

Statement by Hon. Wavel Woodcock to commemorate International Children's Day 2025

Dear children of Seychelles, on this special occasion I extend my warmest wishes to each and every one of you as we celebrate Children's Day. You are the heart of our nation: full of energy, imagination, and promise. Your dreams matter, your voices matter, and your future matters.

As a country, we have a shared responsibility to ensure that every child grows up in an environment where they feel safe, supported, and inspired to achieve their full potential. We remain committed to building a Seychelles where your rights are protected, where education and opportunity are within your reach, and where your creativity and talents are encouraged to shine.

May this Children's Day be filled with joy, hope, and the reassurance that you are cherished and valued in every corner of our society. Happy Children's Day!

Hon. Wavel Woodcock
