor si pa zot ki pe enstig sa fristrasyon dan lepep Seselwa! Me nou konnen nou – nou konnen tou zot taktik, ek tou zot bann diferan mannev, pou ki sa Gouvernman i *fail*, senpleman aköz zot bi se pa pou defann pei, ouswa rebran pei, zot bi se reganny pouwar e kontinyen defann zot parti!

Mr Speaker ankor enn fwa, mon koz dan sa fason bomaten, senpleman aköz mon anvi koz avek ou ki laba deor – sirtou ou ki dan *public* – letan en Dirizan i dir avek ou, Gouvernman pa effektiv, konnen ki ou osi ou form parti sa Gouvernman. Konnen ki ou osi – i ou Gouvernman.

So letan i dir ou Gouvernman pa efektif savedir i pe dir avek ou, ou pa effektiv. Aköz silvouple si ou lize pa ankor ouver, ouver li. Met en linet. Si ou bezwen en tors pou nou ed ou pou klere, nou ava ed ou pou klere. Me sa ki enportan se ki konnen poudir sa Bidze - sa Bidze pe garanti ou saler.

Sa trezyenm mwan saler ki nou'n tann kot souvan lo la,

ki dayer ki sak fwa letan *LDS* i byen fer, se zot ki reklanmen ki dir zot ki'n fer, me ler nou, nou dir zot kote zot mal fer zot refize aksepte e zot dir avek nou, nou annou korize.

Me alors be donn nou sa ki nou *due*, ou konpran? Si zot ki ti kapab fer, zot ti ava la pou fer li. Rezon akoz zot laba se ki zot pa'n kapab fer e ozordi *LDS* pe fer.

Mr Speaker, lepep Seselwa, 2an pase nou ti komans en larout – en larout pou nou redres Sesel, en larout pou nou fer Sesel ki zis- en Sesel ki drwat - en Sesel kot napa faver – en Sesel ki nou pa zis dir i annan viktimizasyon, parski i annan nou kanmarad ki'n pas dan viktimizasyon!

En Sesel kot nou pe drese – en Sesel kot si ozordi nou pou dir ou kote ki mal, i pa akoz nou pa kontan ou, i pa akoz nou pe get ou kouler politik, me akoz nou pe met Sesel premye – non pa en parti Mr Speaker!

Alors osi lontan ki ler en Bidze adisyonnèl i vin isi dan sa Lasanble ki pou benefisye Sesel, ki pou aranz nou sistenm Lapolis, ki pou aranz nou sistenm servis piblik, ki pou aranz nou sistenm transportasyon piblik pou lemeyer, mwan Naddy Zialor

mon pou donn mon sipor. Mersi bokou Mr Speaker.

MR SPEAKER

Mersi Onorab. Mon aprezan apel Onorab Uranie.

HON ROCKY URANIE

Mersi Mr Speaker. Bonzour tou koleg Onorab e byensir tou zabitan Zil Pros ki a lekout. Mr Speaker, 3 mwan pou lannen terminen, mon dezapwent war en Bidze siplemanter vin devan Lasanble, kot preski tou bann Minister pa'n fer *recruitment* ki neserer pou anploy travayer malgre larzan ti'n fini ganny vote e mete pou Seselwa ganny en lanplwa. I annan zenn la deor ki pe monte desann pou ganny en lanplwa.

Preski tou le semenn, nou vwar *vacancy* ki ganny anvoye par Departman Lanplwa, pou dir dimoun ki i annan travay. Me i regretab ki Departman Lanplwa li menm, pa'n fer *recruitment* pou anploy dimoun pou dir presyon lo travayer.

Pli fer lapenn Mr Speaker, ler mon war R20milyon ki minister Ledikasyon ti'n gannyen pou fer *recruitment teachers* ek lezot bann *support staff*, pou ede avek ledikasyon nou zanfan ki pa'n ganny fer, e *teacher* i anmas fardo.

Mr Speaker eske zot le vremen fer nou krwar ki napa dimoun kalifye pou sa bann travay? Oubyen zot le fer nou krwar ki dimoun pa pe rod travay? Eski zot pe dir nou ki i annan dimoun ki vremen *underqualified* pou serten travay, e menm zwenn en bann dimoun dir zot, zot *overqualified*, malgre sa bann dimoun i vin rod travay e zot napa! Annou aret zwe avek dimoun.

I annan manman, papa, garson, zenn fiy ki ti ava kontan travay pou ede avek depans kot lakour, ede kontribye pou zot zanfan, zot pti frer, zot pti ser ganny en goute permanan dan plas enn tanporer. En 500 san tanporer kot en bann I ganny zis R50.

Mr Speaker, eski nou pou vwar boner lannen prosenn renouvelman goute tanporer ek R50 tanporer lo serten saler dimoun ankor? Mr Speaker, dimoun i anvi ganny *loan* – larzan tanporer labank pa aksepte pou donn *loan*, so nou bezwen en logmantasyon saler pou bann dimoun.

Dimoun pe dir gran mersi *United Seychelles* lager for – lager for pou Gouvernman – lager for pou sa pep la deor – lager for pou fer sa Gouvernman sey santi en pe

soufrans malere la deor. E gran mersi *United Seychelles*, sey fors zot vin avek goute pou zanfan lekol. Gran mersi *United Seychelles* bann paran la deor pe dir.

Me Mr Speaker, *IMF* ti vini parey mon kanmarad Loze ti dir – *IMF* ti vini ti donner larzan pou siport tou dimoun. I pa ti dir met tou larzan dan *Social Welfare*, me solman i ti dir mete pou ede soulaz soufrans sa pep. Me zot pa pe vremen fer li.

Mr Speaker goute i tir presyon lo paran, me i met bokou presyon lo *staff* kot lekol. En logmantasyon saler ki nou dimoun i bezwen, ki nou paran i bezwen, pou li prepar son prop goute pou son zanfan. Mon pa pe envante, me *teachers* zot menm i santi – zot vwar zot bezwen vini byen tre granmaten pou vin donn goute. So alors ti a pli bon nou get dan *welfare* nou bann dimoun.

Mr Speaker tro bokou *recruitment* pa'n ganny fer, ki vedir Gouvernman pa'n proaktiv e pirman manm lenkonpetans pou pa servi byen larzan ki nou'n met a zot depozisyon pou donn sa pep!

(APPLAUSE)

HON ROCKY URANIE

I klerman montre ki sa Gouvernman pa'n met Seselwa dan sant devlopman – pa'n fer resours imen vin son priyorite. Mr Speaker nouvo administrasyon i enkapab, e i annan en gro problem, e alor zot fer tou larzan retourn dan kof pou kapab dir zot in fer profi. Napa profi!

Mr Speaker nou'n vwar larzan ki'n ganny mete 50milyon pou MRI. I enportan pou annan en nouvo MRI, akoz nou Gouvernman avan ti'n deza mete e annan MRI. E avek nouvo devlopman dan teknolozi i enportan pou anmenn MRI pli modern. Sa i normal e i evidan akoz sa enn in deservi son letan. Nou apresye e sa nou siporte.

Nou annan en Lopital – La Digue ki *understaffed* la, napa Lopital. Nou pe ganny nou enn pli gran parey nou dir, eski zot pou vreman met *staff* ek latizann ladan? Servis ki nou bezwen Mr Speaker, pa zis gro *building*.

Fer mwan mazin en paran – en papa ki ti anvi son piti aprann zwe gitar pandan vakans. I ti dir ek son piti mon piti la gitar sey zwe – piti I fer sek. Aköz? Son papa ki'n dir li fer.

Me ler son papa i sanz stratezi i pran sa gitar i met anler i dir, "mon pe dir ou mon pe al travay mon pa le ou tous sa gitar, en?"

Lanmenm ler piti aköz in dir li pa touse, lanmenm ler i al touse i aprann zwe gitar! Sa Gouvernman i fer parey ek Lopital La Digue aköz in vwar petisyon, i dir i a depese i a montre nou i a fer. Me nou kontan ou fer! Nou kontan.

HON FLORY LARUE

Mank respe pou Minis Vidot. Mr Speaker atraver ou mon oule

dir Onorab Aglae ou a lir *Speech* Leta Lanasyon 2016 par Msye James Michel kot i ti idantifye servis dan Minister Lasante anver piblik, koman enn bann pli gran defayans sa Minister. Mr Speaker mon bezwen site;

“Meyer lekipman pa vo pratikman nanryen si Dokter, Ners, ek leres profesyonnel medikal napa sa pasyon, sa konpasyon, sa volonte pou ofer en meyer servis zot pasyan, e pasyan li i perdi konfyans dan nou sistenm lasante.

Laplipar Dokter ek profesyonnel medikal pe donn en bon servis, souvan dan bann sityasyon e kondisyon difisil. Me i annan defayans serye dan nou sistenm lasante, sirtou lo nivo latitud, konportman ki pa ditou profesyonnel, larogans, mank konpasyon, mank responsabilite, mank planifikasyon, gaspiyaz resours.

Eski i akseptab ki en dimoun i esper plizyer semenn oubyen mwan, pou ganny en lapwentman avek en spesyalis?

Eski i akseptab ki en stok lekipman dyaliz, ek en stok medikaman ki'n kout plizyer milyon Roupri, zis i gate san ki zot in ganny zanmen servi e personn pa pos kestyon lo la? Oli planifikasyon?

Eski i annan angi anba ros la? E ler serten medikaman i manke an rezilta move *management* ek move planifikasyon, nou bezwen fer zot vini par avyon an irzans e zot kout nou plizyer fwa pli ser.

Lekel ki bezwen peye pou sa? Se lepep, se nou. Eski nou kapab toler sa? ”Fen sitasyon Mr Speaker.

Mr Speaker olye Onorab aksepte ki defayans i annan apre *COVID* e konsekans lager Lerop, e olye ralye pou promot fason fer ki Minis ti propoze an atraver *training* pou *customer service* pou son Minister, zot decide denigre tou sa bann dimoun, olye rod en solisyon pou travers sa problem pou byennet popilasyon. E pa bliye Mr Speaker, degenn Lopital kot nou’n ganny dir pou pran nou R2.5bilyon pou met sa Lopital dan son letan ki i devret etc.

Mr Speaker olye promot tou Seselwa dan sekter piblik, pou kit zot politik dan lakour, e delivre dan zot pozisyon anver pep Seselwa, zot vin zwe sa kart!

Mr Speaker, atraver ou mon bezwen dir Onorab Uranie i dir nou ki Gouvernman pa’n met dimoun o sant devlopman, me si i annan en distrik Mr Speaker ki’n pli benefisyè dan sa Bidze, se pa lot ki La Digue.

Sa Lopital ki’n fer petisyon ki dir zot kont son lokasyon, se son Gouvernman ki ti decide ki sa Lopital pou al dan sa lokasyon Mr Speaker e nou nou’n fer nou par – nou’n delivre lo sa Lopital.

(APPLAUSE)

HON FLORY LARUE

Nou pe fouy por pou fer li pli fon pou permet pli gro bato pou antre. Santral *Sewage System* e Minister Tourizm in decide met zot zil o sant Lasemenn Tourizm. Mr Speaker nou konsernen avek La Digue. Nou, nou ankouraze pou devlop zot e non pa vol zot later Mr Speaker!

(APPLAUSE)

HON FLORY LARUE

Dan Gouvernman i annan dimoun tou krwayans politik, me zot in swazir en louvraz dan sekter piblik, pou zot delivre pou zot pei. Se li ki vin premye Mr Speaker. Se Sesel ki an priyorite. Sel keksoz ki Lopoziyon i rode Mr Speaker, dan Bidze, se konbyen ti koute pou al *New York*, e konbyen ti koute pou al lanterman Larenn! Sa I en rol Prezidan e nou Prezidan pe fer son louvraz!

An 2010, 2013, 2016, 2018, Zen 2019 e Septanm

2019, Mr Faure ti al *New York* koman Vis-Prezidan e osi koman Prezidan. Mr Michel ti al *New York* koman Prezidan an 2014, an 2015, e 2017. Mr Michel ti al vizit sa menm Larenn Elizabeth II an 2012. Sorti Sesel ti al Langleter pou fer sa Mr Speaker. Larenn pa ti vin isi.

E lanterman Mr Mandela an 2013. Mr Speaker avek tou respe, mon bezwen dir zot, *come on*, annou montre en pe respe pou nou pei lo lasenn enternasyonal. Sa se nou pei ki Prezidan pe reprezante!

Atraver ou Mr Speaker, Onorab Aglae in dir nou, nou'n imedyatman trouv larzan pou donn ACCS R63milyon, me i pa edik pep Seselwa ek sa bann zenn ki zot pe ralye, akoz sa sonm i dan sa Bidze. ACCS pe rod larzan ki'n disparet Mr Speaker, dan en sel zournen I antre i sorti nou pa konnen kote in ale.

Nou'n ganny dir par en Onorab ki Minis Finans pa'n koz lo sa *loan IMF* ki vo 107milyon Dolar. Mr Speaker, sa demars ti ganny dir avek piblik atraver konferans de pres an Zilyet 2021, e in ganny pibliye lo sit *Seychelles News Agency* anba Tit '*IMF agrees to help Seychelles with a*

107million Dollars in Economic Reform Plan.'"

Mr Speaker sa donasyon Dolar la, sa 50milyon Dolar, pa ti zanmen ganny anonse avek pep Seselwa sa! Ni dan zournal, ni papye – napa sa Mr Speaker!

Dir mwan – mon oule demann zot laba lot kote latav atraver ou, pa ti en *gross deficiency* dan gouvrenans pei, avek tou zot ta leksperyans ki zot ti annan Mr Speaker?

Mr Speaker, sa larzan *loan IMF*, nou, nou konnen kot sak Dolar pe ale akoz nou bezwen rann kont, nou responsab e nou oule ki sa sipor, i tir nou dan sa sityasyon e non pa *bankrupt* pei parey ti arive anba zot Gouvernman Parti Lepep/US an 2008!

Nou'n anmenn en program donn breakfast zanfan, zot, zot ti pran larzan pou aste manze pou pep Seselwa atraver *SMB*, apre zot ti dir ek popilasyon ser sang! Se Msye Faure koman Vis-Prezidan dan kanpanya Eleksyon Desanm 2015, ki ti vin konfirman ki sa 50milyon Dolar ti'n antre dan kont *SMB*. Se li ki ti vin dir nou Mr Speaker.

Sa larzan ti an don - en kado ki nou pa ti bezwen rann, ki ti ganny donner avek lepep Seselwa an 2002 atraver *SMB*,

pou soutenir pep Sesel letan pei ti dan en difikilte avek deviz etranzer. Pa ti reflekte dan okenn Bidze sa - dan Bidze pei sa Mr Speaker.

50milyon Dolar ki ozordi I vo R750milyon, ki probableman vin bokou plis se sa ki ACCS pe rode. E ler nou pe tir sa R63milyon ladan, pou reste nou ankor R690milyon ki pou retourn dan pos Seselwa. E i vo lapenn investi dan sa travay. Apre Mr Speaker, nou pa ti pou bezwen met R63milyon dan sa Bidze, pou al rod sa larzan si zot pa ti toler vole e koripsyon dan zot Gouvernman!

Si zot ti vey nou larzan, si zot pa ti toler sa bann fason fer, nou ti pou dan en pli bon sityasyon. Se zot Mr Speaker, ki'n met nou dan sa sityasyon. I annan Manm ki'n repete milyon fwar Mr Speaker, "*gross inefficiency*" dan nou fason governans, apre zis 2an. Me zot in al gete ki savedir sa mo dan en diksyonner Mr Speaker?

Vol 50milyon Dolar ki en pep in ganny donner koman en kado, se sa "*gross efficiency!*" Kasyet sa pou 13an anba 'koripsyon i en persepsyon' se sa "*gross inefficiency*" apre 43an. Bidze Sesel ti pas dan zis detrwa zour, apre zot ti al tir petar Moris, se pa "*gross inefficiency*" Mr Speaker?

MR SPEAKER

10minit Onorab.

HON FLORY LARUE

Wi Mr Speaker. Mr Speaker nou annan en rapor o kontrer ki *Chairman FPAC* pou sa 40 later *US* pa ankor rode sa osi I "*gross inefficiency*" Mr Speaker!

Petet mon mazine - petet ou pa'n le koz lo la yer – ou pa'n le dir sa, ki Seselwa pe rode louvraz, sa bann Sef zot fer li difisil, e zot fer rod toudsort fason pou zot dekouraz nou bann travayer, pou Seselwa kapab ganny en louvraz!

Annou get *Port Authority* ki'n arive avek nou *Harbour Master*? Ti annan en Seselwa la ki ti pe fer sa louvraz, ki zot fer zot ranplas li par en etranze – ki la mon krwar i en *Sri Lankan* mon krwar, e sa etranze, son *package* son saler i plis ki pou sa Seselwa, ki i ti pe gannye.

Akoz nou pa ti donn sa nou pti frer? Akoz nou pa ti donn sa, sa pti Seselwa? Larzan pa ale ek nou Seselwa? I bann keksoz ki nou bezwen onnet Mr Speaker.

Yer ankor –

MR SPEAKER

10minit Onorab.

HON PAUL ERNESTA

Yes Mr Speaker. Yer ankor Onorab Sekreter Zeneral ti envit Onorab Gill pou vin zwenn zot. Me apre Onorab Gill i dir mwan – ou konnen ki i dir mwan? Onorab me depi sizyenm Lasanble komans avek son Sef li menm, bann la pe rod li. I dir li dan sa pirog nanm i pa pou anbarke Mr Speaker!

(APPLAUSE)

HON PAUL ERNESTA

I pa pou vin anbaras son lekor. I pa pou vin sa lyon – i pa pou vin sa lyon ki pou perdi ledan parey sa Onorab William i pe pas atraver ozordi Mr Speaker. I dir li *wrong number* –

MR SPEAKER

Konklir.

HON PAUL ERNESTA

Wi Mr Speaker mon pou konklir, taler en koleg in dir zot pe donn R500 tanporer – tanporer nou bann travayer. Wi Mr Speaker me pa tou dimoun ki pe benefisye ek sa R500 me kan zot, zot donn plis ki 40mil zot lekor pou *allowances*, palto, ledan, lanmizman tousala Mr Speaker!

Eski sa i fer sans? Eski sa i lozik pou nou bann dimoun Mr Speaker? Eski sa travayer li i pa bezwen sa? I sa bann keksoz – sa bann lipokrizi ki nou bezwen arete.

Pou konklir Mr Speaker, sa Bidze mon vwar ki sa Gouvernman - mon analiz pou mwan – zot pa konnen kot zot pe ale. En kote zot larou in fini dan rigol e zot pe dray dan rigol. I danzere.

E Seselwa ozordi pe ganny konstipasyon avek sa lagrenn ki ti vann zot 2025. I dir zot - *I mean 2020 sorry* – e 2025 i pou met zot - 2025 i pou met zot dan *shredder* pou *shred* zot Mr Speaker e dir zot fer li koman i ankor boner pran zot retret, ale sorti dan sa soulye granmoun! Mersi Mr Speaker.

(APPLAUSE)

MR SPEAKER

Mersi Onorab. Onorab John Hoareau.

HON JOHN HOAREAU

Mersi Mr Speaker. Bonzour tou dimoun ki a lekout. Mr Speaker anba Lartik 54(6) nou Konstitisyon, i donn pouvwar Gouvernman pou anmenn en Bidze siplemanter devan Lasanble, si Gouvernman i santi ki larzan ki'n ganny

apropriye pou en lannen finansyel pa pou ase, oubyen sa provizyon I osi ganny serve preski tou-le-z-an pou kapab adres bann mankman oubyen bann keksoz enprevi ki arive pandan lannen.

Mr Speaker i fer mwan lapenn pou vwar ki Lopozisyon in swazir pou fer politik bonmarse, pou sey enfliyans lopinyon piblik lo sa size.

Mr Speaker atraver ou, ler mon ekout lentervansyon serten bann Manm Onorab sirtou Onorab Loze, ki in kler ki i pa konpran ki mannyer en Bidze i ganny fonksyonnen. I kler ki zot napa en devan, ni en deryer! I kler ki zot napa okenn propozisyon lo lafason pou fer pei mars pli byen me senpleman zot pe zis balbise!

Oubyen si zot konpran en pti pe, zot sitan negativ ki zot in pri dan en politik dan rigol, avek larogans zis pou vin maltret nou isi. En politik ki Seselwa ti rezete le 22 Oktob 2020!

Mr Speaker, annefe se sa ki fer diferans ant nivo ki nou, nou pe *operate* avek en konparezon avek zot. Ler nou Gouvernman i pran en desizyon pou anmenm soutyen pou travayer, par en logmantasyon R500 pou tou dimoun avek en saler pli ba, irespektiv si ou

sorti dan sekter prive ou Gouvernman, Onorab Loze i sot anler atraver ou Mr Speaker ankor, sot anler lo son sez, e dir ki *US* se sel parti ki dan kote travayer, kan zot konnen tre byen, ki zot Prezidan byeneme ki ti dir avek tou Seselwa ek bann perd fanmir ki “bato i pase, avyon i pase, foulkan ale si zot pa kontan son sistenm!”

Zot ti kre en sistenm “Ek nou pa ek nou” zis pou viktimiz sanmenm sa travayer ki ozordi zot pe dir zot kontan. Kalite ipokrizi sa? Pa krwar ki travayer in obliy zot Mr Speaker. Ler nou Gouvernman i donn tou fanmir vilnerab R300 Mr Speaker rediksyon dan zot *bill* elektrisite. Plis benefis pou *home carers*, plis benefis envalidite e dezabilite. Zot lo lot kote latab, zot pas letan sant leloz lo depans ki en Sef Deta i vin fer dan en kad vizit ofisyel.

Ler nou Gouvernman i donn *breakfast* nou zanfand dan laklas primer ek segonder, pou bann ki anvi, en keksoz ki zot parti ti promet, me zanmen zot in kapab delivre lo la!

Ler nou Gouvernman I travay nwit o zour pou negosye e redwi det *Air Seychelles*, e fer sir ki personn pa perdi zot loubraz, zot, zot met lenz Teletubbies e vin bwar *Jameson*

obor Lorloz, pou fer per touris e fer krwar ki pei i pa stab.

Mr Speaker, se sa diferans ant nou avek zot lot kote. Ler nou, nou kaz latet pe rod solisyon pou elev sa pep, zot, zot vin kot lo *inefficiency*, konmsi zot fek dekouver sa mo yer! Konmsi toudswit zot in dekouver ki I annan en fason pou *run* pei avek plis lefikasite. Be pandan sa 43an ki zot ti pe fer?

Ki zot ti pe fer ler pei ti faid an 2008, eski sa pa ti en rezilta *inefficiency* lo zot kote?

(APPLAUSE)

HON JOHN HOAREAU

Mr Speaker, sa kales ki zot ti ladan, ti napa ni menm en larou pou roule, me ti zis lo en bann blok anba son aksil.

Seselwa pa sitan bet pou krwar ki zot in dekouver baton mazik, sa detrwa zour ki zot in dan Lopozisyon. Kekfwa zot annan pou esper ankor 40an.

Mr Speaker, larzan pou pey det *Air Seychelles*, larzan pou pey *breakfast*, larzan pou pey logmantasyon dan benefis sosyal pou nou bann dimoun vilnerab; larzan pou mentenir en lalis kont drog e lezot ankor, se sa ki'n fer ki nou bezwen anmenm en Bidze siplemanter.

Mr Speaker atraver ou ankor, Onorab Loze ti koz lo sa 400milyon sirplis bidzeter ki'n ganny *forecast* pou sa lannen, e dir ki nou met larzan dan Bidze, ki nou pa touse. I kler ankor ki sa onorab ankor ki i bezwen relir e sivre byen alokasyon Bidze.

Premyerman ler en Minister i bezwen en serten manm profesyonnel, pou demann son Minister, i bezwen fer en demann avek Minister Finans e sa i vin atraver Bidze pou *wages and salary*.

Si *recruitment* pa'n fer, sa larzan I reste la. Sa larzan pa kapab ganny servi pou al met dan *breakfast*. Sa larzan pa kapab ganny servi pou pey det *Air Seychelles*, ki diran lannen nou'n kapab negosye, akor nou bezwen vin avek en Bidze siplemanter. Akoz si nou fer *virement* i kont Lalwa – I pou kont Lalwa, parski sa larzan pa'n ganny *appropriate for that purpose*.

Me nou Gouvernman i en Gouvernman ki ekoute, ki evalye. In get sityasyon nasyonal e enternasyonal ki pe annan lenpak lo nou standar lavi, e in deside atraver son *Mid-year Review*, pou fer sir ki ler in ganny en pti lespas fiskal pou sey met sa ki nou apel en koud pous lo travayer. Pou bann ki

pli ba lapey, donn zot en R500 logmantasyon. *Breakfast* pou bann zanfan e eksetera, eksetera. Kote ki mal? Kote ki mal Mr Speaker?

Mr Speaker, en ler ou krwar poudir sa Lopoziyon zot pa edik zot lekor lo ki fason en Bidze i ganny prepare. En Bidze ki ler ou pran larzan sirtou kot bann lorganizasyon avek *IMF*, ou bezwen annan en disiplin fiskal osi. Akoz parey nenport ki labank ler ou pret larzan, ou bezwen rann, alor ou bezwen montre li poudir ou kapab koup serten depans osi pou prodwi sa sif bidzeter.

E sa sirplis bidzeter, se sanmenm sa larzan ki nou gannyen, pou nou ranbours nou bann *loan*. Mr Speaker, mwan mon pou donn mon sipor total pou sa Bidze siplemanter, akoz mon krwar e mon konvenki ki se sa ki nou bezwen pou nou kontinyen devlop nou pei. Mersi.

MR SPEAKER

Mersi. Bon mon pa pe pran okenn *point of order* Onorab!

(Off-Mic)

MR SPEAKER

Mon pa pe enteronp Lasanble.

(Off-Mic)

MR SPEAKER

Onorab mon pe demann ou swiv mon lord. Mersi. Mon a pran Onorab Lemiel pou son ladres.

HON SYLVANNE LEMIEL

Mersi Mr Speaker. Bonzour tou mon bann koleg Onorab e tou dimoun ki a lekout. Mr Speaker, pou okenn Gouvernman kapab akonpli bann diferan proze, e program zot bezwen en Bidze. E a mon avi, sa Bidze ki zot prezante devan Lasanble, i bezwen en Bidze ki reel e ki'n ganny byen planifye.

Nou pe war ozordi ki Gouvernman pe koup en sonm R800.1milyon, ki pa'n ganny depanse par bann diferan Minister e Departman, e Lazans. Dan sa menm sonm, Gouvernman pe demann sa Lasanble pou aprouve ki i ganny en Bidze siplemanter, R472.8milyon pou ki i kapab kontinyen avek son program ziska Desanm 2022.

Ler nou analiz sa bann koupir dan Bidze 2022, pli gro konponan, i R736.6milyon anba proze kapital e R63.6milyon anba *wages and salaries*.

Mr Speaker, ler nou regarde, preski tou Minister,

Departman e Lazans, pa'n kapab rekrit oubyen anploy dimoun ki satisfere zot kriter pou serten pozisyon. Nou koz labous plen, nou dir i annan plis pozisyon travay ki dimoun ki pe rod travay. Sa i vre sa.

Me eski sa bann Seselwa ki pe rod en travay ki i anvi fer, in gannyen sa pozisyon? Eski bann landrwa travay in vwar li kalifye ler i *apply* pou en pozisyon dan Gouvernman?

Nou pe war bokou Seselwa kalifye ki ankor pe asize, i ankor pe rod en travay. I annan dimoun ki'n ganny met deor dan Gouvernman e partou kot i *apply* ozordi dan diferan Minister, Departman e Lazans, i pa pe ganny pran. Selman R48.6milyon pe retourn dan kof Gouvernman koman *savings*.

Ler mon regard en Minister koman Minister Ledikasyon Mr Speaker, i pe retourn R20milyon akoz i pa'n kapab fer rekritman - e la mon pe mazine I plizoumwen bann ansennyan ki petet zot ti pe mazin pou rekrite, e sirtou petet i bann ansennyan Lasyans e Kalkil osi ki zot ganny bokou difikilte pou gannyen parfwa.

Mr Speaker Ledikasyon nou zanan i vremen krisyal, e sa mankman ansennyan pe annan en lefe advers lo letid nou bann zanan. Alors i tre

enportan ki Minister Ledikasyon i organiz li e ki rekritman bann ansenyan, sirtou si sa Minister i konnen i pe al rekrit aletranze i fer sa boner, akoz i bezwen ekspekte i konnen poudir son bann prosedir i pran letan.

Mon espere prezan ki sa Minister in fini fer son evalyasyon lo kote tou son resours imen, e fer sir ki bann pozisyon enportan i ganny ranpli an 2023.

Mr Speaker, ler nou regard proze kapital, bokou larzan in ganny pase koman *savings*, e sa se bann larzan plizoumwen *Grant*, ki Sesel pa'n gannyen avek *Saudi* e osi Lenn. Pou sa rezon Mr Speaker, mon distrik in ganny bokou afekte par sa, akoz bokou proze kapital par egzanp *land bank ex Deltel* ki ti'n ganny bidzete pou ariv R11 milyon sa lannen, pa'n ganny akonpli.

E sa i pou kre pli retar dan alokasyon later, kot nou ti pou sipoze ganny apepre 60 kare later. 2enm faz semen Grann Rivyer osi in tonm dan menm ka, akoz Gouvernman Lenn pa ankor donn larzan anba *Grant*, pou ki sa 2enm letap sa proze i komanse.

Konstriksyon pou ankor 3 blok lakaz ki ti pou ganny fer koman en ekstansyon kot

Lakour bann Dimoun Aze, Anse Royale pa'n akonpli osi. Twatir sant kominoter Anse Royale osi, i kontinyen deteryore letan ki i pe kontinyen esper en don en pe plis ki R1milyon pou ki sa proze i ganny realize.

Nou war lakres Anse Royale ki'n sezi lanmenm kot in arive. E nou'n tann diferans rezon ki'n ganny donner letan Minis ti vini, lo ki'n arive. Mon espere ki larzan pou sa lakres letan zot pe sey rezourd sa problem la, i ava ankor dan Bidze e ki nou a war konstriksyon i rekomanse e ki sa proze I konplete pour ki nou zanfan i kapab zwir zot nouvo lakres an 2023.

Mr Speaker, ler nou koz lo linefikasite Gouvernman, serten Manm *LDS* I vekse. Zot pran lakoler. Me wi Mr Speaker, i annan linefikasite e bokou i dan diferan Minister e Departman e Lazans, e sa i pou definitivman reflekte lo Gouvernman. Alors nou pa bezwen ankoler, nou pa bezwen tro vekse letan nou dir sa, akoz letan *LDS* ti dan Lopozisyon se tou ki zot ti vwar. Zot ti vwar nou Gouvernman i inefikas!

Zot ti vwar nou Gouvernman pa pe delivre e alors kanpanyi ti ganny fer lanmenm la anndan, ti dir tou pep Seselwa donn *LDS* sa

pouvwar pou ki zot, zot ava kapab delivre e montre lefikasite dan Gouvernman. Me ozordi zot dan sa soulye zot pe vwar poudir i pa fasil sa.

Wi zot pe konplent, zot annan zis 2an. Mon konpran sa mwan osi, me selman annou pran sa bann keksoz ki pe ganny dir zot a *build up* lo la zot osi. E fer ki zot ava vin pli efikas an 2013 e bann lannen ki pe vini.

Mr Speaker, ler nou koz lo linefikasite osi, i vin dan bann fason kot dimoun i dir ou i *call*, i anvoy en *email*, i anvoy let. I dir ou depi kot Biro Prezidan, Biro *VP*, i rod tou sa bann Minis e bann zofisye dan diferan Departman osi e Lazans, zot pa gannyen repons! Sa i apel inefikasite dan li menm. Dimoun i dir i ankor pe ganny fer vir an ron pou zot problem! Zot pa pe gannyen en solisyon.

Dimoun i konplent ki zot travay pou fer 2 bout zwenn, me zot pa arive aköz sa lavi i tro ser. La nou pa pe koz lo dimoun ki pe asize la nou? Nou pe dir dimoun ki pe trimouse, ki pe travay me selman pou fer sa 2 bout zwenn i difisil pou zot;- sa ki annan *loan*, sa ki annan *rent*, pey *bill* delo, pey *bill* elektrik ki'n monte. E zot pa kapab aziste pou peye.

Me ki nou war? Zot, zot pou dir nou i annan Lazans Proteksyon Sosyal, me eski Lazans Proteksyon Sosyal i pe vreman ede? Eski Lazans Proteksyon Sosyal, i pe vreman soulaz dimoun ki dan problem? Konbyen dimoun ki'n al fer laplikasyon, ki'n ganny rezete? Konbyen dimoun ki Dokter in rekomande ki i ganny lasistans pou serten kantite mwan, me desizyon i ganny pran par Lazans Proteksyon Sosyal, pou koup sa rekomandasyon ki Dokter in donn sa dimoun?

Ozordi sa kantite demann led pou en pe manze, *pampers* pou zot donn zanfan eksetera, ki mwan mon menm mon pe ganny dan distrik, dan en mwan Mr Speaker, i tro bokou! E mon pa kapab asiste, aköz i sipoze annan Lazans Proteksyon Sosyal la pou asiste e ed dimoun ki dan bezwen, me i pa efikas. Zot napa konpasyon.

(APPLAUSE)

HON SYLVANNE LEMIEL

Zot pa pe anvi konpran e war vre problem dimoun. Konbyen dimoun aze ki'n ganny refize lasistans en *carer*, e pe ganny dir ki i kapab peye, oubyen fer son zanfan peye? Me si sa

zanfan li osi i annan son det lo li, i pa kapab peye – i bezwen sa lasistans. Alors annou revwar e annou vin en pe pli konpasyon a sa pep ki'n met zot la!

Konbyen pti kontrakter ki'n *apply* pou later, e ki ankor pe espere pou ganny lasistans pou fer zot biznes? Zot pou kapab dir ki depi dan nou letan ti annan sa. Wi be la zot ki la! Sa pep in vot pou zot - in met zot la pou delivre pli byen ki nou, nou ti delivre. So delivre e asiste sa bann dimoun ki zot osi zot a kapab bouz devan!

Sa ki pe ganny fer sorti brit an bran, ozordi, nou pe vwar la kot *Playground*, dan landrwa kot zot pe debourye pou ganny en dipen, prezan pa konnen kote pou ale. Annou sey get dan fason, gete ki mannyer ou pli vit posib pou nou kapab asiste sa bann dimoun e ed zot.

Mr Speaker, bokou Seselwa pe viv en lavi strese ozordi. Bokou travayer dan diferan *MBAs* pe *overwork* e zot anba bokou presyon. I annan travayer ki pe fer louvraz pou 2, 3 dimoun e sa i met bokou presyon lo zot. Zot pe travay pou menm saler e zot pa pe vwar nanryen an plis ki pe antre lo zot kont lafen dimwan. Petet en laranzman dan zot saler, e menm en laranzman

dan *allowance* ti a ede e donn zot sa lankourazman.

Mr Speaker, lanaliz lo sa Bidze siplemanter, in demontre ki tou bann *MBAs* i devret seryezman revwar zot plan stratezik, e osi zot priyorite, pou asire ki zot manda i ganny akonpli e zot kapab byen servi sa Bidze ki zot demande dan en fason pli efikas.

Alors Mr Speaker, mon espere ki sa sonm R472.8milyon siplemanter ki Gouvernman pe demande, i enn ki'n ganny byen kalkile, e asire ki sa bann *MDAs* ki pou benefisyé avek sa Bidze siplemanter, zot a kapab akonpli zot proze par Desanm 2022.

Me toudmenm Mr Speaker, mon oule demann zabitan mon distrik, pou reste touzour rezilyan e ansanm nou pou arive sirmont, sa bann difikilte ki nou pe pas ladan. Mersi Mr Speaker.

(APPLAUSE)

MR SPEAKER

Mersi Onorab. Nou a pran poz la. Apre poz i a reste nou ladres le 2 *leaders* ki i a termin travay lo sa Mosyon.

(BREAK)

MR SPEAKER

Byen, avan nou pran deba mon oule adres pwen ki Onorab *LOTO* ti leve an relasyon avek en kestyon ki Onorab Vidot in anmennen. In demann permisyon pou met en Mosyon, e pou demann en kestyon lo size dife dan *landfill*. Avek konstrent letan, mon pa kapab pran ni son Mosyon ki kapab anmenn en pe Lopozisyon e deba – mon pa kapab, alor mon pa pou pran son kestyon *as such*.

Me akoz mon annan Minis Joubert ki konsernen la, ler nou fini lo *item SeyCCAT*, mon pou demann li lo non Onorab Vidot, pou fer en ladres lo size dife lo *landfill* e kestyon ki Onorab Vidot in leve. So i a kapab ganny sans ganny en lenformasyon, me solman mon pa kapab pran ni son kestyon, ni son Mosyon dan nou Lord Biznes. Mersi. Nou a kontinyen avek *Order Paper*. Nou a kontinyen avek deba e nou ariv kot *Leader* Lopozisyon.

HON SEBASTIEN PILLAY

Mersi pou donn mwan laparol, pou mwan fer mon lentervansyon lo sa Mosyon ki konsern sa Bidze siplemanter ki devan Lasanble ozordi bomaten, ki'n komans ganny deba yer. Premyerman les

mwan remerisi tou Manm lo kote *United Seychelles* ki'n entervenir lo sa deba. Mon krwar ki zot in montre lepep Seselwa, lekel kote dan sa Lasanble ki'n vreman pare pou debat pou lentere lepep Seselwa dan sa pei!

Zot in montre lekel ki pare pou debat dan lentere lepep Seselwa, akoz se sa kote latab ki'n koz dan zentere Seselwa ozordi.

Mr Speaker, i kler ki dan sa Lasanble - i kler ki dan sa Lasanble ozordi nou'n vwar e apre yer nou'n tande, ki mannyer en mazorite absolli i kapab pas son letan gele dan Lasanble, ki a en moman donnen mon ti krwar zot bezwen en *tissue* pou zot kapab eswiy zot larm, apre ki zot realiz ki larealite devan zot ozordi i se ki zot Gouvernman pe *fail* sa pep!

Zot Gouvernman pe *fail* sa pep akoz zot senpleman i pa pe kapab reponn a lapel ki i ti lanse li menm an 2020;- savedir sa "lagrenn bat latet" ki zot ti aste, kot *store* Lagrikiltir, Seselwa pe rezete. Seselwa pe rezete, akoz Seselwa pe finalman realize, ki dan plas elekte en group dimoun pou koz lo zot *behalf*, zot in elekte en group dimoun pou zis defann lentere Gouvernman, e lentere

serten dimoun ki pa lenter lamazorite.

E la mon oule dir ek zot ki si zot krwar sa Gouvernman pe marse pou serten, me pou lamazorite, i pa pe marse. E atraver ou Mr Speaker, les mwan adres serten keksoz ki'n ganny koze – ki'n ganny souleve a mon egar koman *Leader* Lopozisyon dan sa Lasanble Nasyonal.

Premyerman atraver ou Mr Speaker, mon oule Onorab Larue - mon pa war li la - pou dir ek li ki nou napa okenn lesan dan moralite pou pran avek Onorab Larue lo sa kote latab!

(APPLAUSE)

HON SEBASTIEN PILLAY

Nou napa okenn lesan pou pran avek sa Onorab, aköz avan i vin tir sa lapay dan nou lizye, tir sa blok ki dan pou li! Ler Onorab Larue i vin dir ek mwan koumsa pou dir mwan mon'n fer malelve avek Minis pou Lasante, demann son lekor alor, aköz ki ozordi bomaten i annan en *meeting* kot Minister Lasante pou tou bann *Heads* dan Minister Lasante!

(APPLAUSE)

HON SEBASTIEN PILLAY

Demann son lekor, aköz ki malgre sa kantite teks ki son bann Manm lo son kote latab in gannyen, zot pa'n oze – zot pa'n oze demann Minis pou Lasante en kestyon pou *challenge* li lo sa ki bann dimoun in dir zot. Aköz i kler – i kler ki zot in vin en Lasanble ki per zot Legzekitiv, zot per zot Gouvernman e zot pa kapab *challenge* zot Gouvernman!

Lonorab Sekreter Zeneral LDS atraver ou Mr Speaker, in sey fer nou krwar ki son Gouvernman i en Gouvernman ki pe fer sikse. Sikse lo kwa? Sikse lo sa ki ou kanmarad in fer oparavan ki ou pe koup riban? Konbyen lakaz ki Gouvernman LDS in reisir fer?

Nou'n fer en nouvo Lazans pou Lenfrastruktir, e sa Lazans pa'n kapab depans lamazorite larzan ki'n ganny met a son dispozisyon. Yer menm nou'n tann Minis koz lo en problem ki dan *Malaysian Flat* ki aprezan ki nou pe al fer legzersis teknik, malgre ki Onorab in anmenn kestyon dan sa Lasanble, depi ler son Gouvernman in o pouvwar. Eski sa i reprezant efikasite?

Mon'n tann atraver ou Mr Speaker Onorab Adelaide, sey ekskiz linefikasite son Gouvernman par koz lo later *US* ki pou ganny *acquire*. Onorab

bring it on! Vin acquire ou later, me dir ek dimoun Baie Lazare laverite ki Gouvernman in let zot down, apre en promes ki Prezidan Larepublik ti fer dan sa menm Lasanble, ki klinik Baie Lazare pou ganny fer!

Mon krwar i enportan Mr Speaker, ki nou sitye nou byen lo sa deba. Apre 30an - 30an ki Onorab Hoareau e koleg in vot kont tou Bidze ki'n vin devan sa Lasanble, Onorab Hoareau pou vin donn mwan en leson dan ki manner en Bidze i marse. Onorab sa bann etidyan ki la la lo sa kote latab, in fini pas kors dan ki manner en Bidze i marse. So pran ou leson, donn Onorab Zialor, ki li sak fwa i vin en *Bill* kot i kontansye pou Gouvernman e dezabilite, i rod en fason pou li disparet dan Lasanble!

(APPLAUSE)

HON SEBASTIEN PILLAY

(APPLAUSE)

Ou konnen ki zot ti krwar, zot ti krwar poudir sa pou parey zot ti vini, ler nou ti dan sizyenm Lasanble, zot ti pou pil lo nou – zot ti pou pil lo nou? Be zot in bliye lekel ki sir 'Pillay' la anndan? Mwan ki siny 'Pillay' la anndan!!

(APPLAUSE)

HON SEBASTIEN PILLAY

Zot a sant ankor "Pile pil lo li!" Zot a konnen lekel ki pou pile prezan safwasi!

(laughter)

HON SEBASTIEN PILLAY

Mwan mon oule fer kler avek zot poudir zot bann politik bonmarse, zot a vin koz lo politik popilis. Be lekel ki ti fer politik popilis? Lekel ki ti admet Mr Speaker atraver ou Onorab Henrie ti admet "Nou pa pou donn Gouvernman bann Minis ki pou fer li fonksyonnen?" Zot ki ti admet, zot pa pou donn Gouvernman Mr Faure pou fer son Minis pou fer li fonksyonnen.

Zot ti'n pran 2 boul zot ti anmar ek lipye sa boug, me kantmenm sa boug in montre son *statesmanship*, sa boug in sey anmenn sa pei mannyer i kapab;- malgre zot in anmar li ek lasenn - pik li ek kouto – napa ki pa ti apel li. En letan atraver ou Mr Speaker, Onorab Larue ti apel Prezidan Faure "Danny Koko!" Bliye sa?

(Off-Mic)

HON SEBASTIEN PILLAY

Prezan i annan 2 liv ki *LDS* i lir. I annan en liv "2020 and Forward" apre i annan en liv "2020 and Before." Sa liv "2020

and Forward” zot met lo *shelf*, zot les pran lapousyer sa zot. Zot pa zanmen get dan sa enn zot. Sa liv avan 2020 sa zot tire tanzantan;- “Prezidan Michel ti dir poudir dan Lasante i annan sa!” Be li in dir sa, omwen in fran in dir sa.

Mwan yer swar ler mon pe get Nouvel, e mon krwar *SBC* pa’n fer ekspre mon krwar - mon pa konnen i pas larepons zot Minis. Zot in tann reaksyon piblik? Zot in tann reaksyon *staff* Lasante? Zot, zot krwar poudir mwan mon kont *staff* Lasante?

Staff Lasante i nerve ek zot ozordi akoz zot ti fer *staff* Lasante desann dan semen, apre nanryen pa’n gannyen ek zot! Me sa ki pli enportan i annan i koz *off-mic* la sa Lasanble, selman ler in ariv ler pou demann kestyon Minis, zot pa kapab!

Zot annou arete sa! Annou arete vini vin dir nou, nou pe fer politik bonmarse, akoz larealite se politik bonmarse se zot ki’n fer, prezan zot pe *reap the benefits*, zot pe anmas sa ki’n arive ek sa politik bonmarse.

I enportan Mr Speaker, pou ler nou get sa Bidze siplemanter pou nou konpran en keksoz, vot dimoun La Digue zot pa pou gannyen!

(APPLAUSE)

HON SEBASTIEN PILLAY

Anmenn zot bato touris lo La Digue, anmenn zot isi, monte desann dan bato larme lo La Digue, fer fini *fuel*, fer sa ki zot oule, zot pa pou gannyen La Digue! La Digue pou reelekte Onorab Uranie ankor dan sa Lasanble!

(APPLAUSE)

HON SEBASTIEN PILLAY

Anmar son lanmen, kas anba li, anpes li konnen ki pe pase, fer sa ki zot oule, *still* dimoun La Digue pou elekte li!

(APPLAUSE)

HON SEBASTIEN PILLAY

Me sa ki enportan, Baie Lazare mon pou pas en kou pa trakase ou. Pa rod mwan laba ou, ou konnen zour mon vini pou serye pou ou! Sa ki enportan – sa ki enportan, get en kou dan zot bann distrik. Zot al get zot bann distrik zot – ok? (Be ou, ou pa’n ganny elekte reste ou trankil ou! Onorab Gill in ganny elekte).

Mr Speaker, ler mwan mon get sa Bidze, i kler ki poudir rezon akoz zot pe anmenn sa largiman lo sa kote

latab, se akoz ti annan en promes pou fer pli byen ki sa Gouvernman ki la avan. Ti annan en promes. Onorab William atraver ou Mr Speaker, ti tret Gouvernman avan koman inefikas, ler i ti retourn avek en Bidze, ki ti annan *delay in recruitment*.

Me ki manner ozordi, sa menm Onorab ki en Onorab ki mon konnen i en Onorab ki mon konnen i annan bokou lafors, pa kapab dir poudir i annan en problem? Ki manner zot ki dir mwan zot koz lo non zenn, apre ki Minis responsab pou Lafanmir ek *Sport* ti dir dan sa Lasanble, ki zot pe fer *right sizing* and *downsizing* limero 8 i vin limero sa, lot “pwason mont pye dibwa” - i ti dir nou i pe fer koupir – koupir kot NSC dimoun ti pe ganny aret fer travay – NSC i vini i prezant en Bidze kot 2.5milyon pa’n *recruit*?

And that’s ok? Prezan i annan sa kantite zenn ki’n dan *sport* ki pe rod fason pou rod en louvraz avek sityasyon ki’n arive dan pei? I pa tous zot? E zot pe koz lo non dimoun? E zot pa *challenge* sa Minis poudir be oli ou plan? Oli ou bann gran teori?

Minis i ganny en *challenge* avek en Onorab lo sa kote latab

– Onorab Sylvanne Lemiel, ki’n fer en *speech* fantastik taler – dayer tou bann Manm US in fer bann *speech* fantastik, akoz bann Manm US i konekte avek lepep Seselwa ...

(APPLAUSE)

HON SEBASTIEN PILLAY

...ti demann li ki pe arive avek sa later, ou konnen ki Minis pe dir? E nou, nou’n tande nou konnen – Minis i dir li menm li i pa konnen ki pou fer avek sa later, Anse Royale! Selman yer – e mon kontan Onorab Larue i demann sa bann – par ler i leve i sey demann sa bann keston atraver ou Mr Speaker, me pov pti bet, mon krwar i ganny kontrole.

(laughter)

HON SEBASTIEN PILLAY

Konmsi mwan mon oule - konmsi mwan mon oule annou aksepte larealite. Mwan en ta maltrete mon gannyen. Yer en garson kot *SFA* i demann mwan koumsa poudir – i pa’n demann mwan pe al koz baz politik. I dir mwan “konmsi ki manner ou fer sa ki ou fer malgre konmsi tou maltrete ki ou gannyen?”

Mon krwar petet sa garson ki pe sey konpran, eski ler i ganny problem i kontinyen.

Mon mesaz ki mon annan pou pase ek li, “mon frer se persevere – persevere.” Mon annan 2 tim foutbol avek 2 refri ki zwe dan sa tim foutbol la anndan, ki pe sey met nou kote anba kontrol, me tou dimoun i vwar poudir lekel ki pe koz parey en mazorite dan sa Lasanble, se *United Seychelles!*

(APPLAUSE)

HON SEBASTIEN PILLAY

E sa *United Seychelles* ki zot ti krwar in mor, parey zot sante, pa’n mor sa! Napa ni refer sa! Sa *United Seychelles* i la! *It’s back, bigger, better than ever!*

(APPLAUSE)

HON SEBASTIEN PILLAY

Be mwan mon kontan zot pe riye – *yeah* riye – aköz ler mon pas dan zot bann distrik - (e mon pase) – ler mon pas dan zot bann distrik mon asize ek peser, mon asize avek dimoun mon dir be ki mannyer ou pe santi? “Mon frer *hmm* si mon ti konnen...!” Wi Simon ti konnen li. Simon ti konnen be nou pa’n ekoute!

Sa ki enteresan ankor Mr Speaker, mon tann Onorab Woodcock atraver ou pe koz lo “poul ponn dan pikan’,” i enteresan Mr Speaker ki

mannyer en Onorab ki ti atak sa Bidze siplemanter, ki *US* ti vin avek, ki ti koz lo diferan Bidze, mannyer Onorab ti dir ou bezwen koman en Gouvernman fer sir ou pare, ozordi oli son labous? Oli ou labous, ki’n arive avek?

Konmsi mon krwar *mes amis* in ler pou zot regard byen. Nou a vin nou a sey tir zot dan basen kanmaron, me nou, nou pa oule zot redi nou dan basen kanmaron ek zot! Aköz nou nou’n fer en promes ek lepep Seselwa poudir nou pou fer en keksoz diferaman. E diferaman pa veditou sa ki pas devan nou, nou pou tonm dakor avek. Nou’n vote an faver keksoz ki byen pou Seselwa, me kot i mal pou Seselwa, nou pou dir.

Par egzanp Mr Speaker, ler ou dir mwan poudir en Minister pa kapab depans R20milyon dan *recruitment*, e sa menm Minister ki ansarz *ANHRD*, nou annan en problenm. Nou annan en problenm. Premye lannen ti dir nou pe fer plan. 2enm lannen ankor pe fer plan, savedir nou pou ariv 2025 ankor pe fer plan? Be pep Seselwa eski ou pou esper plan 2025 ouswa ou pou dir avek sa bann msye, “*sorry, pack and go*” aköz la in ler pou nou met en lot dimoun la!

(APPLAUSE)

HON SEBASTIEN PILLAY

Akoz se sa ki Seselwa ti dir, nou a sey ou si ou pa kapab nou a tir ou. So mon demann Seselwa onor ou lobligasyon ou osi. Si ou pa satisfè tir li. Tir li. Aret anvoy mwan mesaz pou dir” pa bezwen nonm mon non!” Arete fer sa! Akoz wi mon pou pase ou pwen, be pran ou responsabilite ou osi.

Akoz nou tou nou konnen poudir si pou pa debout pou sa ki *right*, sa ki nou drwa dan sa pei, nou pou perdi nou bann drwa dan sa pei. Dayer in dir - pa ti ganny dir poudir zafer drwa dan Konstitisyon la? Nou tou nou ti tande *live* lo televizyon.

Mr Speaker, ler nou regard dan sa Bidze, e la nou bezwen et fran – nou fran nou e mon krwar bann Manm in eksprim sa byen – *ok?* Nou pe koz larzan pou *Health Care Agency* be nou, nou kontan larzan *Health Care Agency* – nou napa problem ek sa nou. Sanmenm nou anmenn kestyon.

Mwan mon pa anmenn kestyon pou anbaras Minis. Mon anmenn kestyon pou fer *Health Care Agency* travay plis, akoz *mes amis* mon annan

fanmir ki al Lopital. Mwan osi en zour mon pou al Lopital. Zot osi en zour zot pou al Lopital, me malerezman bann Minis zot ganny *allowance* pou al fer tes deor zot, mazin byen sa!

So ler mon dir zot mon pe koz lo Seselwa, i annan en rezon akoz. I annan en rezon akoz mon pe dir sa bann keksoz. Mwan i pa *staff* ki *issue*, se ki *leadership* i bezwen pran en rol pli aktif, dan *manage* nou sistenm Lasante. Sa ki nou pe rode! Moral nou bann dimoun dan sistenm Lasante bezwen ogmante, se pou sa rezon ki mon war ki ler nou propoze en Bidze siplemanter pou *Health Care Agency*, mon kontan.

Mon kontan ler nou propoz en Bidze pou aste en nouvo *MRI*, be mwan mon ti ekout Minis byen i ti dir nou pe demann Minister Finans larzan. Be i paret ki nou annan en problemm kominikasyon. Larzan i dan sa Bidze pou sa nouvo *MRI*.

Ler Minis i dir nou serten latizann nou kapab aste son lot kalite – par egzanp sa latizann ki apel *Warfarin*. Ankor yer swar mon’n dir be eski mwan ki mal lo sa size? Mon’n al demann dimoun. Dimoun in dir mwan ler ou servi *Warfarin* ou bezwen al fer en tes disan tou le mwan - bezwen pik ou. Tandis

ki ler ou servi sa lot, i limit lakantite fwa ki ou bezwen al fer sa tes disan. Onorab Esparon i konn sa byen li.

Se pour sa rezon ki nou ti demann sa kestyon. Ou konpran? Akoz ler ou servi sa kalite latizann, serten kalite manze osi ou pa kapab manze. Be nou *diet* Sesel i annan sa bann manze ladan. Mon pa ti pe vin anbaras Minis Lasante mwan. I en laverite.

Par egzanp ler mon ti pe koz sa bann – la sa bann latizann pou *hypertension*, i annan serten latizann ki bann madanm i pran i koz zot *bloating* dan figir. Ler zot bros zot ledan zot *gums*, i *bleed*. So se pou sa rezon ki mon ti le *press Minis for action*. E se pour sa rezon ki mwan mon kontan war larzan ladan.

E ler Onorab Sekreter Zeneral atraver ou Mr Speaker, i dir koumsa poudir mon ti dan sa *meeting* ek Finans, i a rapel byen ki premye kestyon ki mon ti demann SS Payet, se eski i annan larzan pou latizann? Akoz mon ti'n deza konnen poudir sa i en *issue*. Sa i napa nanryen pou fer avek retir konfidans kontrer mon anvi dimoun i al kot Dokter. Mon anvi dimoun kapab ganny sa servis.

Me ler nou dir ek dimoun nou napa en serten latizann al aste kot klinik prive, fodre sa dimoun i annan sa larzan pou aste sa latizann klinik prive. Se pour sa rezon ki nou sistenm *Lasante mes amis* - e la mon a edik zot, en pe – nou sistenm *Lasante is a public good and it is a social good*. Se sa dan Polisi ki mannyer ou defini bann Polisi.

E ler Polisi i servi tou le de *ambit*, Gouvernman i pran en langazman pou li *provide* li antyerman pa an bout. Me zot pa'n koz lo la ditou zot. Konbyen zot ki'n koz lo la la? Person!

Mr Speaker, ler nou regard par egzanp, sa larzan ki pe al ek Minister Lagrikiltir an relasyon avek *additional funding over 70million*. Me nou, nou'n press Minis lo la nou. Me zot ki zot in fer, zot in prefere vin kritik Onorab Cosgrow ki ti en ansyen Minis, dan plas regarde ki mannyer zot pou fer keksoz pli byen.

Zot vini tou le Mardi zot pou sey kritik Onorab Cosgrow ki ti ansyen Minis, dan plas zot sey fer pli byen. E finalman zot pe realize poudir zot pa kapab fer sa garson nanryen, akoz sa garson i en boug ki rezilyan, i en boug ki for.

(APPLAUSE)

HON SEBASTIEN PILLAY

E i enteresan, akoz ler nou pe koz bann keksoz parey Lasante avek Lagrikiltir, nou pe al ver sa ki program *IMF* ti dir se ki, ou bezwen annan bann *social component of* ou program. Me zot oule atak Onorab Loze ek sa ki in dir? *At least* li in fer en zefor pou al fer son resers. Be zot oli resers ki zot, zot in fer? Prezan ou vini pou atak li. Me rod en fason pou ou defann ou pwen dan Lasanble!

E sa ki en realite, nou ler nou ti anbark dan program reform 2008, nou ti al dan tou distrik nou ti eksplik tou dimoun. Ki distrik zot in al ladan zot?

(APPLAUSE)

HON SEBASTIEN PILLAY

Oli detay sa program son *breakdown* ki pe arive kot *Welfare*, ki pe arive kot *ASP*? Napa. E la ler mon vin lo sa size Mr Speaker, permet mwan tret sa size *temporary financial assistance* dan sa....

MR SPEAKER

... Onorab mon kapab sinyale ki ou'n ariv 25minit. Mon ti a swete ki ou pa depas 30.

HON SEBASTIEN PILLAY

Mersi Mr Speaker. Ler nou get sa *temporary financial assistance ki ASP* pe donner, eski zot ti okouran ki ozordi ki *ASP* ki deside lekel pasyan ki Bord Medikal in met devan li ki sipoze ganny lasistans *Welfare*? Lasistans? I annan en *MNA* la anndan i bezwen *call* dimoun devan *CEO ASP*, pou fer sir *CEO ASP* i reponn pou demande si in ganny apwentman, pa'n ganny apwentman. Zot al war zot dimoun zot! Arete vin kritik nou poudir nou, nou en Lopozisyon iresponsab. Nou pe zwe nou rol koman Lopozisyon pou *keep* sa Gouvernman *accountable*!

(APPLAUSE)

HON SEBASTIEN PILLAY

I nou responsabilite - i nou devwar. Ler nou ti komanse, lakantite dimoun ki ti maltret nou ti sa kantite. Ozordi lakantite dimoun ki maltret nou in redwir in vin en pti git. Akoz dimoun i konnen ozordi menm zot siporter, si i le en size pase nasyonalmann, plito i anmenn kot en *MNA US*, ki i anmenn kot en *MNA LDS*, oubyen i anmenm kot Gouvernman. E la pa les mwan koz lo Gouvernman - *with regards to* sa inefikasite, akoz i vre ki zot bann Minis pa

reponn let ki dimoun in ekrir zot!

I en *reality* ozordi dan sa pei. E ler Gouvernman i vin demann en Lasanble larzan anplis, nou bezwen fer sir sa Gouvernman i *own up* to son responsabilite, i vin pran en larzan an plis.

Yes dan leparse nou'n fer fot. Yes nou'n fer isi. Yes nou'n fer laba nou a pran *the good*, nou a pran *the bad*, nou a pran *the ugly*. Me zot ni en *good* zot pa ankor annan. Zot annan zis *the bad* ek *the ugly* pou le moman. So dres zot bord! Akoz sa ki enportan ki nou bezwen konpran nou koman en Lasanble, nou pa kapab vin en *rubber stamp* ki sak fwa Gouvernman i anvoy en keksoz dan nou lagorz, nou nek nou aksepte.

Nou ti aksepte pou tire ki bann *spouse*, i fer *declaration of asset*. Zot ti aksepte zot. Nou, nou ti vot kont, zot, zot ti vot an faver. Zot koz lo koripsyon, ki nou pe tandé dan zot Gouvernman zot bann nouvo *CEO* ki'n swadizan ganny apwente pou met lord? Tir sa blok ki dan zot lisyé avan zot tir lapousyer ki dan nou lizye. Akoz zot in fatige tir blok dan nou lizye, tou blok in tonbe prezan i reste lo zot kote pou zot aranz zot.

Mr Speaker, mwan mon oule osi koz lo sa size *capital projects*. Ou dir mwan pa desot 30 mon pou esey pa desot 30minit. Me i enportan Mr Speaker pou mwan met devan ou. Mon'n fer sir mon asir byen sa ki mon pe dir dan sa Lasanble, akoz mon'n al get tou sa ki mwan mon'n dir. Mon ti dir ek Minis Finans, ou bann prozeksyon lo *Grants* pa realistik an 2021. E li i ti dir poudir li i lo sa kote – mon parti ek mwan, nou annan en diferans avek sa ki zot, zot panse.

Si nou, nou pans koumsa, Gouvernman i konn pli byen ki nou alors Gouvernman ki pe fer dan sa fason. Ozordi plis ki R700milyon dan *Grant* pa'n materyalize. E zot pe fer egzaktéman sa ki zot Vis-Prezidan ti blanm Gouvernman avan pou fer, se ki pran larzan dan nou Bidze prezan en lot landrwa pou al fer en proze ki sipoze vin anba *Grant*. Eski sa i apel fer pli byen?

Nou bezwen et realis. Annou get leta nou pei ozordi. Leta nou pei ozordi ou annan bann zenn – zenn i anvi anmize e zenn i bezwen anmiz dan vyolans. Ou annan plizyer aksidan ki pe arive, ou pa ankor Minis pou Zafer Entern vin devan pou koz lo program

prevansyon ki i pe met an plas. Eski tousala nou – mon bezwen demann Speaker, en semenn *PNQ* pou mwan kapab demann kestyon pou fer bann Minis vin reponn dan sa Lasanble.

Larealite Mr Speaker, e larealite pep Seselwa, e mon pe koz ek zot la deor, akoz mon pe koz pou dimoun – zot pe ekout mwan – larealite, i se ki ozordi, ozordi koman politisyen, sa ki ti promet zot i pou koz lo zot *behalf*, pa pe fer li ozordi. E sa ki ou, ou pa ti oule, lepep Seselwa, sa ki ou ti tap ek ou lipye ozordi, in dir ou les li kantmenm ou'n tap mwan, be mon ankor kontan ou lepep Seselwa, *United Seychelles* i ankor kontan ou lepep Seselwa!

(APPLAUSE)

HON SEBASTIEN PILLAY

E nou pou lager pou ou akoz nou pei i en pei beni. E nou pou fer sir poudir sa pei pa vin en pei zis pou serten, me i vin en pei pou lamazorite Seselwa! Akoz dan sa pei nou tou nou annan menm drwa egal.

Mr Speaker, an konklizyon – an konklizyon Mr Speaker i enportan pou nou not en fe otour sa Bidze siplemanter. E sa se latransparans. I annan bokou ki'n ganny dir lo sa lager kont

koripsyon. Nou, nou pa kont lager kont koripsyon. Me fodre pa ki kont lager kont koripsyon, nou fer bann keksoz ki pa anliny avek bann prensip ki nou tou nou'n etabli. Bann standar ki nou'n etabli.

E si nou pe fer sa, nou pa pe swiv sa bann standar, alors nou pou retourn kot nou ti dir nou ete, nou pa oule reste. Seselwa pa anvi reste dan en basen kanmaron – i anvi sorti. Me lakle pou sorti ozordi malerezman, i dan zot lanmen, akoz se zot ki Seselwa in deside pou donn son mazorite.

So own up responsabilite pou sa mazorite e travay lo non sa mazorite. E se pour sa rezon Mr Speaker, ki mon dir ki i bezwen annan latransparans dan lafason ki okenn antite Gouvernman, i ganny larzan pou depanse, an okenn aksyon ki i fer.

I enportan ki nou etabli bann baz lo bann *consultancies* ki pe ganny donner dan nou pei, akoz nou pe komans war en tandans Mr Speaker – en tandans danzere kot nou pe annan en *over reliance* lo etranze dan nou pei, pou fer bann keksoz ki Seselwa i kapab fer! Alors oli Sesel pou Seselwa ki *SNP* ti koz lo la? Ozordi Mr Speaker ...

MR SPEAKER

Onorab 30minit en?

HON SEBASTIEN PILLAY

Mon fini Mr Speaker, mon pe al terminen. Mersi. Mon kontan ou pe vey mon letan Mr Speaker, ou vey mwan byen. Mr Speaker, ozordi i kler poudir mon'n war premyer fwa e mon pa ti ekspekte tann en Gouvernman sorti dan *SNP* defann rezon akoz oule apwent en etranze pou ansarz nou por! Kot nou annan plizyer Seselwa ki'n *train* ki kapab fer sa louvraz. Ozordi nou pe defann akoz nou bezwen apwent etranze pou met en *financial controller* dan en antite Gouvernman. E rezon akoz Mr Speaker, mon fini lo sa pwen – e rezon akoz nou annan *delays in recruitment*, aret blanm travayer servis piblik pou inefikasite zot bann *leaders* ki zot in met dan sa bann landrwa!

(APPLAUSE)

HON SEBASTIEN PILLAY

Aret blanm fonksyonner piblik pou inefikas *leaders*. *Call your leaders accountable!* Akoz mwan mon garanti Seselwa ki en Gouvernman *United Seychelles* pa pou repete menm fot ki zot bann *leaders*, i krwar ki zot annan en *Kingdom* e zot

ki deside ki pou fer ladan! Parey ki arive anba sa Gouvernman *LDS* ozordi.

(APPLAUSE)

HON SEBASTIEN PILLAY

An konklizyon Mr Speaker, mon oule dir ki la ozordi zot pe gout en kou sa salad ki zot in fer nou goute pandan 30an. Zot pe konpran ki ler zot anmenn en Bidze siplemanter dan en Lasanble devan piblik, kekyon pou ganny demande avek zot lo sa Bidze siplemanter.

In ler pou zot mazinez ki nouvo nide, en kantite zenn pe propoze ozordi. Me lamazorite nouvo lide ki dimoun pe propoze pe ganny tap kalot ladan. Akoz? Akoz zot pa pe war ki pe arive kot zis serten dan sa pei, ki pe benefisyé avek serten loportinite.

E Mr Speaker mon dir ou sa ozordi, yer en kontrakter *PMC* in anvoy mwan en mesaz, i dir mwan *PMC* pa ankor fini pey zot bann kontrakter. I annan kontrakter ki dir mwan zot pe rod louvraz pa pe ganny ditou dan Gouvernman.

Tousala i bann problem ki nou pe fer fas avek e ki nou bezwen adrese. E ki en Bidze siplemanter i vin dan sa konteks e ki nou pe dir ek Gouvernman, ler ou pe rod sa

Bidze siplemanter, pa dir nou premyerman *savings* ki ou'n fer lo *Grant*, i en *saving* akoz sa larzan pa ti la.

Me pli enportan, mazineen poudir ler ou ganny sa Bidze siplemanter pou re *align* nou bann depans, mazineen ki mannyer ou kapab pran en pe larzan pou met dan pos Seselwa. Met larzan dan pos Seselwa. Mersi Mr Speaker.

(APPLAUSE)

MR SPEAKER

(APPLAUSE)

HON BERNARD GEORGES

Mr Speaker, Onorab Lopoziyon pe koz lo en Bidze siplemanter i komans koz 11.04. Premye fwa ki i mansyonn Bidze siplemanter I 11.16 - 12minit apre ki in komans koze. E nou tou ki'n ekout li la bomaten, nou'n realize ki pandan tou sa 30minit ekek minit ki sa Onorab in koze, I pa'n dir nanryen!

E sa se son labitid, koz en kantite parol, e al dan tou direksyon, i frot tou tenm posib me finalman ou pa kapab konnen ki sa ki in dir ou, e kisisa ki i pe sey anmenn devan lepep Seselwa.

Mr Speaker, i kler ki zot pa pou vot pou sa Bidze siplemanter, swa zot pou vot kont, swa zot pou *abstain*. Sa i kler. Annefe mon bezwen dir zot *abstain*, vot kont, Onorab

Adelaide in fer zot konpran bomaten, ki Bidze pou pase, akoz lamazorite lepep Seselwa i siport sa Bidze siplemanter ki nou'n anmennen devan Lasanble.

Semenn pase Mr Speaker, mon ti envit Lasanble a lafen nou zournen travay pou pas sa Mosyon vitman. Me Lopoziyon pa ti dakor, zot ti anvi koze. E zot ti anvi vin dir sa bann keksoz ki zot in vin dir.

E mon kontan ki zot in fer sa. Mon kontan en kantite ki zot in fer sa Mr Speaker, e mon kontan ki zot in pran sa pozisyon. Akoz enn par enn par letan ki zot in koze dan sa Lasanble lo sa Bidze siplemanter, zot in fer lepep Seselwa konpran akoz ki le 24 Oktob 2020 zot ti sorti lo sa kote latab e zot in ti al lo lot kote latab.

E pandan mon pe koz lo 2020 Mr Speaker, les mwan demann en kestyon lo sa zafer "lagrenn bat latet." Onorab i dir ki LDS ti aste 'lagrenn bat latet' lo store Lagrikiltir an 2020. Mon kestyon se sa, si zot, zot ti ansarz, parey zot ti ansarz store Lagrikiltir depi 1977 ziska 2020, akoz zot ti pran larzan lepep Seselwa pou al aste' lagrenn bat latet' pou met lo letazer Lagrikiltir?

(laughter)
(APPLAUSE)

HON BERNARD GEORGES

Akoz zot pa'n pran sa larzan pou aste langre, pou aste tomat, pou aste lagrenn bred, pou aste lagrenn leti pou met lo store Lagrikiltir? Kekfwa si zot ti'n fer sa, ozordi nou pei pa ti pou dan sa defayans ki nou'n trouv li an 2020.

Mr Speaker, apard Onorab Gill ek Onorab Gabriel, e en pti pe Onorab Lemiel, tou Manm Lopoziyon in kit Bidze siplemanter ater. Zot in prefere koz lo sa *savings* ki dan sa Bidze siplemanter. Annefe i pa dan sa Bidze siplemanter ditou, akoz sa Bidze siplemanter pe demann en depans an plis parey son non i dir.

Me zot pa'n anvi tous sa ditou e Onorab ki'n fek koz avan mwan li osi i pa'n tous sa ditou. Zot in prefere koz lo bann *saving*, al rod bann swadizan defayans. E ler zot fer sa Mr Speaker, i fer mwan rapel sa parol ki mon ti dir detrwa mwan pase, ki zot annan en gitar zis en lakord zot. Zot kapab tir zis en *tune*.

E i fer mwan rapel (mersi Onorab Uranie ki ou'n fer mwan mazin sa gitar). Ler zot in koze in fer mwan mazin sa zenn ki ti anvi zve gitar. Me mwan mon

I annan en Minister ki an Oktob 2020, ler zot in sorti, mon ava fer zot rapel, Minis ti annan en *fridge*, PS ti annan en *fridge*, sekreter PS ti annan en *fridge*, DG ti annan en *fridge*, sekreter DG ti annan en *fridge*! Se sa ki zot fason travay zot, ler in ariv Desanm i annan en pti

larzan ki reste, nou annan 8 *fridge*, nou annan 8 *fridge*, annou al aste ankor 4 nou ava met la. kanmenm nou pa bezwen annou depanse!

Sa 3 Onorab zot annan en distrik pou defann zot! Zot in ganny elekter pou vin isi dan sa Lasanble, zot. Zot pa bann dimoun ki'n vin isi bann *armchair politicians* ki lir bann soz *IMF* lo *internet*, epi i lir avek nou isi dan Lasanble. Zot konnen – zot konnen ki savedir pas devan laport dimoun! Zot konnen ki savedir tanto ler zot pou remonte, ler zot pou al dan zot distrik ki kont zot bezwen al reponn avek dimoun.

Fasil Mr Speaker, ler ou napa okenn distrik pou ou *manage*, pou ou vin zis vin devan Lasanble pou koz nenport kwa. Napa nanryen ki pli fasil ki sa. Ler - ler ou'n al devan laport dimoun e ou'n *convince* dimoun ki ou meyer kandida pou zot, sa i en lot keksoz e la ou kapab vin koze isi.

E se pour sa rezon ki zot in abord sa size Bidze siplemanter, olye koz zis lo *savings* e bann keksoz ki zot kapab vin fer politik avek.

En lot Onorab li Mr Speaker, i anvi konnen – i anvi dir ki zot napa problemm avek Lopital zot. Zot annan problemm avek son lokasyon Lopital. Be atraver ou Mr Speaker, mon anvi demann sa Onorab, lekel sa Gouvernman ki pe fer sa Lopital dan sa lokasyon? Eski zot ki ti fer sa Lopital, oubyen se sa enn Gouvernman ki pe vin fer en Lopital pe enport son lokasyon?

Ou vwar Mr Speaker, ler ou annan en Lopital pou defann, e ou deside pou kit sa Lopital ater e al koz lo son lokasyon, ou realize ki ou dan problemm. E se sa mon bann zanmi lo lot kote latab ki zot defayans. Zot kapab vin koz zoli, zoli parol;- zot kapab vin dir zoli, zoli keksoz, me si i napa okenn sans dan sa ki zot dir, *what is the point?*

Mon'n dir zot taler, sa Bidze siplemanter i pou pase li. Sa Gouvernman o pouvwar i pou kontinyen li e an 2025 ekskiz mwan dir zot, zot pe riye ozordi 2025 nou pa pou war Eleksyon, me 2025 se nou ki pe retourn dan Gouvernman, sa nou konnen sa!

(APPLAUSE)

HON BERNARD GEORGES

Savedir-savedir Mr Speaker, par egzantp *DICT* larzan ki sipoze al pou *DICT* pou fer paspor nimerik, dan en fason ki vwayaz i a pli fasil pou Seselwa, zot pa pe al siporte.

(APPLAUSE)

HON BERNARD GEORGES

E ler zot vot kont taler, bann dimoun ki pran bis, mazinen ki

US pa oule ki zot ganny pasaz *subsidize* par Gouvernman.

(laughter)

HON BERNARD GEORGES

Mazin tousala Mr Speaker, akoz larealite ki devan nou, set egzaktaman sa. Tou zot koze ki zot in koze, tou zot zoli parol ki zot in dir ki zot anvi met Seselwa o sant devlopman;- tou zot gran diskour ki zot in fer; tou zot pledwari tou zot gele, ki zot in gele;

“Ar nou ki la, nou ki’n fer Gouvernman fer sa!”

“Ar si pa nou Gouvernman pa ti pou’n fer!”

Mazinen ki ler zot pou ganny demande pou siport sa bann linisyativ ki pou met larzan dan pos Seselwa, e ki pou fer Seselwa ganny en meyer lavi parey sa Gouvernman e bann Manm lo sa kote latab I anvi, zot, zot pa pe aksepte. Mazin sa.

E ler an 2025 Seselwa i dir zot, zot ti annan 10 lo zot kote latab zot pa’n konn anmenn sa 10, nou pe anvoy zot avek mwens ki 10, mazinen kan sa ti arive.

Mazinen ki set atraver zot – ki atraver zot konportman, ki set atraver ki zot, zot in anmenn sa pei pandan 43an, e lafason ki zot anvi reanmenn

sa pei ankor - si en zour lazar i tonm dan potis e zot ariv lo Gouvernman, mazine ki sa pei in pas atraver zot lanmen e pep Seselwa in dir “*Never again!*”

Mr Speaker mon remersye ou e mon demann avek tou bann Manm ki annan bonn volonte e ki annan lepep Seselwa aker, pou siport sa Bidze siplemanter. Mersi Mr Speaker.

(APPLAUSE)

MR SPEAKER

Mersi. Mon ava apel Manm pou vot lo Mosyon. Onorab Georges? Bann Manm ki an faver lev lanmen silvouple? Mersi. Bann ki kont? Mersi. Mon zis pou *recap*, mon’n war Madanm Clerk in met Mosyon an bref la lo papye mon a lir, Mosyon ki devan *Lasanble*;

HON SEBASTIEN PILLAY

(Off-Mic)

MR SPEAKER

Onorab Pillay ki pwen ki ou le fer la pou le moman?

HON SEBASTIEN PILLAY

(laughter) Mr Speaker, mon war ou grat latet – napa nanryen pou fer avek sa ki Onorab Georges in dir. Mon pe vin zis lo sa pwen ki ou’n fer vizavi *Standing Orders*, mon ti ava demann ou pou konsider pozisyon ki ou pe pran lo la.

Akoz napa nanryen ki anpes Onorab Vidot pou *move en motion for suspension of the Standing Orders*. Napa nanryen ki anpes li. E mon ti ava fer en pledwari avek ou, lefe ki Onorab Vidot in anvoy sa keston kot in demann, eski Minis responsab pou Lanvironnman i kapab donn nou *Lasanble* en kontrandi lo bann mezir ki pe ganny pran an relasyon avek sa dife lo *landfill* Providence e ki son Minister pe fer pou minimiz lenpak sa dife lo bann kominote sa rezyon?

Mon ti ava fer en pledwari ankor en fwa avek ou, pou ki nou pa al dan en distorsyon politik eksetera, ki ou reste ferm lo konviksyon ki Minis Joubert i kapab adres sa size dan sa kestyon.

Mon fer en pledwari avek ou Mr Speaker, akoz si ou fer lot fason *then* mon pou oblize fer en lot fason osi. Mersi.

MR SPEAKER

Mersi Onorab Pillay. Mon'n eksplik ou ki mon pou fer lo la e nou a kontinyen avek sa. Mersi bann Onorab.

(Interruption)

MR SPEAKER

Bon. Bann Onorab *order please!* Onorab Pillay *order please!* Les nou prosede. Byen, bonzour Minis Flavien Joubert ki avek nou pou nou rebran en *item* ki ti reste lo *Bill* ki ti devan nou semenn pase. E bonzour e byenveni osi son delegasyon - delegasyon ki avek Minis, Mrs *Marie-May Jeremie, CEO Seychelles Conservation, and Climate Adaptation Trust* e Ms Donna Muganhiri *Assistant Principal Draftsperson* dan AG's Office. Mersi pou zot partisipasyon.

Nou bezwen pas dan Staz Komite pou nou kapab pran sa

amendment ki Minis in anmenn dan Lasanble atraver *Bills Committee*.

(Off-Mic)

MR SPEAKER

En moman. Non, nou pa'n fini fer sa lamannman – nou pa ankor vote lo la *ok?* So mon a demann – lekel ki ti pe *lead* lo sa *Bill* ti Onorab Hoareau? Onorab Hoareau mon a demann ou pou fer referans avek *amendment* ki'n ganny soumet, pou nou kapab ganny latansyon Manm lo la.

HON JOHN HOAREAU

Mr Chair bonn apre midi. Lamannman in ganny adrese avek Onorab Georges. Mon ti ava kontan si i ti ava prezant lamannman. Mersi.

MR SPEAKER

Byen. Onorab Georges se ou ki pou prezant lamannman?

HON BERNARD GEORGES

Mersi Mr Chair. Mr Chair efektifman Biro *Attorney Zeneral* in anvoy mwan en propozisyon pou sanz seksyon 7 *clause* 7(2) ki *principal Act*;- efektifman sa lamannman ki devan nou. E Madanm Clerk in sirkil sa lamannman bomaten.

E nou pe pran li Mr Chair koman en kontinyasyon sa lamannman ki *Bills Committee* ti'n propoze fer avek clause 7 dan nou deliberasyon semenn pase. E sa se pou benefis bann Manm e benefis bann dimoun ki pe ekout nou dan lakour, se konpozisyon sa *Board SeyCCAT*.

Si zot ava rapel, konmela i annan 2 Direkter *ex officio* ki ganny apwente par Minis Finans. Enn i ganny nominen par Gouvernman Sesel, enn par *The Nature Conservancy* e nou ti eksplike semenn pase ki sa set en lorganizasyon ki baze *New York*. Epi 7 lezot Direkter ki ganny nominen par en seri lenstitisyon ki sa 2 *ex officio* Direkter ti ava'n tonm dakor lo la.

Propozisyon ki devan nou se pou tir sa konpletman e pou ranplans li par en *Board* ki pou konpri Minis responsab pour Lanvironnman, ki pou en *ex officio* Direkter ek ki pou *Chairperson*; en reprezantan *The Nature Conservancy* ki pou osi en *ex officio* Direkter e *Vice-Chairperson*. Alor pou annan sa 2 *ex officio* Direkter.

Epi olye 7 lezot ki pou ganny nominen, propozisyon se ki enn Direkter ki annan kalifikasyon avek leksperyans

dan finans, i ava ganny apwente par sa 2 *ex officio* Direkter apre ki in ganny nominen par Minis responsab pour Finans, en lot Direkter ki ganny anploye dan servis piblik e ki pou ganny apwente par sa 2 *ex officio* Direkter an konsiltasyon avek Minister, ki responsab Finans.

Epi 5 lezot Direkter ki pa anploye dan Gouvernman e pou ganny apwente par sa 5 Direkter *ex officio*. E donk lafason ki propozisyon lamannman i vini, se ki sa 5 manm i ava a diskresyon sa 2 *ex officio* Direkter pou ganny apwente.

Me *the Chairperson, Vice-Chairperson* avek 2 lezot Direkter pou deza ganny fikse. *Chairperson* e vin en *ex officio Director, Vice-Chairperson* in vin en *ex officio Director*, en manm *Board* ki sorti - ki annan kalifikasyon dan Finans, ek en manm ki sorti dan *public service*. Epi 5 lezot. Sa se propozisyon ki devan nou ozordi Mr Chair.

Mon ti a kontan avan ki mon sed laparol lo la, pou mwan propoze ki i annan enn de *typos* dan sa propozisyon ki devan nou, e pou mwan propoze enn de *typographical adjustments*.

A i ok. B en representative of The Nature Conservancy nou ti a kontan met en capital 'T' e la mon ava soulinyen ki son non Nature Conservancy i capital 'T' capital 'N' capital 'C', me malgre sa dan the principal Act tanzantan i en pti 't' e tanzantan i en capital 'T'.

So etandonnen ki in ganny define dan son definition section koman The Nature Conservancy ek capital 'T' nou ti a prefere gard sa dan sa lamannman.

I annan en typo 'conservancy' i annan 2 'y' nou pe tir enn;- '... who shall be ex officio ...'

Dan 'c' 'One Director
Dan 'c' mon ti a kontan avek ou permisyon Mr Speaker propoz en rephrasing. Akoz mannyer i ete la," ...one Director with qualifications and experience in finance appointed by ex officio Directors nominated by the Minister..." i kapab ki sa – ki en dimoun ki ava lir sa a krwar ki se ex officio Directors are nominated by the Minister, where as in fact se sa Direkter.

Alor mon ti ava propoze ki nou tir "nominated by the Minister responsible for Finance" kot i ete, e nou met li dan premye laliny.

"One Director with qualifications, experienced in finance, nominated by the

Minister responsible for Finance, and appointed by the ex officio Directors", so that it reads better.

'D' "one Director employed in the public service by the ex officio Directors" – mon ti pe propoze dan 2em laliny 'd' – "one Director employed in the public service appointed by the ex officio Directors" e sa 'Director' 2em mo dan premye laliny, en pti 'd' akoz it's only the ex officio Directors ki annan capital 'D'. Tou lezot i annan en pti 'd' – so one small 'd' "director employed in the public service appointed by the ex officio Directors in consultation with Minister responsible for Finance."

E finalman 'e' - 5 Directors not employed in Government. Ankor enn fwa Directors small 'd' kot i appear for the first time capital and capital 'D' where it appears for the 2nd time. Mon move Mr Chair ki sa amannman i ganny aksepte. Mersi.

MR SPEAKER

Mersi. Les mon a demann panel si zot annan okenn obzervasyon lo bann additional amendments ki Onorab Georges in propoze oubyen si nou kapab aksepte li as such? Minis?

MINISTER **FLAVIEN**
JOUBERT

Mersi Mr Chairman. Bonzour bann MNA ek bann dimoun ki pe ekoute. Mr Chairman i annan zis en pti pwen ki letan nou ti diskite avek *Attorney General* ki nou bezwen osi sanze, se ki seksyon 10 i fer referans avek *Chairman* ek *Vice-Chair*. E an vi ki *Chairman* ek *Vice-Chair* i deza fini ganny defini anba seksyon 7, alor i pou nepli neser pou defini zot ankor anba 10.

Alor propozisyon se ki nou osi *delete* sa 2 mo '*Chairman*' avek '*Vice-Chair*' anba seksyon 10. Mersi.

MR SPEAKER

Delete sa 2 mon dan...?
Kot pou *delete* sa? Onorab Georges oule eksplike?

HON BERNARD GEORGES

Mersi Mr Chair, *it's the principal Act*, i pa devan ...

MR SPEAKER

Ok i pa dan sa lamannman. En lot lamannman...

HON BERNARD GEORGES

E zis pou benefis bann Manm ki napa *the principal Act* devan zot e bann dimoun ki pe swiv nou, *clause 10* dan son *principal Act* *i reads,* " *the Board shall as the*

first meeting after its formal Constitution under section 8(4) elect from amongst the Directors a Chairperson, Vice-Chairperson, Treasurer and Secretary of the Board. "

Minis pe *move* etandonnen ki *Chairperson* ek *Vice-Chairperson* in deza, ganny defini, ki nou *delete* " *a Chairperson, Vice-Chairperson* " so that 10 reads, " *from amongst the directors a treasurer and secretary of the Board.* " Si mon konpran li byen. Mersi.

MR SPEAKER

Mersi. Minis pa'n adres bann amannman ki Onorab Georges in leve, so mon prezimen in dakor avek? Minis wi ou pe al lo la?

MINISTER **FLAVIEN**
JOUBERT

Mersi Mr Speaker. Ekskize pou mank enn nou pwen ki nou ti annan. I annan osi dan definisyon *Chairperson* ki aprezan dan definisyon dan *original Act*, nou zis tir referans avek seksyon 10, akoz i nepli relevan. Mersi.

MR SPEAKER

Mersi. Bon bann Manm okenn pwennvi lo bann *amendment*

ki'n leve? Nou fer li bref silvouple. Onorab Pillay?

HON SEBASTIEN PILLAY

Mersi Mr Chairman. Mon swiv bann amannman. Mon kontan pou war zot in aret gele lo lot kote latab apre mon lentervansyon bomaten. Nou oule *remind* pep Seselwa ki *SeyCCAT* i en kreasyon ki ti komans avek nou Gouvernman in benefisye en kantite dimoun e ...

MR SPEAKER

Onorab nou napa letan annou al lo sa ... annou al lo sa size.

HON SEBASTIEN PILLAY

Me non i enportan. Taler in dir koumsa nou pa le vot Bidze ...

MR SPEAKER

Onorab ...

HON SEBASTIEN PILLAY

...kan i konn tre byen poudir nou ki'n anmenn sa bann keksoz pou pep Seselwa.

MR SPEAKER

Silvouple adres sa amannman.

HON SEBASTIEN PILLAY

Wi be la nou pe vin lo sa amannman. Pa bezwen ankoler. *Ok*, en keksoz ki mon ti a kontan klarifye avek Minis

responsab pou Lanvironnman. Sa - lentansyon *SeyCCAT* se pou pozisyon ou Minister *as the flag bearer of* tou sa ki annan pou fer avek Lanvironnman *sort of - not in control - me the principal actor* an relasyon ek sa Lalwa.

Mon vwar sa 2 lapwentman ki pe ganny propoze, mon dakor ek sa propozisyon lapwentman, i fer li pli kler, me a de repriz la - mon konpran sa bout Minister Finans akoz i annan *funds*, i annan nesosite pou annan sa.

Me *when it comes to* sa lot manm from *the public service*, se Minister Finans ki pe osi annan - si oule lyen - lo son lapwentman. So petet si ou ti kapab klarifye pou mwan, akoz ki zot pe *move* dan sa direksyon?

E mon konpran akoz ou deza la ou, koman Minis Lanvironnman, me akoz ki Minister Finans pe *involve* avek sa lapwentman sa dimoun *for the public service?*

Mon ti ava kontan ki Minis Lanvironnman i retenir *sort of controlling ambit* lo sa *bid*, me mon konpran ki Minister Finans i bezwen annan en legar vizavi *financial component* sa Lalwa. So si ou ti kapab eksplik mwan sa? Mersi Mr Speaker.

Parey labitid *US* i koz lo non lepep Seselwa.

MR SPEAKER

Mersi. Minis ou a kapab adres sa pwen *Ministry of Finance* la.

**MINISTER FLAVIEN
JOUBERT**

Mersi Mr Speaker. Mersi *Leader of Opposition* pou sa pwen. Mr Speaker dan definisyon Minister i *means the Minister responsible for Finance*, se pou sa rezon ki referans i ganny fer avek Minis *responsible for Finance*, akoz i sa Minis ki *oversee* bann lenstitisyon finansyel dan pei.

Alor letan nou pe koz an konsiltasyon *with the Ministry of Finance*, i vedir k nou bezwen konsilte avek sa Minister ki annan *oversight of the Act*. Me solman i pa vedir ki sa Minis ki pou determinen lekel sa dimoun ki pou ganny apwente, akoz sa bann zofisye ki enn – nou konnen sa *2 ex officio*, enn i Gouvernman, e lot i sa lot parti ki dan sa Lagreman, zot annan tou drwa pou zot propoz en dimoun ki zot war i relevan, e ki annan sa profil pou kapab fer sa louvraz.

Me selman i an konsiltasyon avek *the Minister of Finance*, me i pa avek son laprouvasyon. Mersi.

MR SPEAKER

Mersi. Onorab nou pa pou prolong sa pwen. Mersi.

HON SEBASTIEN PILLAY

Zis en pti pwen – mon ti a kontan zis ganny en konfirmasyon ek ou ki *SeyCCAT* pou *retain* son lapros ki i pe pran, e ki avek bann sanzman, e avek bann nouvo mezir *oversight* ki'n ganny mete, i pa pou vin in a okenn ka vin pli restriktiv pou bann aktivite ki zot pe fer?

Akoz in napa mal aktivite ki zot in deza *fund*, me zis garanti mwan sa. Mersi Mr Speaker, zis sa pti pwen.

MR SPEAKER

Mersi. Minis?

**MINISTER FLAVIEN
JOUBERT**

Mersi Mr Speaker. Mersi pou sa pwen Onorab. Mr Speaker mon kapab konfirman ki *SeyCCAT* son lentansyon se ki i vin pli a laporte bann ki bezwen sa lasistans, pou zot fer zot travay ki annan pou fer avek Lanvironnman e Klima.

Ek mon krwar parey mon ti dir dernyen fwa, i annan bann revizyon ki pe ganny fer osi, apard sa revizyon Lalwa, i annan bann revizyon ki pe

ganny fer dan son bann prosedir, pou fer ki bann ki pe demann sipor avek *SeyCCAT*, zot pli kapab akse sa resours. E sirtou bann ki napa sa kapasite, pou zot al travay avek bann gro proze konplike, zot osi kapab ganny akse avek sa resours.

E alor i lentansyon *SeyCCAT* pou fer sir ki toultan sa lorganizasyon, i a laporte bann ki an deor, ki pe rod sipor. E sirtou bann ki enplike dan bann target ki Sesel i annan koman en pei, pou li protez sa ki annan dan son lanvironnman natirel. Mersi.

MR SPEAKER

Mersi. Onorab Gill?

HON CHURCHILL GILL

Mersi Mr Chair. Bonzour Minis. Mr Chair ler Minis ti pe donn larepons lo sa propozisyon pou ‘d’ in dir ki zot pou bezwen fer sir ki zot ganny sa *right profile*. Sa dimoun i bezwen annan sa bon profil ki mon dakor ek sa.

E apre dan ‘c’ in spesifye kalifikasyon, prezan mon pe demande dan ‘e’ vi ki nou pe rod *the right profile* pou ‘d’ eski pa ti a enportan nou donn en lendikasyon pou ‘e’ ki kalite profil? Konmsi zis pou ganny en konpran lekel bann kalite dimoun, ki lentansyon ki sa

bann dimoun i annan lentansyon *appoint*. Mersi.

MR SPEAKER

Mersi Onorab Gill. Mon a les Minis eksplike ki son pwennvi, me solman ou ava remarke poudir pou nou al sanze, nou bezwen en *amendment* e si i anmennen zot a gannyen. E nou a zis pran leksplikasyon Minis. Mersi.

MINISTER FLAVIEN

JOUBERT

Mersi Mr Chair. Mersi Onorab pou sa pwen vreman enportan. Onorab si ou get dan Lalwa orizinal, ou a realize ki 7(3) i ganny retenir. Me 7(3) i defini egzaktaman ki profil sa bann dimoun i merit annan pou vin en *director*. I dir ou “... *a person shall be eligible to be appointed to be a Director if he or she possesses qualifications and experience in the field of ecological science by diversity conservation, finance, law, investment management, fundraising, or such other areas of e expertise consistent with the object of this Act.*”

Savedir sa dimoun pou osi pas atraver en verifikasyon, ki li i annan avan ki i ganny mete koman en manm lo sa *Board*. Mersi.

MR SPEAKER

Mon sipoze ki Onorab Gill i a satisfè ki i annan ... Onorab Loze?

HON JOHAN LOZE

Mersi Mr Speaker. Mr Speaker mon ti a kontan dabor komans reasir *Minister* avek *SeyCCAT*, ki mon pa war gran *issues* konsernan bann lamannman ki zot in prezante. E ofet i annan serten nou mon krwar ki ti'n komans *pledge* nou sipor, ki mon krwar sa i devret ganny *retain*.

Mwan lo mon kote mon komans santi mwan konfortab. *However Mr Speaker* mon pou *remiss* koman en Lezislater, si mon pa eksprim mon konsern lo bann mouvman ki pe arive avek bann *Bills as of late*.

Sa bann mete, tire, *Bills* i arive apre i ganny *withdrawn*, i ganny disparet. Mon lev sa aköz mon pran leson avek ou parti Mr Speaker ki'n toultan dir nou, poudir sa i en siny en Gouvernman ki pa konnen ki i pe fer letan i pe met *Bill, withdraw Bill!* So mon ti a kontan si petet zot ti a pran angar zot prop parol dan lefitir konsernan *Bill*. Arete sa bann zafer anmenn *Bill at the last* minit, met *Bill* apre tire! Annou annan nou en meyer fason fer pou sa parti ki'n *abstain* lo

Bidze pandan sa dernyen 30an. Mersi.

MR SPEAKER

Mersi Onorab. Onorab Henrie.

HON GERVAIS HENRIE

Mersi Mr Speaker. Bonn apre midi tou dimoun. Mon rekonnèt lo *panel* i annan zis Minis la ki en *political appointee*, larestan i bann *public servant* ki pe sey zot mye pou ankadre sa pei. E mon felisit zot, mon pa pou pil lo zot, pou zot *try your best* pou fer en keksoz ki byen.

Mon annan 2 pwen Mr Speaker;- enn ki mon fek lev avek *LGB* mon krwar i pe regarde. Aköz mon persyade poudir avan, Minis Finans ti annan en plas dan *setup SeyCCAT*. E la prezan avek lapwentman *Board*, i pa eksplisit poudir *the Minister of Finance* i merit la *somewhere*; menm parey the *composition* ozordi *the Board*, Minis Finans i *Vis-Chair*, la prezan nou pou met sa reprezantan *TNC*, so, i ava kapab klarifye sa.

Me pwen ki mon oule fer, se avan dan amannman orizinal ki ti'n ganny anmennen, se sa reprezantasyon *NGO* e nou ti'n kontan sa aköz prezan konmsi ti pou donn sa lendepandans avek Gouvernman. Me la sa i retire pou dir *explicitly* bann *the*

lion share of the Board konmsi bezwen sorti dan NGO, i zis bann dimoun ki pou ganny apwente par sa 2 ex officio.

So ki garanti nou pe gannypen pou dir sa lentansyon orizinal ki nou, nou ti pe siporte, i reste? Ki zot pa pou al apwent tou dimoun sorti dan *public service* en fwa ki nou donn zot sa Lalwa? Mersi.

MR SPEAKER

Mersi. I annan 2 pwen la, enn pou *LGB*, enn pou Minis. *LGB* ou pou adres son premye pwen ki manner ou le prezant sa?

HON BERNARD GEORGES

Yes Mr Chair mersi bokou. Mr Speaker anefè, avek ou permisyon, mon pou al en pti pe an deor. Pandan ki nou pe ekout bann lezot Manm, Onorab Mr Speaker, ek mwan nou'n remarke parey i dir, ki the Minister – may I for the sake of the legal draftsperson who drafted this – speak in English Mr Chair?

MR SPEAKER

Please – yeah.

HON BERNARD GEORGES

The Minister is defined in the principal Act as the Minister responsible for Finance. So in the proposed amendment in 'c'

and 'd', we don't have to say the Minister responsible for Finance, because that's the Minister. So I proposed that we delete " ... responsible for Finance" in 2(c) and 2(d) because the Minister is already defined as the Minister responsible for Finance.

So let me deal with that for the time being, and I can move to other small amendments that are Mr Chair.

MR SPEAKER

Yeah, I just need a commentary from – a comment from the panel, especially the legal draftsperson if that is satisfactory?

ASSISTANT LEGAL

DRAFTSPERSON DONNA

MUGANHIRI

Thank you Chair. I agree with that. I have no problem. Thank you.

MR SPEAKER

Thank you. That's done. Onorab Georges what's the next point?

HON BERNARD GEORGES

The next point is a different point Mr Chair. It has his NGO point and I see a couple of hands.

MR SPEAKER

Yeah I have a couple of hands.

(Off-Mic)

MR SPEAKER

Yes, let's finish with these points apre mon al lo Onorab Hoareau. Yes LGB you've finished? Minister?

MINISTER FLAVIEN JOUBERT

Mersi Mr Chair. Mersi Onorab pou sa pwen. Mr Chair bann *ratio* lo sa *Board* i reste 3 ek 6. E letan ou get dan konpozisyon *Board* an antye, ou pou annan 3 Gouvernman avek 6 ki pa Gouvernman. Alors sa *ratio* 2tyer -1tyer i ganny *maintained* li.

Me solman lafason ki lapwentman i ganny fer in klarifye, me avek en *ratio* 2tyer - 2tyer ki pa Gouvernman mon krwar lendepandans sa *Board* i reste. E i osi nou'n diskit sa avek nou partner (*TNC*) ki sa lot partner dan sa *deal* avek Sesel, e zot osi zot satisfè ki sa mentenans, sa bann kantite dimoun sorti kot diferan reprezantasyon, i asire ki sa lendepandans sa *Board* i kontinyen reste.

E tou sa bann lezot Direkter osi ki pe vini apre, zot ganny apwente konzwentman par sa 2 *ex officio Directors*;- ki vèdir ki ou pou annan en balans ant Gouvernman -

reprezantan Gouvernman e sa dimoun ki reprezant *TNC*, pou zot kapab tonm dakor lo lekel ki ou ganny reprezante;- ouswa si sa dimoun i tro *public service or not*.

Me selman parey nou dir, i sa 6 ki pa Gouvernman, zot pa sipoze bann dimoun ki bann *public servants*. Zot a kapab annan nenport ki bann lezot fonksyon, me solman zot pa en *public servant* dan okenn fason. Mersi.

MR SPEAKER

Mersi Minis. Onorab Hoareau?

HON JOHN HOAREAU

Mr Chair, it was just the same issue with the Minister which has benn defined, so Hon'ble Georges has already pointed this out. Thank you.

MR SPEAKER

Thank you. Onorab Cosgrow?

HON WALLACE COSGROW

Mersi Mr Chair. Mr Chair, mon note ki ozordi nou pe *deal* avek sa bann amannman dan Lalwa *SeyCCAT*. *SeyCCAT* i en lorganizasyon ki reprezant - mon kapab dir fyerman - *efficiency* dan ansyen Gouvernman - en lorganizasyon ki mon *proud*, ki ziska prezan ozordi i en

lorganizasyon ki *efficient*, e nou anvi asir *going forward* son *efficiency*.

Me solman en pwen en pti pe dan menm laliny avek sa ki Onorab Henrie in dir, mon konpran ki Minis in di lo kote son enparsyalite, akoz i annan – i garanti 6 lezot manm ki sorti dan sekter *NGOs*, me vi ki lapwentman i ganny fer par Gouvernman, ki mannyer sa Lalwa i garanti ki zot lapwentman i pa lapwentman ki-ki ...? Konmsi sa bann *NGOs* i annan *link* dan en – ler mon dir *link meaning* konmsi i pa *bias* dan en sans kot - ki zot get lo kote Gouvernman.

Apre vi ki i en fon, sa i en keksoz ki toultan deryer mon lespri, vi ki i en fon, eski i annan en special *requirements* petet ki - petet nou pa ti'n mazin lo la avan, ki petet nou devret pe mazine *going forward*, ki sa bann dimoun ki reprezante lo *Board*, i o mwen annan serten kapabilite, kapasite ki pou *deal* avek bann *issues* finansyel? Akoz ou en fon e ou pe *deal* avek bokou, bokou larzan en.

E mon pe prezimen - mon pe antisipe ki *going forward* mannyer zot oule fer, nou pou war bokou plis donasyon ki pe antre atraver *SeyCCAT*, e nou bezwen dimoun ki pou kapab fer sir ki sa fon i ganny

managed byen. Zot bezwen annan serten bagaz – serten kalib – pa zis dir *NGOs*, *but they have to have certain baggage to take care of this fund and ensure its efficiency going forward*. Mersi.

MR SPEAKER

Mersi. Minis ou ti a kontan adres sa silvouple?

MINISTER FLAVIEN JOUBERT

Mersi Mr Speaker. Avek ou permisyon mon ti voudre les *CEO*, reponn sa kestyon. Mersi.

MR SPEAKER

Mersi. *CEO*.

CEO MARIE-MAY JEREMIE

Mersi Mr Chair. *Morning*. Mersi Onorab pou sa kestyon e pou rebran en pe lo sa ki Onorab Henrie osi in leve dan son entervansyon *just now*.

So lentansyon letan nou'n *go back* nou'n drafte sa bout, nou'n tir sa referans avek *NGOs*, akoz nou realize ki nou anvi anmenn bann dimoun ki annan sa pli bon kalib;- sa bann dimoun ki pli kalib ki annan pli bon klarifikasyon, ki pou anmenn sa soutyen, ki nou bezwen lo nou *Board moving forward*, spesyalman ek sa

bann lanbisyon ki nou, nou pe anmennen pou *SeyCCAT*.

Se sa ki nou'n dir sa referans spesifik avek *NGO*, me selman i dan lentansyon ki *NGO* osi pou ganny kapte. So i kapab en dimoun ki anploye dan en *NGO* – dan en lorganizasyon, e oubyen en dimoun ki an deor en *NGO*, me selman ki pa pe travay dan sekter piblik oubyen ki annan lapartenans direk avek Gouvernman.

So sa i pou donn nou sa posibilite osi pou nou kapab atrakte bann dimoun ki *the best men for the job* parey nou dir ki nou pou kapab apwente lo nou *Board*. E se pour sela ki nou fer en pti gin sa revizyon. I anliny avek serten bann refleksyon osi ki zot ti leve semenn pase lo kriter. Akoz si nou pe dir ki nou annan reprezantasyon *NGO*, me solman sa bann dimoun *still* zot pou bezwen kapab pe *fulfill* sa bann kalifikasyon ki dir anba 7(3).

Savedir si nou pe pase nou get tou bann *NGOs*, me solman nou pa ganny en dimoun ki annan sa bagaz legal, ki for parey ki *SeyCCAT* i bezwen, so la nou kapab al kot en dimoun an deor Gouvernman, me solman direktman dan son kapasite endividyel. So sa i bann konsiderasyon ki nou pe

mete *as well*, pou fer sir ki nou annan en *Board* ki pe fonksyonnen – ki efektiv, e ki delivre.

Apré osi dan nou bann *practice* la *over the years*, i annan bokou bann *NGOs* ki osi annan lentere pou vin bann *beneficiaries* parey nou dir, anba nou fon. Alor osi nou pa anvi ki nou annan zis bann *NGOs* ki pe kapab ganny larzan anba fon, me osi i annan dimoun ki vreman, vreman endepandan dan sa rol ki zot asize lo *Board*.

Akoz i annan bann lenstans ki i annan bann dimoun ki dan *NGOs*, zot kapab annan bann konfli lentere atraver nou bann prosedir, so se sa ki nou pe sey adrese *by* ki manner nou nou'n re propoz sa lamannman. Mersi.

MR SPEAKER

Mersi *CEO* pou adres sa 3 pwen. Mon napa okenn lot lanmen ki'n leve. Onorab Georges ou annan en pwen? Wi?

HON BERNARD GEORGES

Mersi Mr Chair. Ti annan 2 pwen. Premye pwen se ler dan Staz Komite dan Lasanble lo en *Bill* parey *SeyCCAT*, ou bezwen fer dimoun rapel ki se ou

Gouvernman ki'n pas sa *Bill*, ou konnen ou dan problemm.

The issue that I want to raise and again with your permission, may I do it in English because it's for the benefit of the legal draftsman Mr Chair? Two things;- first of all I'm sorry - I lead the Committee astray, actually in the mother Act, 'Director' is capitalized throughout, so where I asked that we go to lower case in the amendment, it should remain upper case. And where it was in lower case, it should change to upper case. All Directors whether they are ex officio or not are with a capital 'D' in the mother Act. So I apologise for that.

My 2nd point arises from an amendment proposed by the Minister to the definition of Chairperson, Chairperson is defined as follows;-

"Chairperson means the Chairperson of the Board appointed under section 10" of course that has now gone. But the Chairperson is still there, so I propose that instead of just deleting section 10, I propose that the definition reads;

"Chairperson means the Chairperson of the Board designated under section 7(2)" because that is where the

Chairperson is designated. Thank you.

MR SPEAKER

Thank you. Panel? Yes Madam Legal Draftsman.

ASSISTANT LEGAL DRAFTSPERSON DONNA

MUGANHIRI

Thank you Mr Chair, I agree with the proposal.

MR SPEAKER

Thank you, we can accept that. Bon si napa lot komanter, we'll vote on the amendment with the amendments proposed which are minor. Bon Manm ki an faver pou sa lamannman, lev lanmen silvouple? Mersi. Manm ki kont? On the amendment - the new amendment to section 7, with the additional amendments, 30 Manm in vot pour - 0 kont e 0 abstansyon. Donk sa amannman in ganny aprouve e i vin par the Bill before us.

E nou ava pas dan Staz Lasanble pou nou fer Third Reading silvouple? Onorab Georges ou ava anmenn Mosyon pou Third Reading?

HON BERNARD GEORGES

Mersi Mr Speaker. Mr Speaker, anba Order 76(1) nou Standing Orders, mon move ki the

Conservation and Climate Adaptation Trust of Seychelles (Amendment) Bill, 2022 as amended i ganny lir en Trwazyenm Fwa. Mersi.

MR SPEAKER

Mersi. Nou a ganny segonde? Onorab Esparon.

HON REGINA ESPARON

Mersi Mr Speaker. *Motion as amended in ganny segonde.*

MR SPEAKER

Mersi. Manm a vot lo *Third Reading*. Manm ki an faver lev lanmen silvouple? *Thank you.* Okenn Manm ki kont? Mosyon lo *Formal Third Reading of the Conservation and Climate Adaptation Trust of Seychelles (Amendment) Bill, 2022, as amended* – 30 Manm in vot pour – O kont e O abstansyon. Alor *Bill Third Reading* in aprouve. Madanm Clerk mon ava envit ou fer en *Formal Third Reading*.

MADAM CLERK

Mersi Mr Speaker.

This Act may be cited as the Conservation and Climate Adaptation Trust of Seychelles (Amendment) Act, 2022, and shall be read and construed as one with the Conservation and Climate Adaptation Act Trust of

Seychelles Act, 2015 which is hereinafter referred to as the principal Act. Mersi Mr Speaker.

MR SPEAKER

Mersi, sa *Bill* in pase par Lasanble. Minis mon profit ou prezans la, pou nou fer en pti *item*, e sa mon pe anmenn li lo lapar Onorab Vidot. e mon klarifye ankor ek Onorab Vidot ki mon kontan ki mon kapab donn li sa loportinite pou ganny lenformasyon. Me mon pa'n kapab met son Mosyon oubyen kestyon lo - dan Biznes Lasanble, alor nou ava al en pe pli vitman.

Minis nou ti pe rode si ou kapab adres Lasanble briyevman, lo bann mezir ki pe ganny pran an relasyon avek dife lo *landfill* Providence? E si ou Minister pe pran okenn mezir pou minimiz lenpak lo bann kominote ki otour li? Si ou kapab donn nou en pti kontrandi lo la silvouple?

MINISTER

FLAVIEN

JOUBERT

Mersi Mr Speaker, e mersi Onorab pou anmenn devan Lasanble sa pwen ki mon krwar i vremen enportan – i konsern tou piblik ki pe ekoute ozordi. E ki'n ganny afekte par bann

sityasyon Providence kot *landfill*.

Mr Speaker sa lensidan ti komanse yer ver 1er a 1.30 kot dife ti ganny detekte lo en parti *landfill 2* – en parti ki pa ti pe ganny servi. Aktyelman i pa en *zone* aktiv, me i en *zone* kot i napa kouvèrtir, me solman i pa ti pe ganny servi, akoz salte ti pe ganny mete dan nor avek *landfill 2*, pou nou kapab servi byen lespas dan sa landrwa.

Fire Service ti reakte – *SFRSA* ti reazir e Lazans *LWMA* ti reazir, letan ti annan bann alert ki ti ganny leve. Zot in met resours lo teren pou komans travay. E yer avek dan lannwit, travay in konsantre bokou lo *contain* sa dife - pa neserman tenny sa dife, me anpes li propaze, pou ki nou pa war nou dan en sityasyon, kot en lensidan i vin en dezans parey nou ti annan an 2020.

Mon kapab dir ki *Fire Service* in travay ase byen, akoz ki nou pa'n war en esapman sa dife, menm si sa dife i ankor aktiv ozordi. Me i pa'n sape pou li antre dan bann lezot landrwa lo *landfill 1*, ek bann lezot materyo ki annan akote *landfill*.

Alor sa travay *containment* in ganny fer. E bomaten, nou revwar nou avek en sit ki ankor pe brile, me solman ki son bann *boundaries* in byen defini e *Fire*

Service i kontinyen travay lo sa sit, asiste par lezot Lazans.

Enn bann rezon ki travay i vin en pe problem, se napa ase *supply* delo, e *Fire Service* in ganny difikilte pou li kapab ganny sifizaman resours delo. E nou bezwen note osi ki *Fire Service* i annan son bann limitasyon lo kote lekipman, e pa tou lekipman ki kapab plas lo menm sit, akoz an ka ki i annan en bezwen pou li deplase pou al adres problem dan lezot landrwa, an menm tan ki sa lensidan *landfill* pe arive.

Ozordi Mr Speaker, sityasyon i ganny dekri koman stab, menm si i annan bokou lafimen. *SFRSA* i kontinyen travay lo prezan pou tenny sa dife e kouvèrtir pe ganny aplike, pou fer sir ki sa bann laflanm ki anler lo sirfas sirtou i pa kontinyen e ki dan fon *landfill*, keksoz i ganny – tanperatir i bese e nou a kapab aret war lafimen sorti.

Lapli in tonm en pe – in ede, me lapli pa toultan ede, akoz i osi i donn difikilte lo kote mouvman bann transpor ki transport materyo e sa osi i met en pe retar dan travay.

Mr Speaker, Minister Lasante in fer sorti en kominike. Bomaten in fer sorti en kominike, ki donn gidans bann dimoun lo lafason ki zot

protez zot lasante, vizavi bann sityasyon lafimen, ki nou pe ganny en pe, akoz divan osi in tonbe, ki fer ki lafimen dan serten ka i reste, e i propaz en pe dan bann kominote.

E Minister Lasante in eksplike byen kler, ki bann dimoun pou fer e osi bann sant lasante i lo alert, pou zot kapab reazir si i annan okenn sityasyon ki leve, kot dimoun pe ganny afekte par sa lafimen, ki pe propaze dan bann kominote.

E mon pe envit bann piblik osi swiv gidans Minister Lasante, ouswa si zot war zot dan difikilte, pou fer kontak avek bann sant lasante, pou zot kapab ganny konsey, ouswa menm si keksoz i serye, pou zot ganny tretman avek bann zofisyè medikal.

Bann zefor pe kontinyen parey mon'n dir. I annan 9 kanmiyon ki pe travay avek Lazans LWMA pou transport materyo – *coralfil* prensipalman e osi 2 *excavator* ki lo *site* aktyelman, pou eseye konpletman met sa dife anba kontrol.

Aktyelman i pou annan en pe retar dan koleksyon salte e bann mouvman lo *landfill*, akoz i difisil pou nou kapab *accommodate* bann dimoun, an vi ki landrwa i ase danzere. E i annan risk pou tou dimoun ki

pe sirkil dan sa landrwa. Alor mon pou demann bann dimoun osi ki servi sa fasilite, pou zot ozordi pran kontak avek Lazans, avan ki zot deside fer en *trip* pou vin kot *landfill*, akoz i posib ki bann keksoz pa annord pou zot kapab rezervwar zot laba.

I annan apepre 4 pwen Mr Speaker, ki mon pou koz lo la, ki nou pe adrese vitman e ki enn bann konsern ki nou pou bezwen travay lo la apre sa dife;-

1) Se ki materyo pou kouvertir;- parey nou konnen materyo pou kouvertir *landfill*, mon'n deza eksplike dan Lasanble i servi apepre 200tonn par mwan – parfwa i mont en pe plis.

Materyo pou kouvertir i limite dan pei, parey mon ti fer sorti dan en kestyon leve par Onorab Romain – 200tonn par mwan. Me an plis ki sa, nou bezwen osi materyo pou fer *capping*. Akoz an prensip en *landfill* nou merit annan zis en landrwa aktiv kot nou pe travay, e leres i devret anba en kouvertir ki *secure*, e ki pa permet dife propoze.

Alor i annan en travay ki nou bezwen fer, pou nou ganny adisyonnèl materyo, pou nou kouver bann landrwa ki'n deza fini ganny depoze salte,

konpaksyon in fini ganny fer. E sa i en limitasyon ki nou bezwen *deal* avek. Me fodre Nou rapel ki sa i kout en bon pe larzan, pou nou kapab fer li.

2enm keksoz Mr Speaker, se kordinasyon. In annan travay ki'n ganny fer kot sa *landfill*, me nou konsernen ki kordinasyon i pa lo sa nivo ki i merit ete. Alor i annan en *meeting* ki pe al ganny fer vitman la dan sa bann zour ki vini, pou nou kapab travay ek bann Lazans ek Gouvernman an antye, ek bann diferan Minister;- pa zis pou dife *landfill*, me pou bann lezot lensidan ki arive, pou fer sir nou klarifye e nou met annord, kordinasyon pou ki i annan en pli bon travay ki kapab ganny fer letan i annan bann lensidan parey.

Parey nou konnen en keksoz parey dife, si ou annan en retar – lerdtan ouswa detrwa erdtan, i kapab fer en gran diferans dan rezilta ki ou gannyen pli tar. Alor kordinasyon i en keksoz ki pe ganny adrese deswit. E nou ti a voudre ki nou ti kapab met en pe lord lo la, e i pou benefisyé tou lensidan e pa zis bann lensidan ki annan pou fer avek dife.

3enm pwen Mr Speaker, se lekipman. Letan mon ti

reponn sa kekyon dan Lasanble dernyen fwa, mon ti fer sorti ki napa en *fire hydrant* Providence, e pou le moman napa en bon sistenm ponpe, pou konplemant sa ki *SFRSA* in vin avek kot *landfill*.

Nou pe vitman gete si nou kapab annan en sistenm laponp pou *landfill* e lezot fasilite dan sa rezyon, ki pou ede an ka ki i annan okenn dife dan okenn fasilite dan Providence, me osi *landfill* prensipalman. E sa i pou en laponp ki pou ponp delo sale.

E nou ti'n deza fer en rekomandasyon. Nou ti'n deza fer kontak avek serten lorganizasyon e i ava al vitman sey met sa an plas, pou nou kapab fer sir ki nou annan sa *backup* letan nou annan dife. Akoz nou konnen ki *SFRSA* lo li menm, i pa pou kapab met tou son resours e ganny difikilte pou li kapab *accommodate* sa kantite demann ki annan letan dife i propaz en kantite lo sit.

4enm pwen, mon krwar bokou dimoun pe demann kekyon lo kote salte. Mr Speaker, i zis ki en koensidans, me annefe demen - Zedi, i annan en lenformasyon ki nou ti pou pas avek lapres, pou nou donn avek piblik. Akoz demen lekip ki pe asiste nou avek travay, pou nou sanz nou

sistenn tretman salte, zot in ariv dan pei.

Zot sorti dan en lorganizasyon ki apel *IFC* ki travay ek *World Bank*, e zot pou vin nou konseye pou nou fer sa *process*, kot nou pou fer lenvitasyon pou eksprim lentere par bann konpanyen ki enterese, pou kapab fer en *waste to energy plant* Providence.

I koensidans ki sa travay e sa demaraz i ariv zis apre en dife *landfill*, me i en keksoz ki pou ede dan lefitir. Akoz nou, nou ti a voudre ki dan sa lan ki vini, nou fer sa travay avek zot, nou fer en *call* pou okenn konpanyen ki anvi *run* en fasilite, kot pou fer *waste incineration* Providence. E nou redwir *landfilling*.

Akoz nou a realize ki apard sa pti lespas ki nou annan lo sid sa *landfill*, ki nou apel li *landfill 3*, ouswa *landfill 2 unit 2*, napa ankor lespas *landfilling* dan pei, ouswa lo Mahe ozordi. Alor se tou ki reste nou lo kote lespas *landfill*. E si nou komans servi sa lespas, nou konnen poudir tre vitman i pou ranpli e nou pou napa en lot solisyon.

Alor nou bezwen get ver nouvo solisyon e nouvo mezir. E nou ti a kontan demar sa prosedir la deswit. E nou

ekspekte ki *by 2023*, nou a kapab pe vin devan, avek bann propozisyon lo lekel ki pou komans travay lo sa sit.

E i a kapab fer ki nou a redwir lakantite salte ki akimile. E bann ki nou konnen i koz dife bokou - ki donn en risk dife – par egzanp larou, par egzanp dibwa, par egzanp bokou bann plastik, i ava kapab ganny *process* dan en lot fason e nou pa ava war sa bann gro akimilasyon dan en *landfill*, ki toultan reste en gro *problemm* pou nou menm dan pei. Mersi.

MR SPEAKER

Mersi. Minis an term sa direktiv Minister Lasante, eski i zis – sa notis lo fermtir bann lekol, e bann landrwa, oubyen eski i annan lezot konsey si – e mon pou demann ou al tre vit pou mansyonn sa, si ou annan okenn sa bann lezot konsey?

MINISTER FLAVIEN JOUBERT

Mersi Mr Speaker. Mr Speaker, Minister Lasante in fer sorti en *press release* bomaten, ki eksplik ki dimoun pou fer si zot remark okenn sityasyon. E nou osi nou bezwen swiv sa ki Minister Lasante pe dir. I annan en *release* ki spesifikman Minister Lasante in fer sorti. Mersi.

MR SPEAKER

Mersi. Segonnman silvouple. Onorab Hoareau?

HON JOHN HOAREAU

Mersi Mr Speaker, mon le segonn sa Mosyon.

MR SPEAKER

Mersi Mosyon in ganny segonde. Nou a kapab prosede avek prezantasyon *Bill*. Minis.

MINISTER NAADIR HASSAN

Mersi Mr Speaker. Mr Speaker, Onorab *Leader* Lopoziyon, Onorab *Leader* Zafer Gouvernman, Manm Onorab e tou dimoun a lekout, bonn apre midi.

Mr Speaker, ozordi mon pe prezant lamannman dan *Trusts Act 2021*. Rezon prensipal dan sa bann lamannman se pou fer Sesel vin

osi azour avek bann standar enternasyonal.

Sa bann lamannman ki nou pe anmenn devan zot ozordi, i konsern rekomandasyon 25. E i swiv plizyer konsiltasyon avek Sekretarya *Eastern and Southern Africa Anti-Money Laundering Group (ESAAMLG)*, brans *Financial Action Taskforce FATF* pou rezyon Les ek Sid Lafrik. Ki asir bann standar enternasyonal pou konbat blansisaz larzan e finansman terorizm e finansman proliferasyon zarm.

Pou rekomandasyon 25, nou ti ganny en *rating 'partially compliant'* dapre rapor evalyasyon mityel pou Sesel an 2018.

Konsern ki ti annan par Sekretarya sete oparavan se bann *co-trusties* en *trust* ti pou kapab an akse avek bann lenformasyon lo bann benefisyer. Savedir *beneficial owners* lezot lenformasyon lo sa *Trust*.

Partikilyerman, ler serten sa bann *co-trusties* i pa Sesel. Alors bi sa nouvo lamannman se pou rektifye sa bann defayans, pou permet lesanz lenformasyon ant bann *co-trusties* ki enkli lenformasyon lo bann benefisyer ki nou apel zot *beneficial owners*.

Mr Speaker, zis pou donn en apersi, seksyon 35(2)(c) anba Lalwa *AMLCFT* i egzize ki tou antite ki ganny klasifye koman bann *reporting entities*, ki enkli en *trustee*, i idantifye e verifeye bann benefisyer an akor avek regilasyon *Beneficial Ownership Act, 2020*.

An plis ki sa, seksyon 9 (1) anba *BO Act* i egzize ki en *trustee* i idantifye e verifeye zot bann benefisyer.

Regilasyon 3(6) anba regilasyon *beneficial owner*, i dir ki en benefisyer i en *trust* se bann kategori dimoun ki enkli *trustees, settlers, protectors, beneficiary, etcetera*.

Par kont menm si en *trustee* i annan lobligasyon pou idantifye e verifeye bann *trustees* en *trust*, e zot annan responsabilite pou travay ansanm, Sekretarya i santi ki dan bann lenstans kot en *trust* pe ganny administre par plis ki en *trustee*, i devret annan en provizyon spesifik dan Lalwa, pou permet e obliz bann *co-trustees* pou demann e donn bann lenformasyon antre zot. Espesyalman ler en *co-trustee* pa en rezidan Sesel.

Mr Speaker, se pou sa rezon nou pe propoz lamannman dan *Trusts Act*, pou donn pouvwar bann *co-trustees* pou demann okenn

lenformasyon relevan, ki enkli bann lenformasyon lo bann benefisyer antre zot. Pou zot pli kapab deservi zot responsabilite. E pou asire ki Sesel i satisfere rekomandasyon 25. Bann sanzman i *comme swivan*;

Premye, lentrodiksyon en nouvo seksyon 30A - Lesanz lenformasyon ant bann *trustees*. Mr Speaker, nou pe propoze pou entrodwir en nouvo seksyon apre seksyon 30. Sa i seksyon i 30A. Pou permet bann *trustees* pou demann e esanz lenformasyon antre zot.

Setadir kot en *trust* i ganny zere par plizyer *trustees*, nenport ki *trustees* i kapab demann okenn lenformasyon relevan avek nenport ki lot *trustees* dan sa *trust*. I enportan pou note ki sa pou aplik menm pou lenformasyon lo bann benefisyer.

En *trustee* pou anba lobligasyon pou reponn sa demann pou lenformasyon, dan sa peryod letan ki'n ganny spesifye dan sa demann. Otan ki i dan en peryod rezonnab. Si i pa onor sa demann dan sa peryod letan, i pe komet en lofans anba seksyon 91 *Trusts Act*.

Mon ti a kontan met a latansyon Lasanble Nasyonal,

ki pli tar en menm provizyon pou ganny enkli dan Lalwa *Beneficial Ownership Act*, spesifikman pou lesanz lenformasyon lo benefisyer.

Mr Speaker, bann lezot lamannman ki pe ganny propoze i koreksyon tipografi ki *comme swivan*; seksyon 26, anba seksyon 26 (4) nou pe propoze pou retir sa mo '*censed*'.

Seksyon 84 nou pe propoz, anba seksyon 84 (4) nou pe propoze pou retir sa mo '*rty*'.

Mr Speaker pou ki bann sanzman Polisi i vin legal mon pe prezant avek Lasanble Nasyonal sa Prozedlwa *Trusts (Amendment) Bill, 2022* pou zot konsiderasyon e laprouvasyon. Mersi Mr Speaker.

MR SPEAKER

Mersi Minis pou lentrodiksyon. Nou ava ouver deba pou bann Manm. Les mwan dir poudir sa i en lokazyon kot mon pou demann bann Manm pou aplik *Order 59*.

Ki vedir '*a Member shall confine his or her observations to the subject under discussion*'. Akoz sa i en *Bill* tre spesifik, teknik. Donk mon pou demande ki nou reste lo sa size ki dan *Bill*.

Mon a propoze ki mon ganny lentansyon bann Manm ki pou adres sa *Bill*.

Bon mon annan Onorab Andre ek Onorab. Mon a donn bann Manm 10 minit pou zot ladres? Onorab Andre mon sipoze ou ava konmanse pou entrodwir *Bill*.

HON CLIFFORD ANDRE

Mersi Mr Speaker. Mr Speaker mon ti a kontan komanse parey mon ti konmanse yer dan *Bills Committee*. Mon konnen ou'n donn lenstriksyon pou et spesifik lo *Bill*.

Me selman sa *Bill* in ganny anmennen an rezilta bann rekomandasyon ki ganny fer par bann lenstitisyon ki *supervise* bann pei, e ki *rate* bann pei e bann pei odela i bezwen letan i war in ganny *rating* i bezwen *reapply for a re-rating*.

Mr Speaker, mon'n komans koumsa set aköz ozordi nou'n vwar nou'n ganny nou en *time sensitive Bill* ki devan nou. E i en *Bill* ki letan ou get li i pa tro konplike.

Me selman bann rezon ki nou, nou met devan avek *panel* ki nou'n zwenn yer, se aköz letan nou ti ganny - kekfwa *panel* i kapab eksplik sa pou pep konpran e pou Manm Lasanble osi konpran.

Aküz nou annan bann konsern ki zot anmenn en *Bill* apre zot posibleman demann nou pou degaze avek. Erezman sa enn pa tro long. I pa tro konplike. E nou'n vwar son nesosite. Me selman letan nou pe gete nou'n ganny met okouran ki *review* ti ganny fer, e rekomandasyon ti ganny anvoye an Mars.

Letan nou pe gete Mars pou ozordi i 5, 6 mwan. E i *time sensitive* aköz nou annan 2 zour pou nou fer en demann pou *re-rating*.

Nou konpran sa nou koman en Lasanble, be selman letan nou gete depi Mars ziskan la, nou war ki keksoz ti'n kapab ganny fer pli dousman. Sa 7 zour pa ti pou'n bezwen ganny *wave*. Kekfwa bann dimoun dan lendistri, ki annan konsern ki mon konnen zot napa konsern la pou lemoman. Ti'n kapab apros bann Manm Lasanble pou met serten pwen devan.

I enportan Mr Speaker ki letan nou pe get sa bann laspe dan nou bann Lalwa. E letan ou soumet nou pei pou ganny *review* oubyen pou ganny *interview*, pou ki nou kapab ganny en *rating*.

I enportan ki letan nou dan, pe negosye avek sa *ESAAMLG* ki pou sa ki pou

rezyon Lafrik. E si i arive lo en lot nivo *FATF*, nou demann zot pou anvoy nou en *comprehensive request of* ki manner nou kapab amann nou Lalwa dapre zot demann. Oubyen dapre ki manner nou pou satisfè kominote enternasyonal.

Ou konnen letan nou pe gete nou'n fer lamannman 2021. Nou pe fer lamannman 2022, zis pou satisfè *ESAAMLG*. Akoz li in met en rekomandasyon ki nou bezwen fer serten keksoz.

So, mon santi ki parey mon'n dir avek SS yer. Mon espere, e Minis mon espere ki 6 Mwan de la nou napa ankor en lot lamannman pou nou fer ki pou nou satisfè zot ankor.

Mon krwar i byen nou soumet nou ziridiksyon avek bann lenstitisyon - bann lenstans enternasyonal. Me selman zot osi fodre zot pa kontinyelman sanz *goal post*. Akoz letan nou e get sa lafason ki i *operate*. Se sanze, i sanze. So pou mwan konform avek demann ki Speaker in dir nou, apre ki mon'n met sa bann bout devan, se ki sa nouvo seksyon i enn ki definitivman i kler. Akoz i pe dir ki en *trustee*.

Selman mon ti ava kontan konnen. Ki pe dir ki en *trustee* i kapab demann avek en lot

trustee lenformasyon. E i osi enplik *beneficial owners* ladan. Me selman, eski bann *trustee* Minis pa zot sipoze konn sa bann lenformasyon? *As they are collectively responsible in respect of the trust*.

Prezan, konmsi eski nou pe dir oubyen *ESAAMLG* pe dir nou ki pou dir i annan *trustee* ki konn plis lenformasyon ki lezot. E si sa i le ka - si sa i le ka letan nou e get sa lamannman ki manner i vini.

'Where a trust is administered by more than one trustee, any trustee may request for any relevant information in respect of the trust from any of the other trustee'.

Be eski sa *other trustee* i annan sa lenformasyon? Konmsi letan mon pe gete konmsi si par egzanp mwan Onorab, Hoareau, Onorab Naidu nou pe responsab en *trust*, zot, zot vin demann mwan, be eski mon annan sa lenformasyon mwan. Konmsi lo la kekfwà i mank en pti bout. Mon pa konnen si nou kapab get li, *who has this information*. Ok?

So letan mon'n get sa. Yer letan nou'n koze mon pa'n vremen vwar sa. Me selman ozordi letan mon pe repas lo la, mon vwar ki nou bezwen gete. Letan nou pe repas lo sa

lamannman, nou bezwen gete si letan en lot *trustee* pou demann avek en kot *trustee*, ki i bezwen annan sa lenformasyon pou li kapab donnen.

Akoz si i napa, definitivman i pa pou kapab donn sa lenformasyon. E i normal ki ladan nou pe met en *timeframe* ki kler. Akoz si nou pe rod serten lenformasyon ki kapab annan avek par sa lot dimoun i bezwen annan en letan ki donnen pou li donnen.

E si i pa donnen ki arive Minis? Akoz nou pa'n mete. Mon pa konnen si i pou ganny kalifye koman en lofans anba seksyon kot lofans i ganny tonbe.

Me selman si i pa donnen pandan dan *timeframe then should* i pou vin en lofans oubyen zis i pou koumsa? En lot let pou ganny donnen ankor, en lot *request* pou bezwen ganny *issue* pou li ganny sa lenformasyon.

Lezot sa bann seksyon i zis pou tir bann lamannman sa bann seksyon. I zis pou tir sa bann detrwa pti lerer bann mon ki paret an ekse. E ki fer li vin pli prop.

Alors mwan dizan sa mon krwar ki sa i byen. Me selman parey mon'n dir ler mon'n komanse, eski nou pa bezwen

pran nou *Trusts Act* e amann li *as a whole*? Ki apre nou annan en pti *breathing space* pou nou kapab les nou lendistri grandi dan plas tanzantan nou pe *move the goal post* parey mon'n dir.

Ki fer lendistri vin en pti pe, bann dimoun ki annan lide pou zot anrezistre en *trust* isi Sesel, i fer ki zot osi zot santi zot en pti pe *uncertain*.

Minis be apre mon krwar an sa konsep letan nou ti pe *deal* avek *the Act itself*, nou ti dir ki poudir nou pou annan bann keksoz ki pou pran ka avek bann *assets, immovable assets of* sa bann dimoun.

So nou bezwen gete, akoz sa i en demann ki pe vini. Eskiz mwan Mr Speaker zis pou mwan tous lo sa. I en demann ki vini kontinyelman, akoz mon krwar i annan bokou dimoun ki enterese, me selman zot ti ava kontan war sa landrwa ki pe antreprann sa.

Avek sa de pti mo Mr Speaker, mon le donn Minis lasirans ki prenon kont sa de pti konsern ki mon'n met devan, mon pou donn mon sipor pou sa lamannman ki'n vin devan nou. Mersi.

MR SPEAKER

Mersi Onorab. E mon krwar ou'n direkteman tre *focus* lo

Bill. Mon a kontinyen avek Onorab Loze.

HON JOHAN LOZE

Mersi Mr Speaker. *Very briefly* mon annan zis 3 pwen. Mon premye pwen mon krwar ozordi nou pou dezapwent en kantite dimoun deor, akoz sa de dernyen zour Lasanble in en pe *houleuse* mon kapab dir. Vandswet ti pe tape isi anndan. For movetan. E posibleman in annan serten lekspektasyon ganny kree ki zafer i ava kontinyen koumsa.

Be nou bezwen les konpran ki nou travay i konpri serten aksyon. E souvan bann aksyon se bouz ansanm dan direksyon ki aport benefis pou nou pei.

E sirtou aport benefis pou nou pep. E dan sa bann moman nou bezwen ser koud, ser zepol, e pran aksyon neserer ki avans nou pei devan.

Nou annan en sistenm politik *two party system*, kot par son natir i anmenn konfrontasyon. E serten komanter ki ou tande lo Lasanble Nasyonal, se ki bann *MNA* zot pas zot letan lager antre zot isi laba, lot, lot, lot.

Be sa i natir politik en *two party system*. I adversoryal. Ou annan sa ki arive. A la menm enstan ou annan bann moman

parey la an se moman, kot tou lede kote ou bezwen pran tou sa bann zafer, poz de kote e aksyon ki ganny pran *in spite of* nenport ki parol ki ganny dir e ganny prononse, aksyon li i bezwen an faver sa pep, sa Nasyon, sa pei, nou patri ki apel Sesel. Sa ti mon premye pwen Mr Speaker.

Mon dezyenm pwen i lo sa laspe *time sensitivity of the Bill*. Mr Speaker mon kapab dir mon kontan ki *LDS* i dan Egzekitiv. Mon kontan. Mon pa konnen konbyen fwa zot in bat sa zafer *time sensitive Bills* dann nou latet.

La ozordi zot pe aprann lesan. Zot pe vwar poudir posibleman *whilst not perfectly normal*, be i arive, i arive sa.

I pa ti malisye letan nou, nou ti fer li. E mon asire i pa malisye la ki zot, zot pe fer li. Mon pou la donn zot *a harder time about it than is necessary*. Mon kapab fer li, selman mon pa pou fer.

Be selman mon le zis anvi *remind* zot, parey yer mon ti dir zot. Zot in mank loportinite pandan sa 30an ki zot in dan lopozisyon, pou edik sa pep ki apel Seselwa lo kwa ki normal dan Lezisasyon Sesel.

E zot in servi tou loportinite ki zot in gannyen pou batonn nou ler nou ti dan

Egzekitiv. Mon pa pe al batonn zot la. Mon pe zis *remind* zot loportinite manke ki zot ti annan pou edik dimoun lo sa bann *time sensitive Bills*.

E mon pou asire pou annan ankor. Mon pa konnen si mon kapab enpoz lo SS Payet si i konnen. Akoz lafen lannen i toultan annan *a whole slew of* sa bann *Bill* finansyel. Si petet i kapab donn nou en nide apepre konbyen i pou annan ankor di si la milye Fevriye petet. Akoz i lafen, e konmansman lannen.

E konmsi li menm mon konnen *it is SS Payet again* ki bezwen anmenn sa bann zafer. Pov ou, *but anyway* liniver in pini ou avek sa SS. Alors ou bezwen anmennen. Sa ti mon dezyenm pwen Mr Speaker.

Mon dernyen pwen. Sa *Bill* i pe adres sa zafer lenformasyon. *Beneficial ownership*. Mr Speaker, mon kontan ankor ki ozordi LDS i dan Egzekitiv. Ozordi LDS zot bezwen anmenn sa bann keksoz.

As oppose to 2017 letan zot ti pe amann Lalwa, letan zot ti pe dir pa bezwen en rezis, pa bezwen gard en lalis, pa bezwen pi bliy lenformasyon, pa bezwen tousala.

Zot konpran aprezan akoz zot ki pe anmennen. Mon pa pou *go back* lo tou sa ki zot

ti dir letan zot ti pe amann Lalwa an 2017 pou zot *commit* en *acte de corruption from* zot sez dan Lasanble Nasyonal.

Mon pa pou al repet tou sa ki zot ti dir. Be selman mon kontan poudir liniver pe donn zot leson ozordi. Zot bezwen aprann *by the doing*, parske zot in tro anmenn nou lapo lagel dan lepase.

La ozordi, lanatir pou dreng zot en kou. Zot bezwen *end-up* fer sa bann keksoz ki zot in toultan konplent, zot in toultan bat dan nou latet. Zot in toultan dir nou i mal! Mersi Mr Speaker.

MR SPEAKER

Mersi Onorab. Mersi pou et bref. Mon ava pas laparol avek Onorab Gill.

HON CHURCHILL GILL

Mersi Mr Speaker. Bonn apre midi Minis. Mr Speaker mon pou tre bref. Akoz i annan zis en klarifikasyon ki ler Minis i donn son larepons pou zis donn nou en pe leklersisman lo la.

Dan nou *meeting* nou ti, baze lo kestyon ki mon ti demande, mon ti ganny dir ki, dan *Bills Committee meeting* la mon pe koze, yer. Ki Sesel i annan en reprezantan ki get kote Sesel. Prezan sa enn in

kite, prezan i bezwen en ranplasan.

Mwan ki mon ti le eklersi ek Minis, pou evite ki toultan nou *press* avek letan. Eski sa dimoun ki reprezant Sesel laba, eski sa *engagement* ki sa dimoun i fer avek nou, i donn nou loportinite pou nou kapab ganny lenformasyon pli boner?

Aprè bann keksoz ki pe pase laba. E sa pou kapab fer nou kapab bouz, ler nou ganny sa bann lenformasyon boner nou osi nou kapab bouz boner.

E nou ava kapab adres nou bann *compliance issues* pli boner. E i ava evite ki nou *press* avek letan. Eski i annan sa posibilite ki nou *engage* ek sa dimoun, pou nou kapab ganny lenformasyon bokou pli boner ki pe pase laba? Mersi.

MR SPEAKER

Mersi Onorab. Onorab Hoareau wi.

HON JOHN HOAREAU

Mersi Mr Speaker. Mon osi mon pou ase bref lo sa morso Lezislasyon. Selman ti annan en keksoz ki mon ti ava kontan fer resorti apre midi.

Akoz sa *Bill* li menm i pe baze lo *request of information between trustees*. E parey nou konnen i kapab annan bann *trustees* si i annan *more than*

one trustees ki pe okip en *particular trust* i kapab ganny sitye dan diferan pei.

So dizon nou, nou enn isi Sesel, enn Lanmerik. Deza i annan en *time zone difference* avek sa de. E osi Sesel parey nou pou vwar dan sa prosen, mon pa pe *preempt discussion for the other Bill*, me selman parey nou pou vwar dan sa lot *Bill* ki pou vini.

Nou pou annan serten egzerans pou nou kapab *update* bann lenformasyon. Sirtou lo kote *AMLCFT*, avek en lorganizasyon enternasyonal ki Minis pou bezwen kapab *update on a daily basis*. Pou prevansyon kont terorizm.

So i fer ki sa bann lenformasyon i *very timely even though* ki nou, nou pe *operate* dan en diferan ziridiksyon. So, *the Registered Office* avek *the Principal Office of business* i kapab pa menm lokasyon. Alor i enportan ki sa Lalwa i ganny mete pou fer sir ki i annan si ou le en *interlocking relationship between* bann diferan *trustees*. E zot kapab donn lenformasyon ki relevan. Ki neserer pou *FCIU* at a *timely manner*.

So, mon krwar se sa rezondet prensipal deryer sa *Bill*. Alor mon krwar mon pou definitivman vot pou sa *Bill* aköz mon konnen i pou permet

sa bann dimoun fer zot travay pli byen. Me an menm tan mon le dir osi ki dan tousala i annan en zwe en pti pe dezonnèt. Dan en serten sans nou kapab dir lo kote bann diferan *agencies* ki *rate* nou isi Sesel.

Akoz toultan nou an konpetisyon avek nou *rival partner* Moris. E anler ou vwar menm - mon pa pou dir ki fason - mon pa oule *point finger at anybody*. Me selman ennler ou vwar menm Morisyen ki form parti group *ESAAMLG*. Oubyen ki form parti group *FATF*, ki pe fer bann rekomandasyon kot anler i zwe en pti pe avek nou ziridiksyon.

Konmsi ou le ganny sa lenpresyon ki se tou sa bann plis rekomandasyon i tonm lo nou, ki leres ziridiksyon.

Menm si nou *abide, the next time* ou war en lot pti lipou ki ganny leve, en lot pti lipou ki ganny leve. Ki fer ki toultan nou bezwen pe re amann nou bann Lalwa parey Onorab Andre in fer resorti en pti pe pli boner.

So, i bezwen ki petet lo nou kote nou en pti pe pli proaktiv. En pti pe plis vwar sa bann keksoz ki fason i vini. Pou nou kapab fer en pli bon negosyasyon. E pou nou kapab donn nou pei pli bon Lalwa e an menm tan bann Lalwa ki relevan, ki fer sans.

Me pa zis bann Lalwa ki tou lazournen pe aranz en pti bout zafer. Kan si ou gete parey in ganny mete la, sa *collective responsibility* i devret tonm lo tou *members of the trustee legally*.

Zot tou zot sipoze annan sa responsabilite pou donn lenformasyon. Me selman la nou war nou pe bezwen al met, al fer en lamannman presizeman lo lenformasyon, pou fer sir ki bann lenformasyon sirtou ki konsern *beneficial ownership* i ganny partaze dan en fason pli senkronize.

Avek sa Mr Speaker mon a remersye ou.

MR SPEAKER

Mersi Onorab. Onorab Pillay.

HON SEBASTIEN PILLAY

Mersi Mr Speaker. Mwan mon pou *straight forward* lo sa ki mon annan pou mon dir. Premyerman i annan en keksoz ki mon pa ganny en konpran. Ou konnen in en batay pou nou Lezislater avek bann dimoun ki travay dan sa sekter.

In en batay aköz ler nou, nou pe koz rekomandasyon *FATF* e mwan mon ti pe koz rekomandasyon *FATF 24 ek 25*. Ou rapel byen ou. Ou'n la dan tou sa bann *meeting* ki nou'n fer

laba anler. Nou'n anmennen ek sa, anmennen ek sa, anmennen ek sa. E zot zanmen zot in kapab don nou ki direksyon zot le ale ek sa.

It's never been clear what direction you wanted to go with this. And in fact, tousala problem pou nou in komans ler nou'n komans amann *AML Act*. Bann lamannman ki *VP Afif* ti propoze.

Kot nou ti komans tir bann *disclosures* ki nou ti mete, apre nou'n bezwen rekomans mete. In pran nou en letan pou nou rebran. Ozordi i Vis-Prezidan, *so in serve* li byen sa bann lamannman. Mon pa konnen ki sa msye i ankoler ler mon koze Onorab Henrie laba mwan.

Me selman mon ti ava kontan demann *panel* en kekyon. E mon konbran akoz Minis pe anmenn sa bann lamannman.

Par egzansp, i annan en Komite *AMLCFT* si mon pa tronpe. Lasanble Nasyonal i ganny sa lamannman la e nou ganny en let ki dir nou akoz lizans nou bezwen pran li *First ek Second Reading*, akoz i annan *re-rating* pou pei.

In arive letan mon Gouvernman ti o pouvwar. Mon pa'n neserman dakor avek. Mon'n fer mon lopinyon

kler lo la. E i pe ariv ankor. Me la safwasi mwan mon dan en pozisyon pou annan en keksoz pou dir lo la, *whether* sa bann Lalwa pou vin devan Lasanble oubyen non.

E safwasi nou'n fer desizyon baze lo sa ki *SS Payet* in anvoy kot nou. Ki mwan mon krwar sa garson i byen *deserve* son trezyenm mwan. Ar ou ti pou donn li Minis? Pa pran pou ou, donn li pou li en? Akoz i travay for li, i pou pli for ki ou.

Ki mon pe mazine mwan se ki akoz Komite *AMLCFT* pa'n pran kontak ditou ek nou. Ditou Mr Speaker. Nou Lasanble Nasyonal nou - ditou. Pou dir nou poudir gete nou annan sa pe vini la, sa zafer pe vini. I bezwen annan en legzersis ki ganny fer pou *preempt*. Petet eksplik mwan fer mwan konbran.

Eski dan sa lendistri nou dir be nou kontinyen mannyer nou ete, zour zot demann nou, nou ale nou fer? Nou kontinyen mannyer nou ete zour zot demann nou, nou ale nou fer. Petet sa i fason fer dan sa lendistri mon pa konnen.

Me selman pou mwan i koz en problem, akoz ler nou ganny sa bann lamannman nou fer sa. Nou fek fer en lamannman *control and finance* lo *Prevention of Terrorism*.

Nou'n fer en lamannman lo la nou. La nou pou fer ankor enn la *regarding* sa Lalwa. E la nou pe fer en lamannman dan Lalwa *Trusts*. So nou dan en lenpas Mr Speaker aköz personn prezan pa kapab dout merit Lalwa aköz si nou pas Lalwa nou dan problemn.

Si nou al dan problemn pei i al dan problemn e tou dimoun i ganny afekte. So, Minis *there is no issue* prezan avek Lalwa. So sa ki nou le se ki nou le en langazman lo ou par se ki i ava plis lenformasyon ki ganny donner avek Lasanble Nasyonal avek lezislater, ki pou vin *at the end of the day* aprouv sa Lalwa.

Aküz i pou enportan aköz mon komans vwar avek sa, i *subjudice* byensir devan Lakour Konstitisyonnèl. Me lefe ki i annan en *challenge* lo en keksoz ki Lasanble in pase, Lasanble pe etabli en sistenm *Hansard* ki pou annan rikord.

Lentansyon Lasanble Nasyonal pou vin enportan dan deliberasyon lo bann *case* ki pou vin devan Lakour an se ki konsern desizyon Lasanble Nasyonal *going forward*. Sa ti en pwen ki mon ti le *deal* avek.

Prezan mon pe war mwan en konsern - petet zis mwan ki pe war ki koman en konsern. Oubyen i en konsern ki mon

war Gouvernman in sey adrese. Me i konsern Seksyon 16 *Beneficial Ownership Act*.

Ler mon get Seksyon 16 *Beneficial Ownership Act*, aköz Lalwa *Beneficial Ownership* ti sipoze sa *overarching framework* ki *deal* avek *beneficial ownership*.

Savedir pou dimoun ki pe ekout nou, nou annan en Lalwa ki prevwar ki tou dimoun ki ganny en benefis direk, en benefis direk pa son Direkter. Sa dimoun ki *actually own*, ki pou benefisye avek sa zafer, nou annan en Lalwa ki dir ki i bezwen an rezis, i bezwen annan en rezis kot son non i ganny mete ki li i ganny en benefis direk.

Be i annan en provizyon dan sa Lalwa ki li i parey i en *overarching provision* ki dir, malgre tou keksoz ki egziste dan lezot Lalwa sa enn Lalwa li ki pou pran presedans an se ki konsern *disclosure*.

La, prezan ki'n arive dan sa Lalwa, mon'n war ki e mon konpran aköz bann teknisyen in fer sa. Zot in bezwen met en lot *proviso* zot. Sa ki mon konsernen avek *Minister* se eski *Beneficial Ownership Act*, li ki pou *overarching mechanism* lo *disclosure*?

Or eski anba *Trusts Act* sa *proviso* ki nou'n mete i ase pou

do away avek sa ki seksyon 16 dan *Beneficial Ownership Act* i dir?

E si nou *go back to Beneficial Ownership Act* Mr Speaker, seksyon ki *deal* avek *accessibility, disclosure, confidentiality of beneficial ownership* i dan *part 3* seksyon 11.

E ladan i koz lo son *part C, 11(1)(c)*. I mansyonn an relasyon ek en *trustee, settler or beneficiary of an international trust*. E i donn bann letan *within which* zot bezwen *comply* avek en *disclosure for information*.

Mon pe zis konsernen *Minister*, eski i posib ki en dimoun i kapab *challenge* pou dir se *beneficial ownership* ki sipoze *overarching legislation*?

Akoz mon war sa *proviso* ki nou'n mete kot nou'n dir *notwithstanding* seksyon 16. Mon *still* pa konvenki ki sa Lalwa i par lao *Beneficial Ownership Act*.

Akoz lentansyon Lasanble ler *Beneficial Ownership Act* ti pase. Sete pou fer ki Lalwa *Beneficial Ownership* i sa Lalwa ki pran presedans lo tou lezot Lalwa an se ki konsern *disclosure* lenformasyon. Sa ti nou lentansyon.

Be selman mon pe get sa *proviso* mon pa konnen si sa

proviso i ase for pou li dir sa. Akoz ou bezwen lir tou lede ansanm.

Ler ou lir enn, enn i dir ou se li ki *prevail* lo sa lot. So, mon pe prezimen mwan i pou bezwen annan serten *thinking* ki ganny fer *going forward*. E i pou annan serten lazisteman ki pou bezwen ganny fer pou fer sir ki sa pa vin en *loophole within which* en kestyon i ganny demande, an relasyon avek lenformasyon ki konsern bann *trust*.

En lot pwen enportan Mr Speaker ki mon le met devan Minis, e sa i en pwen nesaser, mon pa konnen nou pou bezwen *at some point in time* annan en larmonizasyon travay ki *AML/CFT Committee* pe fer, e rol ki Lasanble Nasyonal i annan pou zwe.

Mon pa konnen si *IAC* i pou annan en rol pou li zwe ladan, be ti ava bon petet *IAC* i konsidere zwenn avek en *AML/CFT Committee* pou zot konpran ki zistans nou ete avek tou sa bann keksoz.

Akoz i pou annan en reperkisyon *from* en perspektiv relasyon enternasyonal, en perspektiv korperasyon. Ki mannyer nou pou kapab *deal* avek sa bann keksoz *going forward*.

Alors Mr Speaker mon ava petet ekout Minis si i kapab reasir mwan. Mon pa pe dir i annan keksoz mal. Mon pe dir mon pe rod en reasirans *regarding* sa senp ti provizyon, ki parfwa i kapab met nou dan en problem.

Akoz enn i sipoze pe dir lo lot. Ler ou dir enn, li i dir lot. Ler ou dir lot, i dir ou sa enn pa pran. So pou mwan ler mon pe war koman *beneficial ownership* i vin sa enn ki par lao.

Petet nou pou bezwen fer serten azisteman *going forward*. Ek *beneficial ownership* pou nou fer li tir Lalwa *Trusts* e fer Lalwa *Trusts* vin *standalone* lo li tousel. Mersi Mr Speaker.

MR SPEAKER

Mersi Onorab. Mon ava envit Minis pou fer son larepons lo deba.

Lo kote en kestyon ki'n monte *regarding*, eski bann

trustee pa sipoze *already* annan sa lenformasyon lo kote zot *BO*?

Annefe seksyon 30 dan *current* Lalwa i *already provide for that*. Me ki evalyasyon *ESAAMLG* pe dir se ki, zot le plis klarite lo sa *issue*. E annefe *this is*, sa i egzaktaman, akoz sa seksyon in ganny mete pou anmenn plis klarite lo sa *issue sharing of information*.

Lo kote *timeframe*;- *Timeframe* anba seksyon 91 napa en *timeframe*, me sa ki mon'n ganny se ki *timeframe* i ganny agree *between the 2 trustees*. As long ki sa dele letan ki pe ganny donner i ganny regarde koman rezonnab. E sa i ganny kouver anba seksyon 91.

Lo kote *immovable assets*, kestyon ki Onorab Andre in mansyonnen. Wi sa i lo *workplan*. E i *part of* bann lamannman ki nou pou anmennen lannen prosenn pou *Immovable Assets*.

Ti annan en lot komanter ki spesifikman lo kote *desk officer*. E *in terms of* ki bann, ki nou kapab fer pou nou ganny sa *flow of information*. Sa i en keksoz ki *AML/CFT Committee* pe regarde.

Me ki ou war i annan legzanp ki'n monte *regarding* Moris. E nou war Moris i annan bokou son bann *staff* ki dan sa

bann lorganizasyon, e sa i mars dan zot lavantaz.

Mon krwar stratezikman sa i en keksoz ki nou bezwen eksplore ler nou pe bouz devan, ki mannyer nou ankouraz nou bann *staff* pou zot al dan sa bann lenstitisyon. Ki ava donn nou osi en pe eleman stratezik.

Lo kestyon ki Onorab *Leader* Lopozisyon in mansyonnen lo seksyon 16, wi Onorab pou annan en *subsequent amendment* avan lafen lannen lo kote, lo *BO Act* ki pou regard sa.

In terms, wi *the BO Act is the overarching Act* ki kouver sa. Me vi ki sa lamannman pa ankor vini dan *BO Act*, ou bezwen pran li la dan *Trusts Act*. E *BO Act* son bann lamannman pou vin avan lafen lannen.

Onorab Andre.

HON CLIFFORD ANDRE

Mersi Mr Chair. Mr Chair napa bokou lamannman dan sa - napa bokou *proposed amendment from the Bills Committee*, apard ki dan 30A. Nou, nou pe propoze ki i lir koumsa: - '*Where a trust is administered by more than one trustee, any trustee may request any relevant information in respect of the trust*'.

So zis pou nou *delete* sa '*for*' remove '*for*'. Akoz letan i dir

'any relevant information in respect of the trust'. So i deza pe dir sa.

Annefe sa bann *issues* ki nou diskite yer Mr Chair. So kekfwa pou nou al vit mon ava zis dir kwa ki nou'n dakor. Ouswa ou le mwan mon pran enn par enn epi *panel* i *respond*?

MR SPEAKER

Mon krwar panel parey labitid pe swiv ou. Ale kontinyen pou lemoman apre nou ava regarde si zot annan komanter.

HON CLIFFORD ANDRE

Dan *sub* (3) Mr Chair nou ti ava swete i lir koumsa;

'A trustee shall comply with a request for information made under subsection (1) within the time specified in the request'.

So pou nou tir sa mo '*any timeframe as may be specified*'. Because the time will be specified in the request in any event.

Apre *with regards* to *amendment of section 84*, pou nou zis tir sa *comma* ki apre '*for*'. *Subsection 4* Mr Chair.

With regards to *amendments to section 89*, zis pou nou tir sa *comma*, ki apre *paragraph 1 (a)*. So sa se bann lamannman ki *Bills Committee*.

MR SPEAKER

Byen ou ava rebran. *Ok* nou'n fini avek sa nou ava pran pwen Onorab Pillay.

HON SEBASTIEN PILLAY

Thank you, Mr Chairman. Mon pou fer li an Angle pou benefis nou sa. Mr Chairman I am concerned that there is a nullity that is created by the amendment in 30A (2).

You see there is a proviso in 30A (2) that says that notwithstanding a section of the BO Act, the provision for the request for information here shall prevail.

But however, Mr Chairman when you read the BO Act, the BO Act is the overarching framework for disclosure of information.

And so therefore this amendment is negated by the amendment in the BO Act in itself. Because the BO Act also says 'notwithstanding any the other Act.'

So therefore, this creates a nullity and in my opinion it creates something that is somewhat of an issue. It makes it difficult for you to move this amendment because when you read the BO Act itself it nullifies this amendment, because the BO Act says 'notwithstanding any other law,' which includes this provision.

But now this provision wants to negate itself from BO Act which I think creates a conflict between the two. So therefore, the Minister is right in

saying that there should be a subsequent amendment to the BO Act.

But my fear is that with the Assembly proceeding on the amendment at 30A (2) we are already creating something which is in my opinion not legislatively correct.

Because you have two provisos saving the very same thing. One is supposed to supersede the other. And one is supposed to be a proviso from the other which itself creates a confusion in what they do. So, they cannot exist together.

MR SPEAKER

Thank you.

HON SEBASTIEN PILLAY

Exactly, they cannot co-exist Mr Chairman.

MR SPEAKER

Thank you, panel. Minister will you direct madam pou reponn? Thank you, madam. Yes, madam you can go ahead.

ASSISTANT DRAFTSPERSON MUGANHIRI **LEGAL DONNA**

Thank you, Mr Chair. I am looking at the section 16 of the Beneficial Ownership Act.

Yes, indeed it is trying to say that it is opening up any

other law that has the requirement for beneficial ownership. And if in any case there is some kind of confidentiality provision or there is some requirement that limits the distribution of information under that law, the Beneficial Ownership Act then says that notwithstanding any of those provisions in any of those laws.

Whenever there is a requirement by the FIU for information regarding beneficial ownership information, that information must be released.

So, the effort for the new proposal 38(2) is to promote section 16. Not necessarily to contradict it. So, we are actually trying to say pursuant to section 16 of the Beneficial Ownership Act, sub-section 1 between the trustees.

And the information that is required include information regarding beneficial ownership. Thank you.

MR SPEAKER

Yes. Wi Onorab Pillay.

HON SEBASTIEN PILLAY

So, are you suggesting that you are going to change the word 'notwithstanding' to the word 'pursuance'? Wait just a minute, just a minute.

And if you are doing so, I just want to reassure ourselves that when it comes to the timeframe, because section 16 talks about a timeframe. If that has no impact on the timeframe I think it makes better sense.

Because then it would mean that you are reinforcing section 16 of the BO Act rather than creating a small sort of a contradiction. So, can you clarify that please?

MR SPEAKER

Thank you. Yes, madam go ahead please.

<u>ASSISTANT</u>	<u>LEGAL</u>
<u>DRAFTSPERSON</u>	<u>DONNA</u>
<u>MUGANHIRI</u>	

Thank you Mr Chair. With regards to your first comment Hon'ble, Yes, we are proposing introducing the word 'pursuant', the phrase 'pursuant to' as oppose to 'notwithstanding'.

But with regards to the timeframe it can vary with regards to the information that is being required in the time that is allowable.

We are not then enforcing the second proposal if I can say that. Thank you.

MR SPEAKER

Yes.

HON SEBASTIEN PILLAY

I will just ask Mr Chairman, that the Minister makes doubly sure with the authorities concerned, that should they need to move any emergency amendment regarding the timeframe that they are prepared to do so, so that they go back and check.

Otherwise I am fine with the word 'pursuance'. That solves the conundrums that we have currently. So, I would suggest that the Bills Committee considers changing the word 'notwithstanding' to the word 'pursuance'. Thank you.

MR SPEAKER

The Hon'ble Member is actually proposing an amendment. Although we did not actually move that. But you are proposing that amendment to this amendment.

Would anybody like to address this? I think he has proposed changing not 'withstanding' to 'pursuant to'. Correct?

Onorab Pillay – wi?

HON SEBASTIEN PILLAY

Mr Chairman, may I?

MR SPEAKER

Panel would you confirm whether this is in line with your

expectation for the Bill also? Yes Onorab Pillay.

HON SEBASTIEN PILLAY

Before you ask the panel, I just want to point out. The panel is proposing that we change the word 'notwithstanding' with the word 'pursuance'.

The panel is proposing this. And because the panel has proposed this, I would be more comfortable that it is the Bills Committee that includes this as part of the series of amendment they are proposing.

MR SPEAKER

Yes, on the part of the Bills Committee Onorab Andre.

HON CLIFFORD ANDRE

In fact, Mr Chair, this is why I raised my hand because I wanted to propose this as an amendment, that would be comfortable with the panel as well as the Assembly.

So I would move the sub section 2 of 30A reads 'pursuant to' section 16 of the Beneficial Ownership Act 2020 - Act 4 of 2020 sub section 1 shall also apply to information on beneficial ownership.

Mr Speaker but I just wanted to again clarify. Do we put 'to' or 'for' information? I mean just reading so is it 'to' or

'for' information on beneficial ownership?

MR SPEAKER

You are talking about section 1 now, subsection 1?

HON CLIFFORD ANDRE

Subsection 2 in last line because it says 'apply to information'. But I was just thinking whether 'to information' or 'for information'.

MR SPEAKER

Non, I think 'apply to' is the right. But let's go back to the change to pursuant. This has already cleared panel? Is there agreement on the floor?

Thank you ok we have done that. Any other points? Thank you. We can, do we need to vote on this amendment or it is just minor?

Minor amendment we can accept it. Thank you. We have cleared the amendments. Nou ava kapab repas dan Lasanble pou fer Formal Third Reading.

Koman Minis pou Zafer Entern ki responsab pou *portfolio* Lapolis, mon prezans isi nou Lasanble Nasyonal se pou ankouraz diskisyon neserer e demann zot laprouvasyon lo bann lamannman Lalwa e regilasyon, ki konsern *terrorism* ki mon pou pe koz lo la pandan sa sesyon.

Mr Speaker, mon oule soulinyen ki *Cabinet* bann Minis, ti donn zot laprouvasyon lo sa bann sanzman e regilasyon, ki nou pe prezant devan Lasanble ozordi le 10 Out 2022.

Sa i montre en langazman mon Minister Lafors Lapolis, bann sekter konsernen e osi

Gouvernman lo sa size tre enportan pou nou pei Sesel.

Pou demonstre lenportans e baz lamannman sa Lalwa e regilasyon avek nou Lasanble dabor, Mr Speaker permet mwan pou souliny sa bann pwen kle swivan;

Plizyer fwa devan nou Lasanble mon'n eksplik zot ki an Septanm 2018, Sesel ti fer fas avek en seri evalyasyon par sa group rezyonal koni koman *Eastern and Southern African Anti-Money Laundering Group* an term kourt *ESAAMLG*.

Koman son rol prensipal, *ESAAMLG* i sirvey lenplimantasyon bann rekomandasyon ki ganny enpoze par *Financial Action Taskforce* - an dot mo *FATF* dan la rezyon.

Koman en Manm *ESAAMLG*, nou bezwen fer sir ki bann evalyasyon ki ganny fer swivi par zot rekomandasyon i bezwen ganny onore par Sesel.

Sinon Mr Speaker nou riske fer fas avek reperkisyon, tel ki bann labank i perdi son korespondans; lenpak lo lenportasyon ki Sesel i fer zis pou nonm enn de.

Dan zot evalyasyon, *ESAAMLG* ti fer en rapor ki ti rekomande ki Sesel i fer plizyer sanzman ek serten Lalwa ki annan pou fer avek *terrorism* e

osi blansisaz larzan. Zot ti fer resorti ki i nesaser pou met mezir adekwa oubyen en bon lankadreman legal an plas, pou konbat sa bann tel krim.

Swivan zot bann rekomandasyon, Sesel pli prezizeman dan sa konteks la, Lapolis in prezant a plizyer repriz diferan Lalwa e regilasyon ki'n fini ganny amande. Fodre osi fer resorti ki sa bann tel Lalwa e regilasyon, i pas avek *scrutiny* par *ESAAMLG*. E zot fer ankor plis rekomandasyon pou Sesel konsidere.

Swivan plizyer kozri e diskisyon lo bann tel lamannman ki'n ganny fer, Sesel i bezwen defann plizyer son bann Lalwa, enkli lamannman dan en *meeting* *ESAAMLG* ki pou ganny fer an Avril 2023.

Pou sa kapab arive i nesaser ki, Sesel i prezant sa bann Lalwa ki bezwen ganny laprouvasyon Lasanble Nasyonal o pli vit posibil, avan lafen Septanm sa lannen. Mon le soulinyen ki sa bann sanzman dan Lalwa i nesaser pou konplimant sa bann rekomandasyon ki *ESAAMLG* ti fer e pe kontinyen fer.

Mr Speaker, i en prosedir kontinyel ziska ler Sesel i kapab met an plas sa lankadreman

legal ki *ESAAMLG* i swete le war.

A sa pwen i bon pou osi note ki *unit* responsab pou fer lanket krim finansyel dan Lapolis (*FCIU*) in komans serten travay pou fer en revi total Lalwa *Terrorism* enkli son bann regilasyon.

Mr Speaker mon oule fer resorti, ki Sesel fodre pa mank sa bato. E Gouvernman napa lentansyon pa onor sa dele letan. La mon le fer rapel avek Lasanble pou ed nou dan sa latas zis parey zot in donn nou zot sipor lo plizyer amannman ki mon'n prezant nou Lasanble dan lepase.

Mr Speaker zot pou rapel ki an Mars 2021 Lasanble Nasyonal ti aprouv plizyer amannman ki mon prezante, e se ki konsern sa tel Lalwa *PTA Prevention of Terrorism Act*. E son bann regilasyon.

Zot pou osi rapel ki, nou ti pran en pozisyon lo laspe *proliferation financing* - setadir nenport ak ilegal pou prodwir fon oubyen servis finansyel an morso oubyen an antye, avek lentansyon pou aste, devlope, transport ouswa stok kemikal materyo nikleer. Enkli biolojik an term senp bann aksyon direk e endirek ki annan konponan *terrorist* lo la.

Mr Speaker, ozordi mon prezant ek zot *Prevention of Terrorism (Amendment) Bill*. Sa *Bill* ki mon pe prezante ozordi i fer provizyon ki okenn kominikasyon ki ganny fer ek okenn lenstitisyon finansyel e osi sa ki nou apel *DNFBPS - Designated Non-Financial Businesses and Professions*, ki konpri Avoka, azan *tax*, bann azan ki vann later eksetera, i ganny fer swivan okenn *designated* par Nasyon-z-Ini san retar.

Rezondet sa provizyon Mr Speaker, se pou garanti ki toudswit apre ki en dimoun in ganny *designated* par Nasyon-z-Ini an se ki koncern sanksyon ki ganny enpoze lo zot, en lord oubyen en *Order* ki ganny fer pou enform sa bann tel lenstitisyon, i ganny fer toudswit.

Pou anpese ki okenn byen finansyel ki kapab ganny servi par okenn dimoun ki reste aletranze, pou komet okenn krim anba *PTA* i vin dan zot tel posesyon.

Sa i osi pou anpes sa bann tel lenstitisyon ganny servi pou fasilite sa bann sel aksyon kriminel.

Mr Speaker, sa bann tel lamannman i bezwen ganny fer pou mentenir stati Sesel, lo nivo enternasyonal. Zot in osi port a

nou latansyon e nou agree ki regilasyon relevan ek *PTA* pa kler ler sa mo '*working days*' i ganny servi.

Parmi bann amannman ki pe ganny propoze, i se ki sa term i ganny tire e ranplase par mo '*calendar days*'. Sa sanzman pou met nou regilasyon an sa ki koncern *terrorism* anliny avek bann rezolisyon konsey sekirite Nasyon-z-Ini, *UN Security Councils Resolutions*.

Pou konklir Mr Speaker, mon oule ankor enn fwa souliny lenportans tou bann lamannman ki nou pe propoze ganny fer. Se avek sa ki mon demann nou Lasanble pou aprouv sa bann tel lamannman ki devan li ozordi.

Avek tel laprouvasyon Mr Speaker, Sesel i kapab pran en pozisyon pli *firm* devan *ESAAMLG* dan sa *meeting* ki pou ganny fer an Avril 2023. Sa bann tel amannman i pou osi fer ki nou ava annan en Lalwa pli detaye pou benefis Sesel.

E avek sa Mr Speaker mon le remerci ou ek tou Manm Lasanble. Mersi.

Akoz sinon sa wi ou kapab fer en kominikasyon, me si napa en dele letan avek, normalman i pran en kantite letan. So, mon espere ki nou ava kapab fer sir ki nou *comply* avek sa bann lamannman ki nou pe anmennen dan nou Lalwa.

Mr Speaker i enportan ki fer resorti ki letan nou ti'n fer nou Lalwa, nou ti'n vwar ladan ki nou ti pe koz lo bann sanksyon an referans avek bann dimoun ki Seselwa.

E sa lamannman ki byen plase si ou le. Aköz byen e finansman terorizm i pa nesese man ganny fer par en

dimoun ki isi Sesel, oubyen ki pe benefisye isi Sesel.

I kapab ganny fer par en dimoun ki pa en Seselwa me ki Sesel. E sa Lalwa pe fer sir ki menm si anba nou Lalwa en etranze i komet en lofans dan nou pei i vin en lofans.

Me selman sa pe *strengthen* sa laspe kot letan *UNSCR* i fer en - i *flag* en dimoun koman en teroris oubyen en dimoun ki kapab finans serten laspe teroris. I osi ganny mete lo nou lalis e nou, nou kapab fer sir ki sa i ganny konsidere letan nou pe fer bann tranzaksyon.

Nou koman bann Avoka nou ganny en lalis, nou ganny sa lalis sorti kot *FIU* detanzaot. Me nou osi okouran ki i annan lo *website* kot i ganny *update every now and then*. So, mon krwar bann dimoun ki bann *reporting entity* nou bezwen fer li nou devwar.

Menm si par ler i vreman difisil, me nou bezwen fer li nou devwar. E nou dan sa konteks nou kapab dir nou sanse pou nou annan *FIU* ki kontinyelman anvoy sa *list*. Mon mazine i anvoy kot tou bann *reporting entity* oubyen bann dimoun ki anrezistre ek li *as reporting entity*.

So Mr Speaker an dizan sa, mon ti ava kontan reasir

Minis ki prenon kont sa detrwa pwen ki mon'n met devan an referans letan, mon pou donn mon *full* sipor sa lamannman.

Me mon krwar dan Staz Komite nou kapab adres enn de pti *issues* ki nou'n met devan. Si pou permet mwan kekfwa Minis ou kapab tous lo la. Ou konnen letan nou pe get lamannman. Letan nou met *amendment of section 20E* nou koz of *Cap. 179*. Mon konnen sa i *original* Lalwa. Me selman letan nou pe gete bann lamannman ki'n ganny fer *subsequent* i *as an Act of* en lot.

Par egzanp lo sa *20E* ki nou pe koz lo la Mr Speaker. Minis an traver ou Mr Speaker, i ganny kree par *Act 8 of 2021*.

So nou ti pe diskite dan *break* ansanm avek reprezantan *Attorney Zeneral*, ki kekfwa pou fer li *user friendly* i bezwen osi annan en spesifikasyon sa *Act 8*, oubyen bann lamannman ki kree sa bann seksyon.

Akoz *from the original Act itself which is 179*, i pa ladan. I annan zis *20*. Wi *20 (a) (b) (c) (d)* in ganny mete atraver *Act 8*. So ki mannyer nou fer li ki en dimoun ki pe lir pou li kapab asimil Lalwa. Mwan mon dan legal mon ava rode mon ava arive. Me selman en dimoun ki

kekfwa i *subjected to that* oubyen ki li i ganny nonmen.

E si ou ganny nonmen lo lalis, pa neserman vre ou en teroris oubyen ou pe finans teroris, ou touzour kapab *challenge* sa alegasyon ki'n ganny mete lo ou.

So ki manner nou pou adres sa. Kekfwa taler letan nou vin dan Staz Komite, nou ava pli kapab. Akoz pou annan en repons lo bann pwen.

Avek sa de mo Mr Speaker mon ti ava kontan parey mon'n dir reasir Minis ki mon pou donn sipor sa lamannman. Mersi.

MR SPEAKER

Mersi Onorab. Prosen entervenans Onorab Egbert Aglae.

HON EGBERT AGLAE

Mersi Mr Speaker. Bonn apre Midi Mini ek ou *panel*. Minis mon pa pou long. Me selman mon annan detwa pwen ki mon anvi met devan. Mon krwar i enportan lo petet direksyon ki en pei, en ziridiksyon parey Sesel i pran anver bann demann, bann lorganizasyon enternasyonal.

Pou met nou azour kot i konsern sirtou blansisaz larzan e finansman teroris. E nou'n war menm dan Sizyenm

Lasanble nou'n amann diferan Lalwa pou met nou azour. Parey *Beneficial Ownership Act* ki nou'n amande. Nou annan nou *Bill AML* ki nou'n osi amande ki en pti pe parante. E la ozordi nou pe koz lo *terrorism*. Li osi en *Bill* ki nou'n deza diskit lo la.

E pou mwan Mr Speaker, i enportan ki nou sitye nou dan konteks Sesel kot nou annan nou bann lenstitisyon ki zot, zot sipoze bann, ki *raise the flags* kot i annan bann problem. E pou met nou azour.

Me mon en pti pe konsernen lafason ki keksoz i ankor pe ganny fer, ki mon'n deza met sa pwen devan. *Ok?*

Nou annan bann lenstitisyon parey *FCIU*. Nou annan *FATF Committee, FSA*, nou annan bann lezot lenstitisyon finansyel ki ede osi pou vwar kot i annan bann tranzaksyon sispe.

So mwan petet ki mon ti ava kontan petet demann Minis, kan eski sa bann lenstitisyon zot tou zot bezwen asiz ansanm pou vwar? Akoz nou pe vwar bann lamannman ki pe vini detanzaot, detanzaot.

Pou nou get sa bann demann ki bann lorganizasyon ki pe met en lizye mon kapab dir, lo sa bann diferan aktivite ki nou pe sizere. E kapab kontribye dan bann diferan

sours finansman ilegal, terorizm, blansisaz larzan.

Pou fer ki nou konnen ki semen ki nou pou pran. Kwa ki ale ek nou osi. Parfwa nou aksepte bann norm ki byen, ki enternasyonal. Me solman koman en pti ziridiksyon osi i kapab annan bann lezot lenpak ki kapab koze.

Akoz parey nou, nou ti war dan nou *offshore sectors* ti annan pa mal *issues* ki ti ganny leve, anba *AML* sirtou. E kot i annan bann endividi ouswa lakonpanyen ki'n bezwen sanksyonnen ouswa ganny *struck off the list*.

So pou nou mon krwar koman en pti pei nou bezwen met nou azour avek travay ki sa bann lenstitisyon ki sipoze bann *flag bearer* pou *raise*, kot i annan konsern asiz ansanm e vwar kote ki nou pe bezwen ale.

Ki direksyon kot i konsern bann lamannman. E vin avek bann propozisyon konkret mon krwar i enportan sa - Konkret. Lo bann rekomandasyon ki nou pou bezwen fer pou ki nou pa bezwen tay ek keksoz detanzaot.

Ouswa nou'n ariv en *deadline* kot nou pa ankor fer bann soumisyon, baze lo rekomandasyon ki nou sipoze ganny *task* pou fer. Pou fer ki

nou ava konnen nou menm nou. E koman en Lasanble akouz nou bezwen vin devan nou. Ler zot vin devan nou byensir nou bezwen demann zot kestyon. Ler i annan bann *rust*, kot nou napa ase lenformasyon byensir Manm i kestyonnen lo tou lede kote latab.

E nou, nou pa ti ava kontan kontinyen war sa kalite pratik a lavenir. So sa i en pwen ki mon anvi met devan Minis ek Gouvernman. E bann lenstitisyon osi ki sipoze pe fer sa kalite travay.

Ok, dezyenmman, *Bill* i senp li. *Bill* pe fer referans pou kapab annan serten kalite lesanz lenformasyon ki kapab ganny donnen avek bann lenstitisyon finansyel, kan i annan bann lenstans kot Nasyon-z-Ini atraver zot Komite Sanksyon in kapab *raise* en *flag*.

Me lo la dan *Bill* enn keksoz ki mon'n war se ki i pe nonm *person*. Me solman nou konnen poudir i kapab en Seselwa, i kapab pa en Seselwa.

Me souvandfwa nou pe war osi ki i annan bann endividi ki kasyet deryer bann lakonpanyen. *Ok*. Bann *companies*. I kapab annan *NGOs* osi. ki ede osi pou *stipend* larzan pou kapab finans bann aktivite teroris. So baze lo sa,

petet eklersi mwan en pti gin dan ki konteks ki zot, zot pou tonm ladan sa group kalite dimoun. Pou kapab petet pa zis target endividi.

Be solman i annan bann endividi ki petet li la;- par egzant i annan lager Larisi ek, *Ukraine*. I kapab annan petet group lentere ki deside li atraver lakonpanyen finans bann aksyon teroris.

So sa osi mon krwar i enportan pou nou eklersi nou koman en Lasanble anba ki konteks ki li i pou tonbe pou kapab sa. So sa i mon kontribisyon. Mersi.

MR SPEAKER

Mersi Onorab. Mon ava donn laparol Onorab Gervais Henrie.

HON GERVAIS HENRIE

Mersi Mr Speaker. Bonn apre midi tou dimoun. Mr Speaker avan mon komanse mon ava profite lefe ki Minis Zafer Entern Mr Errol Fonseka i dan nou prezans.

Lo lapar nou *caucus* mon ti ava kontan pas nou meyer ve e remersiman atraver ou pou tou bann zofisye ki pe travay lo *landfill* depi yer swar, pou nabou met sa dife anba kontrol. Nou rekonnèt zefor ki zot pe fer nou dir zot en gran mersi pou sa.

Mr Speaker, sa lamannman ki devan nou i en pti lamannman ki esansyelman i fer ki Lotorite lokal i ava kapab annan en pli gran regar lo bann tranzaksyon finansyel, ki arive pou kapab konbat finansman terorizm.

E nou kapab krwar poudir i senp. Me sa konsep li menm i enportan pou nou koman en pei reflesir lo la. Akoz i enplik lavi, i enplik repitasyon nou pei parmi kominote Nasyon.

Alor i byen ki nou asire ki nou kad legal i reste azour avek bann rekomandasyon ki lemond i demann nou. Akoz okenn pei enkli Sesel, pa kapab ganny eparnye avek risk terorizm.

Menm okenn pei pa kapab konbat terorizm lo li tousel. Menm si ziska la nou pa ankor ganny eparnye par okenn akt terorizm, konpare avek plizyer pei vwazen parey Kenya, Mozanbik, Somali eksetera.

Nou bezwen met nou pare e an gard toultan. Anfet mon'n en pe konsernen avek sa sityasyon terorizm. Akoz resaman nou ti ganny en konversasyon avek en politisyen etranze ki ti pe koz ek nou lo en size.

Anfet si nou get bann zil dan la rezyon Losean Endyen, i

en size ki kolektivman nou bezwen koz lo la. E Onorab William o bor mwan ki dan IAC e enplike avek bann zafer *Indian Ocean Commission*.

I en size ki bann zil Losean Endyen i bezwen regarde. *Comores* par egzanp. *Comores* enn bann dimoun ki ti travay, enn bann *trusted* sekreter Osama Bin Laden ti sorti *Comores*. I ti ganny touye an 2006. E aköz natir *Comores* i annan sa tandans pou *radicalize* bann dimoun. E ti annan en latak lo zot Prezidan 2019. Ki i en keksoz ki nou merit konsernen avek.

La Reunion, dan bann lannen resan i annan ziska 12 Reyonnen ki'n ganny atrape La Siri. Sorti *La Reunion* in ariv La Siri. E Lotorite laba i dir apepre 60 dimoun ki'n *radicalize* ki zot in arete.

Mayotte, 9 dimoun sorti *Mayotte*, ki'n ariv La Siri in zwenn *ISIS* laba. E Lotorite Franse in admet ki *Mayotte* zot napa kapasite *on the ground* pou *deal* avek sa sityasyon.

Moris an 2015 *La Turquie* ki deport 13 Morisyen. Pri zot zis avan zot *cross border* pou ariv La Siri. E resaman ti annan en *video* en zenn Morisyen ki ti pe koz an Franse e Kreol, ki pe fer en lapel avek son bann

konpatriyot pou zwenn a bann zafer terorizm dan lemonn.

Donk i en size ki isi menm Sesel nou pa kapab zis krwar poudir 'ar nou dan en paradi touris i vini aköz nou lans, lanmer e zoli montanny alor nou eparnye. Non, nou bezwen met nou latansyon lo la.

E sa ki enportan osi se sa zafer drog dan nou pei. Zarm ki nou'n temwannyen tou dernyerman. Risk ouswa tandans politik radikal. I enportan alor ki nou bann *reporting entities* i a zour avek bann lenformasyon lo *cancel* teroris Mr Speaker.

Sa bann teroris ozordi i kapab eksplwat febles bann pei ki zot stratezi *counter terrorism* i feb. Ouswa ki zot nivo *preparedness* i ba. Aköz zot pa espekte ganny okenn latak. E alor sa i *ring a bell* pou mwan. Sesel fodre pa ki nou osi *relax*.

Alor nou bezwen aksyon lo novo Nasyonal e korperasyon rezyonal e enternasyonal, pou adres bann size terorizm efektivman.

Nou abilite koman en pei pou nou adres sa bann size avek sikse, i non selman depan lo nou sistenm lazistis pou delivre zizman dan en fason ki lib, zis, e dan en dele leta rezonnab. Me an premye lye nou bezwen en rezim ouswa

kad legal ki an akord avek bann standar enternasyonal e osi an lir avek bann rekomandasyon *FATF*.

E mon toultan mon'n siport nou Lendistri *Offshore* Mr Speaker. Mon'n koz lo la plizyer fwa dan Lasanble Nasyonal. Akoz toultan dan mon lespri mon mazin parol mon zanmi son nanm devan Dye, Steve Fanny, ki ti anbisye pou vwar nou *financial service* vin premye. *No. 1 pillar of the economy*.

I still believe that this is possible. Me solman nou bezwen asire poudir i annan an kad legal ki fer Sesel konpetitiv e atiran pou bann dimoun vini.

Alor se sa ki mon akerir desizyon pou nou kontinyelman amann e moderniz nou kad legal. Pou asire ki nou an konformite avek bann rezolisyon konsey sekirite Nasyon-z-Ini, rekomandasyon *FATF* e osi stratezi global Nasyon Ini pou konbat terorizm.

Me enn fwa ki nou'n pas sa lamannman *what's next?* Ler mon'n dir letan nou bezwen regard ki pe arive dan bann lezot pei, bann zil vwazen otour nou. Mon propoze Mr Speaker ki Gouvernman i konsider sa bann pwen seryezman.

Enn, ki nou'n bezwen reste azour avek devlopman nasyonal, rezyonal dan natir aktivite terorizm.

Dezyenmman, nou bezwen kontinyen siport devlopman nou kad legal, pou asire ki i reste azour avek standar enternasyonal. E bann meyer fason fer.

Trwazyenmman, nou bezwen ranforsi kapasite bann lenstitisyon finansyel. E bann anplwaye dan sa sekter pou reponn avek efikasite e lavites kont bann ka finansman terorizm. Ki par egzantp sa bann lamannman pe fer.

Be solman nou bezwen donn zot sa *capacity building*, pou asire ki zot deliver *on what the amendment are asking of them*.

E dernyerman, me mon krwar pli enportan nou bezwen devlop sa kiltir *nationwide*. Ki nou tou, napa politik ladan. Nou regard sa size terorizm. Nou vin konsernen avek e nou fer tou pou asire ki i pa enfiltre nou sosyete ditou.

E mon ava termin lo sa pwen Mr Speaker, mon'n note ki dan son prezantasyon Minis in dir poudir sa lamannman ti al devan *Cabinet* le 10 Out. E avek letan ki Lasanble Nasyonal in resevwar i 6 semenn.

I annan en dele letan la ki en pe tro long. E nou ti'n merit ganny met okouran sa. E nou konsyan ki de tanzantan, mon krwar dernyen fwa nou ti war ou ti Desanm lannen pase, ki nou ti adres rekomandasyon 5, 6, 7.

E nou espekte poudir ou pou vin ankor. Me nou'n koz lo la dan *Bills Committee*. I ti ava byen, sirtou atraver sa *National AMLCFT Committee*. Ki nou etabli en rapor travay ki omwen nou ganny en *heads-up what's coming*.

E ki koumsa nou ava kapab fer bann *background preparation* avan. E ki alor nou ava azour e anliny. Me solman pa bezwen trakase Minis ou annan nou sipor lo la.

Akoz nou konnen poudir pei e lemonn i bezwen sa bann Lalwa Modern koumsa. Mersi.

MR SPEAKER

Mersi Onorab. Bon avek sa mon kapab envit Minis pou fer son konklizyon, son *reply* lo deba. Minis.

MINISTER ERROL FONSEKA

Mersi Mr Speaker. Premyerman les mwan remersi Onorab Andre, Onorab Aglae and Onorab Henrie pour zot kontribisyon lo la. Mon a

reponn enn de sa bann pwen ki zot in fer resorti.

Lo kestyon, pwen sorti kot Onorab Andre. Nou ti a pe koz lo pou siport sa amannman akoz ou konpran lenpak, lenportans sa.

Me an menm tan ou pe dir nou, nou bezwen ganny bann letan rezonnab pour nou kapab anmenn sa bann *Bill* devan zot. E pou sey konplet, tou nou bann lamannman ki nou anmennen, ki nou pa pe vin isi plizyer fwa.

Onorab zis mon le dir ou ki ek sa bann louvraz, e pour sa rezon ki nou'n donn en latas *FCIU* pou fer. I pou fer en *total review* lo zot bann Lalwa.

Me an menm tan mon pou bezwen onnet ek ou, poudir sak fwa nou fer bann *review*. Nou anvoy-e i enn pti pe parey en *pingpong*, i retourn *back at you*. *So as much* ki nou kapab prevwar keksoz, nou seye. Me selman tou sa ki nou anvoy kot *forward* i ganny *scrutinized*, i ganny revwar e tanzantan pou annan bann pti *feedback*.

Me selman mon pran ou *note* lo sa bann zafer ki nou bezwen anmenn sa vit devan Lasanble.

Onorab Aglae ou'n koz lo enn pti gin, lenportans pour nou *strengthen* nou *law enforcement* lo sa bann *areas*. E

osi sa kordinasyon ki ou'n koz lo la. E sa i en pwen enportan osi Onorab akoz dan tou bann *areas law enforcement, coordination is the key*. Me an menm tan pa neserman ki nou kapab tro vin ansanm, akoz nou bann *mandate* i enn pti pe diferans.

Parey *FCIU*, son *mandate* i *prosecution* ki *FIU* i pa *prosecute*.

So i annan bann diferan bout, ki nou tou nou fer. Me selman, menm ek sa bann diferan bout, serten kordinasyon i enportan. E an plis ki sa *information sharing*. Tousala i ede pou *strengthen* nou bann Lalwa, pou *strengthen* nou rezilyans.

An se ki konsern, parey Onorab Andre in dir, lo ki nou pa pe vin isi toultan pou fer amannman, Nou bezwen osi konpran, ozordi zour ki krim i *fluid* li, *ok?* Nou pe vwar lo bann krim nouvo konmela, ek teknolozi. Menm *financial crime, bitcoins* pe vin en zouti *favorite* pou sa bann lenstitisyon servi.

Trafik lo *dark web*, tou sa bann zafer. So i annan en kantite keksoz ki toultan pe vin nouvo. E pour sa rezon osi, nou pa pou kapab konplet sa louvraz, sa louvraz *will be* toultan *ongoing*. E akoz nou

bezwen met nou lekor an fas ek sa bann devlopman ki pe arive. So –

Me byensir nou konpran osi sa rezonnman ki zot pe fer resorti.

Onorab Henrie premyerman mersi bokou pou ou konpliman lo bann manrmay *SFRSA*. Mon le asir ou ki zot pe vreman zot leker i la. Zot pe travay serye, e zot pe kontrol sityasyon. Napa nanryen alarman. Pli gran keksoz alarman ti plis sa lafimen.

Sa bann evaporasyon lafimen, me selman lo *containment* menm, zot in kapab *contained* sa sityasyon *from this start*. So mersi pour rekonnet sa.

Mon kontan Onorab Henrie ki ou'n fer resorti, sa *areas of terrorism* ki vreman problem ek *terrorism* i pa en keksoz ki normalman i *set patterns*. *Terrorism* i annan en labitid, *creep on, creep* deryer ou. E zis i ouver son laport i la devan ou.

So i pa en keksoz ki ou kapab, par ler swiv *trend*. Akoz i pa mars koumsa li. I mars *really under* - anba karpèt si ou le, anba karpèt. E zis en zour i pet devan ou. So *the preparation* i enportan. E mon bezwen dir ou ki nou annan en

kantite travay, lo nou kote pour fer, lo sa bout - en kantite.

Akoz petet nou pa'n vwar li ase byen. Me lenportans sa mon sezi ou tre klerman. E spesyalman sa bann legzanp ki ou'n montre, ki dousman, dousman ou vwar keksoz toultour ou. E i pou en move keksoz si ou pa, ou pa enn pti pe alert lo sa. So en pwen enportan.

Mon osi kontan ou pe mansyonn nou *financial institution*, ki nou bezwen met sa vreman solid. Akoz tou keksoz i mars ek larzan. Menm *terrorism* i mars ek larzan bokou - *terrorism financing*. So *if you follow the money*, ou normalman ou vwar *the threat*. So selman ou bann lenstityon i bezwen...

E *again* mon a retourn *back to* Onorab Aglae, pe koz lo sa *coordination*, i enportan pour nou travay ansanm lo la.

Avek sa Mr Speaker, taler osi nou pou koz enn pti gin lo enn pti lamannman lo *Bill* ki nou osi nou anvi get ladan. Avek sa, mersi Mr Speaker.

MR SPEAKER

Mersi Minis. Byen avek sa mon ava apel bann Manm, pour vot lo *general merit sa Bill*. Manm ki an faver lev lanmen silvouple?

Mersi. Tou Manm in vote mon krwar napa Manm ki kont?

Vote lo *general merit Prevention of Terrorism (Amendment) Bill, 2022 - 29* Manm in vot pour 0 kont, 0 abstansyon. *Bill* in aprouve lo *general merit*. Madanm Clerk, a fer *Second Reading*.

MADAM CLERK

Mersi Mr Speaker. *A Bill for an Act to amend the Prevention of Terrorism Act, cap. 179, to make provision for the need for communications made to financial institutions and designated non-financial businesses or professions, to be done so without delay; to ensure orders made by Minister to prohibit funds being made available to persons living in foreign states to commit crimes under this Act, are done so immediately upon designation by the relevant UN Sanctions Committee.* Mersi Mr Speaker.

MR SPEAKER

Mersi Madanm Clerk. Mon pa vwar bokou amannman, me selman i kapab annan enn de. E sirman kekfwa i ava annan enn de pti pwen klarifikasyon. Nou a pas dan Staz Komite, *Sergeant?* Lo kote *Bills Committee* parey labitid, Onorab Andre.

HON CLIFFORD ANDRE

Mersi Mr Chair. Mr Chair nou, napa bokou lamannman, me selman. *I will, if I may go in English, so that because of the draftsperson ...*

MR SPEAKER

Yes.

HON CLIFFORD ANDRE

... speak English. So we have some amendments in terms of the, where it says the Bill, the long tittle.

The Bill on line number four, where it says "or professions to be done" delete "so" - "done without delay".

In line number five before "Minister" put "the" - "by the Minister".

And in line seven delete "done so" and insert "are carried out."

MR SPEAKER

Oule poz enn pti...

HON CLIFFORD ANDRE

"... are carried out immediately upon designation by the relevant UN Sanction Committee."

MR SPEAKER

Panel especially draftsperson, any objection?

ASSISTANT LEGAL DRAFTSPERSON DONNA MUGANHIRI

Thank you, Mr Speaker, no objection.

MR SPEAKER

Thank you. Accepted. Lo kote Manm? Onorab William.

HON WAVEN WILLIAM

Thank you, Mr Chair. Mr Chair I just wanted clarification with regards to the amendments 2A. Because since this Bill is the amendments is a very serious piece of legislation. I want to know why you have used the word "without delay" in terms of the passing on information?

Why do we not specifically give a time frame? Because this is a very serious Bill. Why use the word "without delay," but not give a specific time frame of passing on the information?

MR SPEAKER

Onorab Andre ou pou adres sa avan panel?

HON CLIFFORD ANDRE

Non, Mr Chair. Ler nou'n komans lo long tittle nou ti pou bouz lo la. Kekfwa Onorab William in sote. Akoz i annan en bout kot nou pe koz lo sa amendment avan, so ...

If we, like we were discussing with the legal draftsman, from the AG's Office. You know in the previous Bill it says "amendment of section 26 of Act 34 of 2021".

Mr Chair I wanted to point this out, so that we can get an explanation because in this one it says "amendment of section 20E Cap.179."

However, however 20E was inserted by Act 8 of 2021. What I'm saying is that if we are to make the law user friendly. Can we also mention, even if it is in bracket, that this 20E comes from Act 8 of 2021, but it is in Cap.179.

So is there a modality, where we can insert just to make it user friendly, so that people who are looking at it, can understand properly or go directly to the relevant Acts, that we have passed.

And this Act was assented to, by the President on the 5th of March 2021. Thank you.

MR SPEAKER

Madam draftsman would you like to address that?

**ASSISTANT LEGAL
DRAFTSPERSON DONNA
MUGANHIRI**

Thank you, Mr Speaker sir. Yes I would like to address it.

Unfortunately, from a drafting point of view, we are bound by the rule of drafting that foresees us to only refer to the principal Act which would have been the first Act that is being promulgated.

And every other amendment that is made, after the principal Act is construed to be read together with that principal Act. So the minute we refer to the principal Act being the first Act, it is construed that it includes every other amendments, that is being made after the promulgation of the original Act.

That is why we didn't put that first time, introductory amendment section to say that hereinafter refer to as the principal Act. Because every amendment should then eventually be subsumed into the principal Act.

MR SPEAKER

Are you satisfied with that Onorab Andre? Yes Hon'ble?

HON CLIFFORD ANDRE

I completely understand and I subscribe to this. But what I am saying is that, you are not removing Cap.179. I'm not saying remove Cap.179. It's just to have an indication, like if I don't know that Act 8 of 2021,

created 20E, ok, I would go directly, because it says amendment of section 20E Cap.179.

I would go to Cap.179 and the principal Act, doesn't have 20E. Unless its reprinted, let's say next year or when. So since it doesn't have this, I'm just trying to say if we can have a reference guide type of thing, that would help the person whose reading that law, to know where he is to look.

Because as you say, rightly so 179. but it doesn't know the creation of 20E, which was by Act 8 of 2021.

I am not saying you should remove 179 or you keep 179, but just help the person who is reading it. Thank you.

MR SPEAKER

Thank you. Madam do you have a response?

ASSISTANT DRAFTSPERSON MUGANHIRI **LEGAL DONNA**

Thank you, Mr Speaker. Thank you for your comments Hon'ble. Unfortunately, if we make reference to the amendments, it would then seem as if we are addressing them as separate laws to the principal.

So perhaps there can be a solution outside of - in the

legislative text, perhaps? Thank you.

MR SPEAKER

Onorab Pillay.

HON SEBASTIEN PILLAY

Now look I think basically what Onorab Andre is asking for is that, recently in several different laws what you've done you've actually in the long title what you said was Anti-Corruption Commission Act amended by Act bla...bla...bla of that, further amended by bla...bla...bla that, and then referring to this particular Bill.

So what it is saying is then you have one style for certain Acts, whereby you mentioned the different amendments, which was agreed as a drafting styles with the AG's office - that's the point it's getting at.

And in this case I understand your point, because your problem will then be to try and list down all the subsequent amendments, when in fact you're absolutely right, the principal Act is the most important one.

So I think to him it's more a question, not only on style but of benefit to members of the National Assembly, so that members can actually situate themselves. So that they know

exactly where the amendment is supposed to be coming from and how it relates to it.

So there's been instances where the AG's Office has done that. And I think that what he is getting at.

It's just a point for you to consider, I think. Thank you.

MR SPEAKER

Yes I will let you address. Yes Madam?

ASSISTANT DRAFTSPERSON MUGANHIRI **LEGAL DONNA**

Thank you, Mr Speaker. Thank you Hon'ble. If that is the agreed position, then I stand guided. Thank you.

MR SPEAKER

Yes, ok. In that case, can we proceed to suggest how it can read? Onorab Andre do you have a suggestion?

HON CLIFFORD ANDRE

Mr Chair, if i just suggest that amendment of section 20E Cap.179 or we can put 20E bracket Act 8 of 2021 Cap.179.

MR SPEAKER

So will that be in order Madam Draftsperson?

ASSISTANT DRAFTSPERSON MUGANHIRI **LEGAL DONNA**

Thank you. Mr Speaker. Yes Mr Speaker.

MR SPEAKER

Thank you. Good we have done that. Ok we haven't done the point raised by Onorab William yet. Which is in the subsection just below right, 2A.

Panel, I think the question was simply a matter of clarification. Why do we have "without delay" instead of a specific period? Panel, yes Minister?

MINISTER ERROL FONSEKA

Mr Speaker.

MR SPEAKER

Yes Minister.

MINISTER ERROL FONSEKA

Mon krwar mon a reponn a Kreol sa enn, ouswa ...?

MR SPEAKER

Ale.

MINISTER ERROL FONSEKA

Sa enn zafer "without delay" la. That is your question. "Without delay" aligns I supposed, also with the conditions of the working days and calendar days, ki calendar days i

demonstre ki toulezour napa neserman Sanmdi ek Dimans ladan.

So o moman ou ganny sa lenformasyon ki Nasyon-z-Ini in fini *designate* en dimoun, nou, nou bezwen pran nou aksyon baze lo sa, kantmenm i en Sanmdi kantmenm i en Dimans. So sa rezon. Konmsi pa donn okenn *public holidays* ki-

Akoz *terrorism* parey Onorab Henrie, i dir i *very fluid*. Nou bezwen azir vitman, e si nou ganny sa lenformasyon, e si ou perdi detrwa erdtan, ou kapab pe vwar gran, gran transfer pe arive.

So pour sa rezon ki nou'n tir sa - pa nou - zot in rekomande ki nou tir sa "*working days*", nou met "*calendar days*." Mersi Mr Speaker.

MR SPEAKER

Ok Thank you. Onorab Andre ou annan ankor pwen pou leve?

HON CLIFFORD ANDRE

Yes Mr Chair. Lo amendment of section 20H second line, there's a space between the clause inverted commas. And 'is amended by', and the following line to read and "substituted by" and delete "as follows." And there's just one last one, a

comma in 20H on the third line after "Gazette," - that will be it Mr Chair.

MR SPEAKER

Thank you. Panel I hope you have noted that. Yes madam.

ASSISTANT DRAFTSPERSON MUGANHIRI **LEGAL DONNA**

Thank you. Mr Speaker, Thank you. Hon'ble. We are in agreement with proposed amendments. Thank you.

MR SPEAKER

Right. That's it. Ok. Did the Minister say that he had an amendment to propose? If you would propose it we will see if the members can bring it forward.

ASSISTANT DRAFTSPERSON MUGANHIRI **LEGAL DONNA**

Thank you Honorable. Thank you. Mr Speaker, the proposed amendment from the Minister relates to the marginal notes that were highlighted in the chapeau, to the amendments in clause 2 and 3.

Those have been erroneously placed there. That's the words in bracket reflecting the marginal notes.

In clause 2 it's the words in the first line saying, "Power to prohibit making funds available to proliferation financing." And in Clause 3 is the word in brackets "Power to prohibit making funds available to persons in foreign states, to commit proliferation financing." Thank you.

So the proposal is to just delete them.

MR SPEAKER

Can I asked Onorab Andre to respond, if or any member? Agreed?

HON CLIFFORD ANDRE

Mr Chair. May Madam read what it would look like, because I was not following.

MR SPEAKER

Yes Madam would you just read over?

ASSISTANT DRAFTSPERSON

MUGANHIRI

Thank you, Mr Speaker, Thank you Hon'ble. As the clause is reading now, it states that section 20E and then it is open brackets – it is supposed to highlight the title of the section that we are referring to, in which for example under clause 3 section 20H the tittle says

"Power to prohibit making funds available to persons in foreign states to commit proliferation financing."

So this is not supposed to be there, it was just supposed to be guiding during the drafting process. But the final ... that is presented before you, should just reads "section 20E of the Prevention of Terrorism Act is hereby amended in ..."

And then it should read "under clause 3 section 28H, is amended by the repeal of subsection 1 and substitute by – 'dash.' Thank you.

MR SPEAKER

In order. Thank you. Bon nou'n pran tou bann amannman. Mon krwar tou in ganny aksepte koman minor amendments. Nou a kapab repas dan Staz Lasanble pou fer Third Reading. Onorab Esparon ou ava anmenn Mosyon pou Third Reading.
